

Days Creek 4-H Club Planning Fair Entries

Sew 'n Sew 4-H Club of Days Creek is meeting each week in order to complete projects before the county fair in August.

At the first meeting, held at the home of Mrs. Durnin Swingley, the following officers were elected: Jackie Prairie, president; Diane Swingley, vice president; Agnes Hendrix, secretary; Linda Adams, news reporter; Marianne Thompson, sergeant at arms; Jerrolyn Dearth, food chairman; Sheryl Whetzel, song leader.

Other members include Deana Smith, Donna Lynn, Linda Martin, Linda Bennett, Ramona Taylor, Jill Lawrence, Nicky Harter, Sue Ann Fisher and Patsy Kising. Leaders are Mrs. Swingley, Mrs. Fred Dearth and Mrs. Wayne Smith.

Projects started so far are wrist pin cushions, needle cases and scarves. The girls have received their 4-H record books and are preparing them for exhibition, according to Edith Moore, correspondent.

New Pastor Arrives At Days Creek Church

Miss Alice May Wooley has arrived at Days Creek to assume her duties as pastor of the Days Creek Methodist Community Church.

The time of the morning worship service has been changed to 11 a.m. again with Sunday school at 9:45. For the past several months services had been held in the afternoon as Rev. Cyril Dorsett, who was serving the local church, temporarily had his regular morning and evening services at Canyonville and Myrtle Creek.

Miss Wooley, who has been at Talent for the past 15 years, was formerly pastor of the Canyonville Methodist Church. She is making her home in the Barnes apartment at the teacherage for the next two months after which it is planned to have her permanent apartment ready, reports correspondent Edith Moore.

Theft Of Jewelry From Mrs. Vanderbilt Told

NEW YORK (AP) — Theft of \$75,000 in jewelry from the apartment of Mrs. Gloria Vanderbilt Lumet, the heiress, was disclosed by police Saturday as they took two men into custody. The jewelry, stolen Wednesday, was recovered.

Held were Sidney Reitzfeld, 47, a Bronx bartender, and Humberto Travali, 28, also of The Bronx, employed by a furniture moving firm. Reitzfeld was charged with receiving stolen property and Travali with grand larceny.

Six pieces of jewelry were taken from the Gracie Square home of the 34-year-old heiress, wife of Sidney Lumet, a television director. Police said the jewelry was found Saturday in the apartments of Travali and Reitzfeld.

Democrats Straightened Out About Vicuna Wool

IOWA CITY, Iowa (AP) — Johnson County Democrats were straightened out Friday night about the source of vicuna wool, the rare and expensive kind that has come into prominence in the Goldline-Adams case.

A lengthy resolution condemning President Eisenhower for upholding his top assistant, Sherman Adams, referred to the wild vicuna as a "mountain goat living high in the Andes."

"That's wrong," said delegate Thomas McCorkle, assistant professor of agriculture, medicine at the State University of Iowa. "The vicuna is not a mountain goat. It's a 'dwarfed camel'."

The convention changed the description before adopting the resolution.

Gen. Lorillot Resigns As French Commander

PARIS (AP) — Gen. Henri Lorillot resigned Saturday as commander of the French Army.

Lorillot was given a routine vote of thanks by the cabinet of Premier Charles de Gaulle and then placed on the inactive reserve list. De Gaulle summoned Gen. Andre-Marie Zeller from retirement to succeed Lorillot. Zeller held the post in 1955.

During the French civilian-military revolt in Algeria, Lorillot stood by the government of Premier Pierre Pflimlin.

BIBLE AUCTIONED

LONDON (AP) — An Indian-language Bible believed to be the first complete edition printed in the United States was auctioned off Monday to C. J. Sessler of Philadelphia for 7,200 pounds (\$20,360). The Bible was one of 20 copies of John Eliot's Indian translation sent to England in 1661 and dedicated to King Charles II. It was auctioned from the Duke of Devonshire's collection.
