For the Sweetness you Remember! WHITE KING SOAP

Remember the soft, sweet fragrance of your mother's linen cupboard? The heaping piles of fresh-smelling, downy-soft towels. The cool, crisp stacks of snowy white sheets. To produce such wonders your mother used real soap. Probably White King Soap. Nothing else could make her wash so deep-clean...so light, bright and fragrant. Real soap can do the same for you. Even take clothes dulled and stiffened by years of laundering in other products and restore their freshness. Next washday, try White King Soap. Make that sweetness you remember—yours!

**IF THERE'S A BABY
IN YOUR HOUSE**
It's especially important to wash all of baby's things in White King Soap. White King keeps everything that touches his tender skin soft, safe, free from the irritants that lead to diaper rash and chafing. Kind to delicate colors, too.
