

Unidentified Form Of Radiation Found By Earth Satellite

WASHINGTON (AP)—Evidence of an unidentified form of radiation which may require special shielding precautions for space travel has been picked up by the Army's Explorer satellites.

So intense is the radiation—believed to come from the sun—that it caused cosmic ray counters aboard the two satellites to die out at times.

This was reported here to a special meeting of the National Academy of Sciences and the American Physical Society, called to hear first reports of preliminary scientific information from the satellites.

In addition to the report on the unidentified radiation, the various scientific accounts featured these announcements:

1. Temperatures within Explorer 1 have ranged from 32 to 104 degrees Fahrenheit—within the range of human survival—even though temperatures outside may vary from about 120 degrees below zero to about 850 degrees above.

2. Only seven hits by micrometeorites—tiny, speeding particles of space dust which might present another hazard to space travel—were recorded by Explorer 1 during a period of a month—and apparently none of them penetrated the satellite's shell.

3. The atmosphere 230 miles above the earth is 14 times more dense than was believed in the presatellite era, according to calculations of a Smithsonian scientist.

Fellowship Day Set At Glendale Church Friday

The annual Women's May Fellowship Day will be held Friday at the Olivet Presbyterian Church in Glendale.

A nursery will be provided for small children. All women of the Glendale and Azalea communities are invited.

Nellie Wateridge and Terry Allen, missionaries from the Azalea Community Church, will speak on home missionary work.

A member of each ladies group represented will give a brief report on activities of her group during the year.

Refreshments will be served by the hostess group, the Women's Circle of the Glendale Assembly of God Church, reports correspondent Mrs. Gerald Fox.

Graveside Funeral Services Scheduled

Graveside funeral services for Barbara Ann Erna, infant daughter of Mr. and Mrs. Theodore A. Erna, Riddle, will be held this morning at St. Joseph's Catholic Cemetery in Roseburg.

The Rev. James Dillon of All Souls Catholic Church, Myrtle Creek, officiated. Ganx Mortuary, Myrtle Creek, was in charge of arrangements.

Besides the parents, the baby is survived by two sisters, Peggy Marie and Valerie Jean, twins; paternal grandparents, Mr. and Mrs. Theodore A. Erna Sr., Mt. Vernon, N.Y.; maternal grandmother, Mrs. I. C. Hawkins, Fayette, Mo.; maternal grandfather, R. A. McEntire, of Missouri.

9 To 12 Believed Dead In Bombing Of Freighter

SINGAPORE (AP)—At least 9 and possibly 12 of the crew of a Panama-registered freighter, identified as the 1,233-ton Flying Lark, were killed during a bomb attack on the ship near Ambona in East Indonesia, the ship's agents in Singapore reported Thursday.

The Flying Lark with her Hong Kong Chinese crew of 26 was on charter to an Indonesian firm. News of the attack caused several owners to radio their ships in Indonesian waters to stay out of Makassar Strait. Rebel planes have attacked Ambona twice in the last four days.

Mrs. America Contestants' Statistics Vary

FORT LAUDERDALE, Fla. (AP)—Mrs. America contestants, the cream of this nation's crop of homemakers, are as varied in their individual beauty and ideas as Maine from California.

Just take a look at the statistics on the finalists who will vie for the 1958 Mrs. America crown next week.

In the height department, Mrs. Libby Rogers of South Dakota towers over her 48 competitors at 5 feet 10. The smallest finalist is 3-1/2 Mrs. June Murrell, who ironically hails from giant-sized Texas.

As for weight, Mrs. America contestants come in all sizes. The heaviest is Mrs. Mississippi, Mrs. Marsha M. Mathis, who gave her weight at 150 pounds. The lightest is 105-pound Mrs. Polly Sue Stefens of Oregon.

The oldest member of the group is Mrs. West Virginia at 42. The youngest is 22-year-old Mrs. Maine. The average age is 30.

Ninety per cent of the finalists admitted that they have spanked their children at one time or another.

The only homemaker who failed to answer this question was Mrs. Floyd Taylor, of Arkansas who has no children.

One contestant said, "We give our children plenty of love and quite a bit of the switch. It's a good combination."

Man Fined, Jailed; Trial Dates Set For Five Others

A 23-year-old man was fined \$100 and sentenced to five days in jail and five trial dates were set following innocent pleas Wednesday in Roseburg Municipal Court.

Sentenced after pleading guilty to driving while under the influence of intoxicating liquor was Billy Donald Mays, 124 SE Mosher Ave. He was booked at Roseburg city jail in lieu of payment of fine.

Judge Randolph Slocum set May 8 as the trial date for Norman Lewis Davis, 363 W. Center St., who pleaded innocent to a charge of reckless driving in a case stemming from an incident last summer.

Double charges face Richard Alvin Davis, 23, 563 W. Center St., and James Leroy Whetstone, 19, 1508 SE Lane Ave.

Davis is charged with reckless driving in a complaint signed by Mrs. Reeves Paxson, 417 NE Jackson St., who alleges Davis was driving in a reckless manner as he turned off Jackson onto NE O'Dell Avenue Tuesday evening. Davis pleaded innocent and trial date was set at May 15.

Slocum set trial for Davis for Sept. 17 after the defendant pleaded innocent to a charge of furnishing liquor to a minor.

The charge stems from an incident which allegedly occurred minutes before the alleged incident referred to by Mrs. Paxson.

Police said Davis was a passenger in a car driven by Whetstone, who pleaded innocent to charges of reckless driving and drinking while driving. The pair was apprehended early Tuesday evening by Roseburg officers following a brief chase in Northeast Roseburg.

Trial date for Whetstone was set for Sept. 24. He will face both charges at that time.

Activities Set For Music Week

National Music Week, May 4-11, will be observed in Roseburg through music organizations, schools, churches and civic organizations.

Concerts are planned at the senior and junior high schools and music festivals at Fullerton and Rose elementary schools.

An operetta, "The Sorcerer's Apprentice," will be given at Central Junior High the evening of May 9. Joseph Lane Junior High will hold a Pioneer Day this Sunday.

This year's theme is, "Let's Live With Music."

WASHINGTON (AP)—A bill to provide one billion dollars for a junior college construction program is being sponsored by Rep. Ullman (D-Ore.).

This would help make classroom space available to "countless numbers of high school students" now denied education opportunities, Ullman said.

The bill would provide 200 million dollars a year for five years.

6,000 Teenagers Hear Brains Of Air Force Space Plans

OKLAHOMA CITY (AP)—With the unmitigated enthusiasm of a Saturday night pop-hop, 6,000 teenagers heard the brains of Air Force space projects tick off man's steps toward space Thursday.

They listened intently as a series of scientists went into the various phases needed to get a man into space.

"We're just like a salesman getting on the road to sell his product to the people," said Lt. Gen. Clarence S. Irvine, Air Force deputy chief of staff, as he looked at the milling thousands of youngsters pushing into Municipal Auditorium.

"You know it is going to be these young people who make it to other planets," he added.

Nothing impossible. Vision and strong belief that nothing is impossible was urged by the star-studded roster of speakers. Many plugged for better educational facilities. Maj. Gen. Bernard A. Schriever, head of the Air Force ballistic missile division, backgrounded the accomplishments made so far in development of space weapons and satellites.

Schriever said that he was confident the frontiers of space would be conquered just as the mountain men of the old West conquered this country's untamed frontiers.

Irvine said he believed in today's youth and was not a member of the "gloom and doom fraternity" where youths are concerned.

"Juvenile delinquency is nothing more than a chain reaction stemming from the indifference and ineffectiveness of our adult population," he said.

The Air Force sent some of its top space men here for the conference.

Rene Pleven Considers Wage And Price Freeze

PARIS (AP)—Rene Pleven was reported Thursday to be considering a wage-price freeze in his efforts to form a government to end France's political crisis.

Pleven, a middle-of-the-road politician, also wants a clearer policy to put down the Algerian rebellion and reforms in France's relations with its restive overseas holdings if he becomes premier.

Politicians emerging from Pleven's office disclosed that the broad outlines of the three-part program he wants to put before the national assembly.

Pleven was pressing the political leaders to give him a yes or no answer by Friday night on whether they will support him.

The Socialist national council will meet Friday. They hold Pleven's fate. With 100 votes in the national assembly they are indispensable to Pleven. They have been reluctant to join a cabinet including right wingers whom they blame for overthrowing France's last three cabinets.

Federal Reserve Bank Cuts Discount Rates

SAN FRANCISCO (AP)—The Federal Reserve Bank of San Francisco cut its discount rate for member banks in seven Western states from 2 1/4 to 1 3/4 per cent Thursday.

The cut brings the West in line with other areas of the country, said H.N. Mangels, president of the San Francisco Federal Reserve Bank. He added that this fourth reduction in the past six months is a continuation of the Federal Reserve System's easy-money, anti-recession policy.

Anticipating the cut after similar reductions in New York, local banks last week trimmed interest rates charged prime borrowers from 4 to 3 1/2 per cent.

Plant In Grants Pass To Resume Operations

GRANTS PASS (AP)—The Moore Timber Products mill at O'Brien and the company's planing mill in Grants Pass will resume operations Monday, May 5, it was announced Wednesday by Ralph Moore Jr.

The mill and planer have been shut down since the middle of last October.

About 75 men will return to work in the two plants, Moore estimated. Art Kenney, Grants Pass, has been named superintendent of the planing operation.

Robert E. Curtis Held As Probation Violator

Booked at county jail on a probation violation charge Wednesday was Robert Eugene Curtis, 31, Roseburg.

Curtis was arrested by Stan Coleman, county probation officer. He was placed on probation on Jan. 7, 1957 after being sentenced to three years in state prison by Circuit Judge Carl E. Wimberly. He was arrested Dec. 26, 1956 and charged with burglary in a dwelling.

Desi Arnaz Sells Series Of TV For \$12 Million

HOLLYWOOD (AP)—Ex-bongo drummer Desi Arnaz has sold his new television series to Westinghouse for 12 million dollars—perhaps the biggest deal in TV history.

SALUDOS AMIGO—Ledo Arroyo Torres (left), president of the Uruguay Senate, greets Vice President Richard Nixon on his arrival in Montevideo on the first stop of his 18-day goodwill tour of Latin America. Nixon received a generally enthusiastic reception.

Strikes, Lockouts Keep 5 California Breweries Closed

SAN FRANCISCO (AP)—Strikes and lockouts kept five California breweries closed down Wednesday but others did a booming business.

The Teamsters Union, which represents drivers and plant employees, struck Hamm's in San Francisco and Anheuser-Busch (Budweiser) in Los Angeles Monday, along with their distributors.

The California Brewers Association retaliated Wednesday by closing three other breweries—Burgemeister in San Francisco, Falstaff in San Jose and Schlitz in Los Angeles—and five distributing plants.

"A strike against one is a strike against all," the association declared. An estimated 1,500 to 2,000 workers were idled.

Plants of Lucky Lager, Regal Pale, Pabst and the California Brewing Co., did not go along with the lockout and worked at full capacity.

A union spokesman said in San Francisco that national brewing interests were lining up against the Teamsters.

Breweries closed in Detroit April 1 and in New Orleans April 27.

The Teamsters announced more than a month ago California brewery division members would spearhead a national drive for better wages and working conditions.

When negotiations broke off, the union was demanding a \$650 a week raise and fringe benefits against an employer offer of \$4 plus \$2 for the second year of a two-year contract.

Basic California wage scales range from \$2.85 an hour for bottlers to \$2.97 for brewers for a 37 1/2 hour week.

Retail outlets were stockpiled, and no shortages were expected to develop for several weeks.

Peace Motivates May Day Parades Of Nations

(Continued from Page 1) to follow a Christian road to improve their working conditions.

Crowd In Budapest
A crowd officially estimated at 400,000 turned out for a night, warm weather for Budapest's all-city parade.

Some 300,000 Japanese demonstrated peacefully in Tokyo. The workers supported the socialist opposition with demands for the defeat of the conservative government in coming parliamentary elections.

As usual, all U.S. military personnel in Japan were ordered to stay away from the demonstrators. Such orders to servicemen in Europe also have been standing for 12 years to avoid May Day incidents.

Speakers at Labor Day rallies on Formosa urged workers to do their best to step up production. The speakers said this would help recover mainland China from the communists.

Polish communist leader Wladyslaw Gomulka charged in a 30-minute speech opening Warsaw's celebrations that the West is afraid of a summit conference.

Reedsport Boys Held; Building Fire Admitted

Two Reedsport boys are in juvenile court custody after they admitted igniting a fire that razed a building adjoining Reedsport Eagles Hall last Sunday night.

General Motors Standing Pat On Wage Proposals

DETROIT (AP)—General Motors' chief negotiator said Thursday the company is standing pat on its proposal to the United Auto Workers Union to keep in effect wage increases and fringe benefits provided in the present contract.

Louis G. Seaton, vice president in charge of the personnel staff, told a news conference, "we do not have any other offer under development."

"We have an offer on the table," he said, "and that's where we are resting."

Seaton denied that GM's proposal to extend for two years benefits in the present contract amounted to keeping the status quo. He estimated it would cost the company a minimum of 140 million dollars for two years.

UAW Vice President Leonard Woodcock offered no comment earlier today than to say "it's a fine day." But he reiterated the union's position that it does not consider the GM proposal anything the union is willing to bargain over.

Search Agencies To Be Probed On Rescue Operation

PORTLAND (AP)—Charges of misconduct by two search agencies in the dramatic rescue of Mrs. Bruce Davis of Fresno, Calif., will be aired at an Air Force hearing May 12.

Hurt too badly to walk in a plane crash in the Blue Mountains April 21, she remained at the wreck while her husband hiked for three days looking for aid.

He stumbled into an Eastern Oregon ranch April 24 and reported the accident. The woman was rescued by an Air Force helicopter about 14 hours later.

Both the state Board of Aeronautics and the Civil Air Patrol took part in the search.

Earl Snyder, state director of aeronautics, said the CAP hindered the search by diverting the helicopter to pick up an unneeded man and put out false and unauthorized radio broadcasts.

The CAP denied these charges, said that Snyder did not run the search properly and that he was attempting to set up an empire of private pilots.

The state agency requested the Air Force probe, said Robert Dunn, assistant to the state director of aeronautics. The CAP said it also requested an investigation.

Maj. Clarence W. Brown, air search and rescue co-ordinator for the eight Western states, will handle the investigation.

Mrs. Oregon En Route To National Contest

PORTLAND (AP)—Mrs. Oregon, a former aircraft plant draftsman and also a former model, left Wednesday for the annual Mrs. America contest at Fort Lauderdale, Fla.

She is blonde Mrs. E. E. Stefens, 32, who will engage in four days of cooking, sewing and other homemaking skills at the contest.

Her husband went with her. Their 7-year-old daughter stayed behind, since contest rules forbid children at the competition.

EMPLOYMENT UP

SALEM (AP)—There were 441,800 persons employed in non-farm jobs in Oregon in mid-March, the state Unemployment Compensation Commission said Wednesday.

School Districts To Vote On Directors, Budgets

Various school districts throughout Douglas County will be voting Monday on local school board directors and budgets.

The local issues will be voted on at the same time as the election on the rural school budget and directors. Some districts have held their budget elections but will vote on local directors and the rural issues.

Roseburg voters passed the school budget April 25 by a vote of 729-533, but they will vote Monday for one director on the local board and the rural issues. One five year term is open on the board. Incumbent and chairman Harold Hoyt is the only candidate.

District and issues follow:
Ash Valley—Amount outside the 6 per cent limitation, \$7,366. Total estimated expenditures, \$9,630. Two persons have filed for director. They are Jack Farness who has filed for a five-year term and R. H. Willey, four-year term. H. A. Carlson, clerk, said.

Scotts Valley—Outside 6 per cent, \$28,930.35. Estimated expenditures, \$42,567 as compared with \$41,173 on the present operating budget. Fred Baughman is the only candidate for director. He is running for the position now held by Percy Langdon.

Days Creek—Outside 6 per cent, \$47,429. Estimated expenditures, \$134,343.50. Incumbent and chairman of the board, Louis Rogers, is the only candidate for director.

Sutherland—Sutherland has no tax base, but residents will vote on \$329,346 to be raised by taxation. Total expenditures are \$577,801.50. Incumbent Marvin Steinbach is running for director. He was elected last spring to fill out a one-year term caused by a resignation. The Rev. Lloyd M. Whitford is a candidate as a write-in.

Riddle—Riddle has no tax base but residents will vote on \$181,569 to be raised by taxation. Total expenditures are \$264,115. Two candidates have filed for a five-year term as director. They are Clinton D. Hedberg, now serving the unexpired term of Richard Willey, and John K. Mills—Price.

Dillard—Outside 6 per cent, \$28,997. Total expenditures, \$650,355. This is \$15,312 under the present budget of \$665,667. Two persons have filed for a five-year term as director candidate. He is running for a five-year term. Five-year candidates are Mrs. Arlie D. Fox and Everett P. (Bud) Johnson. The one-year candidates are A. A. Jacoby, Mrs. Don-

alda Ledgerwood and J. L. Richey Jr.
Roberts Creek—Outside 6 per cent, \$5,824. Total estimated expenditures, \$7,322 as compared with \$7,745 for the current budget. Two five-year terms on the board are open. Candidates are incumbents Benarr Hanson, present chairman, and Mrs. Jean Foss.

Tiller—Outside 6 per cent, \$48,129. Estimated expenditures \$77,911. Earl Tibbits is running for five-year term. No one filed for a three-year term. That will be a write-in vote.

Umpqua—Outside 6 per cent, \$17,869. Estimated expenditures, \$39,567. Candidate for a five-year term is Robert Eilefson. A hearing on the budget is scheduled for 1:30 p.m. Monday. Voters will also vote on a rural director from Zone D.

Reedsport Union High—No tax base. Total estimated expenditures, \$169,535.15. The total calls for an estimated millage raise of 4.2 from last year's 16.7 to 20.3. Frank White has filed for a five-year term as director.

Reedsport Elementary—No tax base. Total estimated expenditures, \$447,000 as compared with \$363,969 for current budget. Director candidates are Dr. Frank McKenzie, one-year term and W. A. Karcher, five-year term. Gunter—Outside 6 per cent, \$15,878. Estimated expenditures, \$26,063.50.

Canyonville—Outside 6 per cent, \$121,514.58. Estimated expenditures, \$214,244.58. Director candidates, Robert Bryant and George McClane.

Camas Valley—Passed its budget calling for \$37,283.40 outside the 6 per cent, but will vote on director candidates. They are: John Standley, one year; Allen Cooper, two years; Ormand Standley, three years, and Jack Hill five years.

Drain Union High—Passed the budget April 16 by a vote of 33-12. Incumbent John Rentz is the only director candidate. He is running for a five-year term.

Yoncalla Union High School—Outside 6 per cent, \$51,655.50. Estimates expenditures, \$94,749.50. Director candidates are Don Wood and Wayne Rice.

Yoncalla Elementary—Outside 6 per cent, \$65,575. Estimated ex-

penditures, \$127,589. Lloyd G. Emery and incumbent Norman Stapelman have filed for a five-year term.

Myrtle Creek—Outside 6 per cent, \$309,403.03. Estimated expenditures, \$695,861.97. Three persons are candidates for a five-year term. They are Dorwin Powell, Don Martin and incumbent W. A. Wirth.

Glendale—Although the Glendale School District election will be held May 19 the residents will vote on the position of local director. The candidate is Bert Allenby who is running for a five-year term.

Glendale—Glendale has held its budget election. Mrs. Robert L. Fisher, an incumbent, is running for a five-year term. Voters will also vote on a serial levy of \$3,000 per year for five years to provide funds for purchase of a school bus without taking the total sum out in one year. Voters will also vote on authorization for the school board to put up for sale by bid three lots of property on Willis Avenue between First Street and Second Street in Glendale with the provision that the board may refuse any bid they deem too low.

Elkton—Outside 6 per cent, \$77,340. Total estimated expenditures, \$96,533. Incumbent Eugene Fisher is the only candidate for a five-year term.

Drain—Passed the school budget April 22 calling for \$91,727 outside the 6 per cent limitation. Total estimated expenditures are \$166,578. The budget was passed 78-3. Robert Thomas is the only candidate for a five-year term.

Oakland—Outside 6 per cent, \$164,770.50. Total estimated expenditures, \$263,010.50. Two candidates have filed for a five-year term. They are Floyd Ross and James Stearn.

Gardiner—The district has no tax base so voters will be voting on \$84,105 total estimated expenditures. Incumbent Everett V. Abbott is the only candidate for a five-year term on the board.

Curtin—Curtin passed the local school budget Feb. 29, but will be voting on two local directors. They are Loyd Black who has filed for a four-year term and Gladys Kruse who has filed for a five-year term. Both are incumbents.

Mrs. Ira Conner, Roseburg; Mrs. Sharon Pruitt, Winston.

Marine Corps' Fate At Stake Says General

(Continued from Page 1) tentions are no insurance against future damage to our usefulness; only in the law can we find such insurance.

And, Pate continued, he finds it difficult to see how sections of the present law which spell out the roles and missions of each service "can be regarded as unduly restrictive, other than by some future secretary of defense who intended sooner or later to alter the Marines' status and functions."

Pate thus tied his major criticism of the administration proposal to the section which has aroused perhaps the most hostility among members of the committee—Eisenhower's recommendation that these sections spelling out the job of each military service be repealed.
