Camas Valley Grange Confers Degrees Sunday

By MRS. W. L. BANKS

A special grange meeting was held Sunday at the Camas Valley Grange Hall for the purpose of giving the first and second degrees to William Sundquist, Richard Delaney, and Wayne Stennett.

Lecturer Teresa Ashton lead the group in several games, and prizes were awarded the winners.

Student Home

Janet McMasters, daughter of Mr. and Mrs. Jess McMasters, is spending spring vacation at the home of her parents. Janet is a student at the University of Oregon at Eugene.

Elizabeth Brown, daughter of Mr. and Mrs. Neal Brown, is recovering from measles.

Jerry Dancer, Scoutmaster, announced the change of meeting date for the Scouts. The group will meet Monday evenings at 7 at the grange hall. The meetings had been held on Sundays.

Mr. and mrs. Gilbert Watkins and two children of Arizona are visiting at the home of Mrs. Watkin's parents, Mr. and Mrs. O. R. Amstein. Both are former residents of the area.

Mrs. A. M. Hudson returned to the valley and sold her home to Mr. and Mrs. Stewart Neely. Mrs. Hudson at present is living with her daughter and family, Mr. and Mrs. Robert Wheeler.

Residents Return

Mr. and Mrs. H. Johnson, former residents, have moved back to the valley and are at present living in the Heilman rental, recently vacated by the Maynard Amos family.

Henry Denn was recently released from Community Hospital and has returned to his home. Denn is in a full neck cast as the result of an accident.

H. W. Banks has returned to his home on McCann Road following an absence of several months. He spent the winter in Southern California with his son and daughter-in-law, Mr. and Mrs. C. L. Banks in Lomita, and with his son-in-law and daughter, Mr. and Mrs. J. H. McGown, of Richmond, Calif.

J. Croy has been released from the hospital and is reported to be improving.

Missionary Alliance Church Slates 'Week Of Missions'

The third annual "Week of Missions" is scheduled all next week in the Labor Temple auditorium in Roseburg by the Christian and Missionary Alliance Church.

The yearly affair will bring together four foreign missionaries of the church.

Opening the week Sunday and continuing through Tuesday will be the Rev. G. O. Moffat of Ecuador. He will show pictures and speak.

On the agenda Wednesday and Thursday nights will be the Rev. E. A. Truax, veteran missionary to China and more recently to Thailand. Friday night, the Rev. Mr. Moffat returns, and Easter Sunday will feature the Rev. and Mrs. Gerald Conn, who have ministered to the tropical jungle Indians of Ecuador. They will also speak and show pictures.

Primarily a missionary organization, the Christian and Missionary Alliance Church each year across the nation holds a "Week of Missions." Its purpose is to challenge the church at home to support missionary work abroad by prayer and gifts. In the past two yearly sessions, the local church has pleged over $1,500 to missionary enterprises, reports the Rev. Arthur Hoenisch.

The public is invited to all services.

Camas Methodist Church Conference Sunday Evening

Camas Valley Methodist Church members are planning various activities for next week.

First on the agenda is the annual quarterly conference Sunday, at 7:30 p.m. at the church. The Rev. Dr. Meredith Groves of Eugene will be present.

The WSCS met recently at the home of Mrs. Lloyd Roberts, and completed plans for the men's dinner to be held in the near future. Mrs. Guy Moore lead the lesson discussion on Japan.

It has been announced that a communion service will be held April 4, Good Friday, at 7:30 p.m. This service will be open to anyone who wishes to partake of communion.

Mrs. G. T. Heilman, choir director, stated the 18 members of the church choir will present an Easter Cantata, "Triumph," at the 11 a.m. service Easter Sunday.

The Rev. Dr. John Morange, former minister, will be present for the Easter services, reports Mrs. W. L. Banks, correspondent.

Failure To Maintain Given Altitudes Blamed

BRIDGEPORT, Tex. (AP)—If two big Air Force planes had maintained their assigned altitudes they would have been 1,000 feet apart instead of colliding as they did Thursday with a loss of 18 lives, the Civil Aeronautics Administration says.

All men aboard both planes perished when a C124 Globemaster and a C119 cargo plane smashed together in the air near this North Texas town.

Bruce Chambers, public information officer of the CAA office in Fort Worth, said the 1,000-foot clearance was normal procedure.

Sutherlin Grange Confers Degrees

Sutherlin Grange members met at the grange hall for a potluck dinner with Stella French and Mr. and Mrs. Ward Watson as hosts for the evening.

Eighteen members and 15 visitors attended with the following granges represented. Riversdale, 10; Melrose two, Lookingglass 2, Winchester Bay two, Fair Oaks two, North Douglas 4, and Myrtle Creek nine.

Howard Cracroft, county deputy, Emmett Walters, Pomona master, Alvin Allen, North Douglas master, Carl James, Myrtle Creek master, were escorted to the master's chair and introduced.

Howard Craeroft gave the third and fourth degree obligations to Mr. and Mrs. Art Bennett. The Home Economic chairman announced their next meeting would be April 1 with Eunice Haslam and Thelma Jones as hostesses.

At the next regular meeting there will be balloting on state grange officer and all members, are asked to be present. Several members, Margaret Watson, Dorothy Clark and Elizabeth Gleason were reported ill.

Emmett Walters, with the assistance of Dorothy James of Myrtle Creek, took charge of the grange talent contest with the following winners.

First, Bessie Pat and Anna Howard of Myrtle Creek who sang, "In the Mission of Saint Augustine"; second, Thomas Bean of Sutherlin who sang, "Catch a Falling Star," accompanied by Gertrude Starmer of Oakland; third, Sharon Wicks of Riversdale, piano solo, "Begatele in F".

Judges for the occasion were and Virgil Woodruff. The winners will go to the district meeting the date of which has not been set.

The next meeting will be April 9 with Mr. and Mrs. Floyd Bringle and Mr. and Mrs. Ray Parker as hosts, reports correspondent Mrs. Brittain Slack.

Presley Nervous On His First Day At Army Center

FT. HOOD, Tex. (AP) — Pvt. Elvis Presley is starting his Army career looking like a shyer than usual soldier.

He reached Ft. Hood in central Texas late Friday, ducked his head at a girl's salute and disappeared from public view for a few days — but not without a welcome of feminine squeals.

Today the rock 'n' roll king went through the customary processing routine for new recruits like other basic trainees. That was the way he wanted it.

"I don't expect to receive a pass any sooner than the rest," he said. "I want to try to do a good job as a soldier."

Obviously nervous, the singer nevertheless was smiling as he and 184 other newly - inducted GI's stepped off a bus from Ft. Chaffee, Ark.

"This is worse than my first night on TV," he said.

Scores of off-duty soldiers, newsmen and photographers gathered as Presley was escorted to a frame building for a news conference.

When pretty Maria Medina, 17-year-old high school senior from nearby Killeen, Tex., walked up and saluted him, he chuckled and held his head down shyly.

Twenty-five to 30 teen-age girls later gathered across the street "We want Elvis! We want Elvis!"

President Signs Soil Bank Bill

WASHINGTON (AP) — Legislation providing an additional 250 million dollars for the farm soil bank this year has been signed by President Eisenhower.

The added soil bank funds are contained in a $2,861,008,793 bill supplementing money for several federal agencies in the current fiscal year. This increases to 750 million dollars the amount available this year to farmers who retire land from production of crops in surplus supply.

Eisenhower also signed yesterday a separate bill providing $3,402,000,000 for the Post Office Department and $704,627,000 for the Treasury. The Post Office allotment for the fiscal year starting July 1 was cut 19 million dollars below Eisenhower's requests. The Treasury appropriation is five million dollars more than Eisenhower asked.

Atomic-Powered Sub Skates Back In Harbor

NEW LONDON, Conn. (AP) — The atomic-powered submarine Skate arrived here Saturday after a 34-day shakedown cruise in which she set undersea records for both the east and west crossings of the Atlantic.

The Skate submerged at Lizard Head, the entrance to the English Channel, and surfaced near Block Island, a distance of 2,975 miles, in 173 hours in the east-west crossing.

It could have been even faster, but the Skate participated for several hours in routine exercises during the homeward voyage.

Cmdr. James F. Calvert of Cleveland, Ohio, skipper of the powerful 265-foot undersea vessel, said "the performance of the ship was perfect."

Drugless Healer Loses, Must Pay Big Damages

SPOKANE (AP) — A drugless healer accused by Paul F. Hull of Coeur d'Alene, Idaho, of giving improper treatment to his tubercular wife has been ordered to pay Hull $37,823 damages.

The jury of seven women and five men made the unanimous award late Friday against Otis G. Carroll, Spokane sanipractor. Hull had sought $302,000 damages. The jury had deliberated since Thursday afternoon.

The award included $35,823 for the death of Mrs. Hull and $1,000 each to Hull and his daughter who claimed they had contracted tuberculosis. Hull testified his wife wasted away during the five months she underwent treatment by Carroll, at $5 a visit.

B25 Bomber Crashes Near Oklahoma City

OKLAHOMA CITY, (AP) — An Air Force B25 crashed in an open field near here Friday night, killing three persons.

A spokesman for nearby Tinker Air Force base said three persons were aboard the plane which left Randolph Air Force Base, Texas, Friday night. He said the B25 was bound for Vance Air Force Base at Enid, Okla.

Examiner Would Allow Freight Co. To Buy Out Lines

WASHINGTON (AP) —A Portland, Ore., firm should be allowed to absorb six other motor carrier companies and thus become the largest trucking service in the nation, an Interstate Commerce Commission examiner says.

Examiner Levi Pettis said Consolidated Freightways Inc. should be permitted to buy the other truck lines and extend service from coast to coast.

Because a large number of other firms operate along the same routes, the acquisition by Consolidated of the six companies would not "result in undue restraint of competition," Pettis said.

The Justice Department has said that the Consolidated plan would have "anti-competitive effects."

Superior Service

Pettis said, however, that under the proposal, Consolidated could provide "single line" service through the Eastern states which would be superior to present interchange agreements with other carriers.

The companies involved, including Consolidated, have a total of 58,000 route-miles in nearly all parts of the country.

Some route miles would be eliminated by the merger, but Pettis said under the purchase plan Consolidated "undoubtedly" would become the largest U.S. truck firm in terms of routes served, annual revenues and vehicles operated.

Consolidated has said it will lay out $18,627,164 to effect control of the six companies.

Those six firms had total gross revenues of more than 95 million dollars in 1956.

The firms that Consolidated proposes to absorb are in the Midwest, South and East.

Longest Sentence Meted Murderer

CHICAGO (AP) — William Stacey, 24, who once begged for a quick death in the elctric chair, instead reaped 299 years behind bars.

A Criminal Court jury of nine men and three women deliberated for 3½ hours yesterday before convicting the door-to-door baby photographer of murdering a mother, Mrs. Darlyne Todd, 16.

Then—acting under Illinois law which sets no limit on sentences for murder—the jury gave him 299 years in prison.

Court officers expressed belief it was the longest term ever assessed for a single crime in Illinois.

Stacey will not be eligible to file for parole until 2057, when one third of his sentence will have been served.

Last Noveinber, shortly after he was caught and accused of bludgeoning, choking and stabbing the young mother to death, he told police he wanted to die in the electric chair.

As the jury foreman intoned the sentence, Stacey dropped his head and stood quietly. His wife, Margaret, 21, burst into sobs.

Pioneer AP Foreign Correspondent Passes

BOSTON (AP) — Joseph E. Sharkey, a pioneering foreign correspondent in 40 years of service with The Associated Press, died early today at Peter Bent Brigham Hospital. He was 81.

A hospital spokesman said the cause of death was pneumonia.

In his travels as an Associated Press reporter Sharkey had one objective — "to find the truth and tell it."

Informed of Sharkey's death, Frank J. Starzel, Associated Press general manager, said:

"Joseph E. Sharkey was among the pioneer American reporters who understood how to report and explain the foreign scene objectively and dispassionately. He covered many events of worldwide importance and his by - line for many years was known to millions of readers. He was a great reporter to the last."

Probers Will Question Other Members Of FCC

WASHINGTON (AP)—House investigators, following up denials by two FCC members of any misconduct, prepared today to question other Federal Communications Commission members about their relations with broadcasters.

Commissioners Robert T. Bartley and Rosel H. Hyde told a special House subcommittee Friday that allegations of misconduct against them were unwarranted. Both took issue with charges aired by Dr. Bernard Schwartz before he was fired as the subcommittee's chief counsel.

PLAIN TRUTH

By Glen W. Lundy: Gospel Evangelist

As we examine the religious parties and sects of today the question that confronts us seems to be: what do you want, a pheasant fraternal organization with just enough Truth to soothe you into a feeling of security, or do you want something that cannot be found in such an organization? If you are content with only a semblance of true religion no doubt you can be content in any religious denomination available. On the other hand if you want to be a Christian as were the early Disciples, (Acts 11:26); a member of the Church, (Acts 2:47); and have the assurance of spending eternity with Christ, (1 Thess. 4: 16-17); we recommend strict adherence to the Gospel of Christ, (Rom. 1:16). Nothing less will suffice to save the soul of man.

Peter declares," the Gospel abides forever," and that he had preached the Gospel unto them. (1 Pet. 1:25) Peter preached that man must, "Repent and be baptized", (Acts 2:38); that he must remain faithful and grow, (2 Pet. 1:5-11). Anything less than this is to admit that we do not want to be in Christ for only through baptism do we enter Him, (Gal. 3:27) and only through Christ can we reach God. (Jn. 14:6.)

Strive to please God rather than self. Seek to obey God rather than man. Worship where the "Oracles of God," determine your actions.

Opposition Told To Hydroelectric McKenzie Dam

PORTLAND (AP) — The state Game Commission announced opposition Friday to the Carmen-Smith hydroelectric project proposed by the Eugene Water and Electre Board for the McKenzie River.

The commission said it will protest to the state engineer against the project, and also will petition the federal Power Commission for the right to intervene in the matter.

The Eugene agency has applied both to the state and the federal agency for permission to build the project, located just below Beaver Marsh, where a proposed hydroelectric project was defeated by vote of the people in Eugene two years ago.

The commission also voted to intervene in applications to the FPC by Portland General Electric Co., Weyerhaeuser Timber Co. and Publisher's Paper Co. for paper mills on the Willamette River just below the falls at Oregon City.

The commission said these might not be protests, but that it wanted a voice in any matters concerning fish.

Tavern Operator Gets Restraining Order On Pinballs

DALLAS, Ore. (AP) — A West Salem tavern operator won a temporary restraining order in circuit court Thursday, preventing police from cracking down on his free-play pinball machine.

A hearing on whether the order will be made permanent will be held April 22.

Circuit Judge Arlie G. Walker issued the temporary order on the motion of Marshall McKee, who cited a recent ruling by Atty. Gen. Robert Y. Thornton that free-play pinball machines were illegal. The Polk County district attorney, Walter Foster, said he would follow Thornton's order in cracking down on the machines.

McKee operates the Eola Inn at West Salem.

Thursday Washington County Dist. Atty. Francis Linklater advised 155 persons they have until April 1 to dispose of machines which give free games.

Linklater's action came at the same time as the district attorneys in Coos and Curry counties said they would not permit the free-play machines to operate in the Southern Oregon area.

Coos Bay Folks Buy Laundromat Service

Mr. and Mrs. Orville N. Mountain, who say they looked for eight months for a small business to buy, have settled on a business in Roseburg.

They announced today they had purchased the Laundromat on SE Main Street and Court Avenue from Richard and Charles Horn. The laundry had been managed by Richard Horn for the last five years.

The Mountains, from Coos Bay, say they will move to Roseburg to operate the laundry. They have a 12-year-old daughter.

Meanwhile, Mr. and Mrs. Richard Horn report they have no immediate plans except to "go fishing." After their fishing excursions, Horn said, he plans to go into another business in the fall. "Our home is here and we are definitely not leaving the community," he said.

Beer Reported Stolen From Distributing Truck

Two half cases and three full cases of beer were taken from a Western Distributing Co. truck Friday night, according to Roseburg police.

The truck was parked in the company lot at Burke Avenue and Short Street. The truck had been broken into by prying a lock off the door. One door had a hole torn in it by a pry bar which had been placed through the lock and against the door, police said. Two other trucks parked in the area had also been tampered with, police added.

Approximately $50 damage was done to the truck, police said. The owner, W.C. DePriest, was called to lock the truck.

Neighbor Sees Property Being Taken From House

Mrs. T. J. Fowler, Oakland Star Rt., Sutherlin, told State Police Friday that a neighbor saw someone take property from a house from which they were moving.

Mrs. Fowler said her neighbor saw a party in a yellow pickup take the property from the house. She did not know the neighbor's name nor what was taken, she said.

FATALLY INJURED

PORTLAND (AP) — Allan Lewis Harrington, 60, Portland, was fatally injured by an automobile southeast of Portland early Saturday.

State police said a car driven by Melburn Henry Black, 68, struck or ran over Harrington at SE 82nd Ave. and King Road.

It was the 23rd traffic fatality of the month and the 80th of the year on the Associated Press list for Oregon.

Agreement Reached On Interstate Road

PORTLAND (AP) — Washington won a concession Thursday that brought about agreement with Oregon on the proposed new highway between Ellensburg and Pendleton.

Washington won permission to make changes in the route through the Yakima Valley and across the Horse Heaven Hills to the crossing of the Columbia River over the Umatilla County toll bridge.

Earlier Oregon had won a concession when Washington agreed to the Umatilla crossing instead of insisting on a new bridge near Boardman, 20 miles west of Umatilla.

The two states now will ask the Bureau of Public Roads to include the 132-mile route in the federal interstate highway system.

Such approval seems likely, for the Department of Interior, the road bureau's parent body, originally requested the two states to study the route.

Plans call for the first section of the highway to extend from Ellensburg to Mabton, Wash.

It originally was planned to build the highway nearly due south to Boardman. But now the road is planned to swing southeasterly through the Horse Heaven Hills country to the county toll bridge at Umatilla.

The new highway would extend from U. S. Highway 10 at Ellensburg to the Stanfield Junction in Oregon, where it would hook into U. S. Highway 30 west of Pendleton.

Only a small part of the highway would be built in Oregon.

The Oregon Highway Commission said it will leave any changes in the remainder of the route up to the discretion of Washington state.

Harold Benson, Riddle, Arrested

A 69-year-old Riddle man's freedom from jail was short lived.

Arrested originally Friday night by Sheriff's deputies on a charge of obtaining money by false pretenses, Harold Terry Benson was released from the county jail upon posting $5,000 bail. He was re-arrested today for further investigation.

Both arrests were made in Riddle. Benson, following his release Friday night had returned to Riddle today to get his car, officers stated. Riddle police made the arrest.

Benson earlier had been the object of a search by police after filing of a complaint by Neal McCoy, Cottage Grove. McCoy's complaint stated Benson accepted $3,000 in payment for timber property which Benson claimed to own on the west side of Cow Creek. McCoy claims it was found Benson did not own the property.

Diefenbaker Favored In Canadian Election

OTTAWA (AP)— One of Canada's stormiest political campaigns ends today with the Conservative party of Prime Minister John Diefenbaker strongly favored to win Monday's parliamentary election.

Almost all the newsmen who have traveled with the leading candidates predict the Conservatives will win a clear majority of the 265 seats in the house of Commons.

Public opinion surveys also report the Conservatives have gained strength since they barely ousted the Liberals last June and ended their 22-year rule.

Liberal leader Lester B. Pearson, however, maintains that his party will win. And Liberals point out that all the experts and polls were wrong in last summer's upset.

Defense Workers Will Attend Medford Meet

Four men connected with Douglas County Civil Defense this week attended a meeting in Medford for the purpose of discussing mutual problems with state officers and representatives from other Southern Oregon counties.

Local representatives were CD Director Arthur M. Selby, Sgt. Robert Keefe of the Roseburg office of Oregon State Police; Sheriff Ira C. Byrd and Raymond Nichols of the Douglas County Welfare Department.

Other representatives came from Josephine, Jackson, Klamath and Lake counties. Five men were present from state headquarters.

Gunshot Death Declared Accident At Grants Pass

GRANTS PASS (AP) — Coroner Virgil Hull says the gunshot death of 21-year-old Dale Lewis Milburn Friday night was accidental.

Milburn died an hour after a .22 caliber bullet struck him just above the eye near his home in Jerome Prairie, a small community just southwest of here.

Hull said the accident occurred as Milburn and several other young men were shooting at a target with a .22 caliber rifle.

The men were using the hood of a car as the rest for the rifle, Hull said.

He added that just as Arthur Fred Jerome, 16, Fruitdale, shot the gun, Milburn walked around the car and into the line of fire.

Glendale Lions Receive Boy Scout Charter, Cards

By MRS. GERALD B. FOX

The Glendale Lions Club met recently at the IOOF Hall.

Bill Scarth and Vondis Miller, officers of the Willamette District Boy Scout Council, presented this year's Scout charter to the Lions Club, sponsor of the group.

Membership cards were also presented to local Scout officers.

Hear Debate

After the business meeting, a debate team from Glendale High School debated the subject, "Resolved, the United States should Stop All Foreign Aid Except Military."

The girls, Jean Fachet and Beverly Cox, took the affirmative, and the boys, Tom Mehl, and Wesley Young took the negative positions. Judges from the Lions Club declined to name the winners, but high school Superintendent Marlen Yoder, announced that the High school speech class, voting after hearing the same debate, had awarded the boys first place by a quarter of one point.

A group of several visitors from the Rogue River Lions Club demonstrated their automatic crowing machine and reminded local members of the annual National Rooster Crowing Contest which will be held early next summer at Rogue River.

Scouts Demonstrate

At the previous Lions Club meeting, Boy Scouts were present and demonstrated the sending of code messages. They also showed what they take on camping trips and how it is packed.

After the dinner, a motion picture of the national Boy Scout encampment at Valley Forge was shown.

The Little Chefs 4-H Club met at the home of Mrs. Doll Taylor in Glendale. The members decided to make cookies at home and to bring six cookies, each, to the next meeting to be given to someone who is ill.

Hostesses Lona Kay Gilmore and Rita Jackson, served refreshments.

The next meeting will be held at the home of Mrs. Vi Kimbrough, and hostesses will be Terry Sue Johns and Ann Bartle.

Glendale Boy Scout Troop No. 16 held its regular meeting with 30 Scouts present, including one new member, Charles Jones.

It was announced there will be a court of honor at the Scout Building Monday evening.

Parents Visiting

Mr. and Mrs. Chester Smith and family are being visited by her parents, Mr. and Mrs. Leslie Brown of Silverton.

Harold Foreman of Grants Pass, a former Azalea resident, was injured in a woods accident near Canyonville Wednesday. Foreman, working on a yard rib, was struck by a cable which tossed him through the air. He was hospitalized but was released Friday.

Ben Whaley of Glendale attended a Shell Oil convention in Eugene last week.

Bitterest Korean War Truncoat Plans To Return

HONG KONG (AP) — The Korean War turncoat described by his buddies as the most bitter of the 21 Americans who chose Red China is reported coming home.

Red Chinese officials today informed British border guards that Sgt. La Rance Sullivan of Omaha, Neb., and Santa Barbara, Calif., will cross from China into this British crown colony tomorrow.

Sullivan is one of three Negro turncoats in China. He was last reported working as a lathe operator in a factory at Wuhan in central China.

This was the first indication that Sullivan plans to leave China.

Sullivan never told his comrades they he was so bitter. The ex-POWs said he never knew his father, who started writing a book about him in Omaha after he defected. His mother was beaten to death in California, the buddies said.

Khrushchev To Disclose New Government Monday

MOSCOW (AP) — Premier Khrushchev will disclose the makeup of his new government Monday, it was announced Saturday before the Council of the Union — one of Russia's two houses of Parliament.

Monday's joint session of the two houses will thus spell out Nikolai Bulganin's political future and also may reveal a Kremlin decision to end Soviet H-bomb tests without waiting for the United States and Britain.

Khrushchev led the Presidium members into Saturday's session which continued to discuss the Communist party leader's agricultural plans. Bulganin was not present.

Patent Rights Awarded On Hair Wave Solution

NORFOLK, Va. (AP) — An 11-year legal fight for patent rights to a permanent wave solution has been decided in favor of a man who says he discovered the formula by chance.

Harry Martin of Monroe, N.Y., once a cleaner and dyer, was ruled the originator of the home-permanent solution Friday by Federal Judge Sterlin Hutcheson.

Both Martin and Dr. Everette G. McDonough, a Yongers, N.Y., chemist, claimed to have invented the solution, now widely used in home permanent kits and many beauty salons.

FINE PAID, RELEASED

J. D. Dunning, 29, 937 NE Winchester St., was released from custody of the Douglas County Sheriff's Office Friday when he paid a $25 fine and $5 in costs assessed for driving without an operators license. The fine was assessed by District Judge Warren A. Woodruff.
