

Worry of FALSE TEETH
Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, rubbing or wobbling when you eat, talk or laugh. Just sprinkle a little **FASTEETH** on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid). Get **FASTEETH** at any drug counter.

New Projects Launched By Fullerton PTA Here

The Fullerton PTA kindergarten will be continued again next September. The new project by the PTA started in January and will continue through April with a 25-student limit. Mrs. Leland van Allen, teacher at the school, is now formulating plans for continuing the program in the fall. The kindergarten is open to any

youngster who will enroll in the first grade at Fullerton the following year.

Other Projects Listed

This is only one of a group of new projects launched by the PTA under the guidance of its executive board during the 1957-58 school year. Among the largest undertakings was sponsorship of the Fullerton Blue Birds, Camp Fire groups and Cub, Boy Scout and Explorer groups.

The PTA also sponsored the Fullerton Mothersingers under the direction of Mrs. Roy Hanford. They entertained at PTA and school functions.

A "good citizen of the month" program was started in which student committees, sixth grade teachers and a PTA committee selected a "citizen" from the three sixth grade classes. A "Newcomers Committee" was also formed to greet and help new Fullerton parents.

The major money-making project was the carnival April 11. The sale of Christmas trees during the holidays was the only other financial undertaking this year.

Plan For Future

At its April meeting, the association approved a \$10 allowance for each of the 12 primary grades to purchase games and classroom play equipment. The balance of the project money is to be placed in a special fund for future construction of a covered playshed on the playground.

It was announced a pre-school tea scheduled this year on May 16 will be held each year to introduce the new first-grade students and their mothers to the first grade teachers and acquaint them with the school.

The program committee theme for the year was "Three Hearts of a Child's World," the school, home and community.

Porter Would Take Dam Bill From Committee

WASHINGTON (AP)—Rep. Porter (D-Ore.) has proposed that the House take the Hells Canyon Dam bill from its Interior Committee.

In making the proposal he said a boost in water resources construction is one of three steps needed to fight the recession in the Pacific Northwest.

Trade with Red China and direct loans for housing also were urged by Porter in a talk to a women's national Democratic club.

The Senate passed the Hells Canyon bill last year. But since then, it has been in the House committee, in which a majority of the members are believed against construction of the dam by the federal government.

Porter urged that backers of the bill circulate a petition to force it out of committee and bring it to the House floor for a vote.

Spring Conference Of Women's Clubs Set At Coos Bay

The second district of Oregon Federation of Women's Clubs will hold its 29th annual spring conference in Coos Bay April 25.

Mrs. Frank Ashley, president, will preside. Registration will be from 8:30 to 9:30 a. m., with an executive board meeting at 9. The meeting will be held in the First Methodist Church at central and Ocean Blvd.

The all-day session will start at 9:30 a. m. with routine business and a revision of bylaws will be presented. Club presidents will give reports and officers will be elected.

Mrs. Walter Brown, first state vice president, Klamath Falls, will support the proposal, but postponed a decision.

The estimated cost to the school district during the first year of operation of such a station would be about \$146,000, the board's Curriculum Advisory Council said.

"Modern Art" with a Eugene artist, Mrs. Edna Anderson Morey as afternoon speaker. The Vogue sewing contest winners will be presented in a fashion show, the winner to attend the state meeting in May. Winner of the Roseburg Woman's Club sewing contest was Mrs. Leon Muirky.

The luncheon will be prepared by the Methodist Women and all reservations must be in early.

Installation will be given by Mrs. Walter Brown, assisted by Mrs. J. A. Gibson, Bandon. Afternoon

tea will be served by the North Bend Seniors Club.

The evening of April 24 a reception will be held in the home of a member of the Coos Bay Junior Club, Mrs. Jack Schneiderman. There will be transportation from the Tioga Hotel for those wishing it.

The state convention will be held in the Marion Hotel, Salem, May 6-9 with Mrs. George Rossman presiding. The Roseburg Woman's Club president Mrs. Kenneth W. Ford and delegates will assist in the convention.

It has been announced that a national award has been presented the St. Helen's Woman's Club in the community achievement contest.

SALEM (AP)—There will be no siren at MacLaren School in Woodburn when a boy runs away. The Board of Control here has approved this decision by Amos Reed, superintendent, who said the noise creates an uproar and puts an end to work or study by other inmates.

He said some Woodburn residents wanted the siren restored so they could lock their homes at the warning.

However, Reed said, training schools across the country have eliminated sirens, along with the lockstep and bloodhounds, and the number of attempted escapes has declined.

Plea Made For Portland Educational Television

PORTLAND (AP)—A plea for a school-supported educational television station here was deferred by the Portland School Board.

The board heard Community Television Inc., a non-profit group, support the proposal, but postponed a decision.

The estimated cost to the school district during the first year of operation of such a station would be about \$146,000, the board's Curriculum Advisory Council said.

No Siren To Be Blown When Inmates Run Away

SALEM (AP)—There will be no siren at MacLaren School in Woodburn when a boy runs away.

The Board of Control here has approved this decision by Amos Reed, superintendent, who said the noise creates an uproar and puts an end to work or study by other inmates.

He said some Woodburn residents wanted the siren restored so they could lock their homes at the warning.

However, Reed said, training schools across the country have eliminated sirens, along with the lockstep and bloodhounds, and the number of attempted escapes has declined.
