

MEETING OF MINDS

MANILA (AP) — President Carlos Garcia says his state visit to the United States this month will bring a new meeting of minds on economic and political relations. Informed sources said Garcia was prepared to discuss with President Eisenhower the tough question of U.S. bases here, the situation in Indonesia, and the Philippines claim for 800 million dollars in veterans and other war benefits. The president's trip starts June 14.

CONVERTING MORE PEOPLE TO CHEVY!

This superbly fashioned Impala Convertible is making new friends for CHEVROLET faster than you can say TURBO-THRUST V8.* Here's the car that puts you in a top-down, fun-hearted, go-places mood. And you couldn't go places in greater comfort or finer style!

Once you've been infected by the sheer fun of driving this Impala Convertible, no other car can quite take its place. For here's a car made for people who enjoy zestful living. Whisking along with the top down holds that same extra something as cooking food in the open, dancing under the stars or just relaxing in a lawn chair—with only a cloud or two and the

sweet smell of summer between you and the sky. It's not simply that this car is a convertible—for it is in truth much more than that. It is, for example, the only honest-to-goodness new car in its field—styled with Chevrolet's unique gull-wing grace. And it's the only one that offers the extra rigidity of Chevy's Safety-Girder frame and the sports car response of

the new Turbo-Thrust V8. Stop by your dealer's and see how nicely Chevrolet goes with summer.

The only all-new car in the low-price field.

The Impala Convertible with Body by Fisher and Safety Plate Glass.
