Morgan said he would hold public hearings throughout the state on the application.

Graham Says Problems Beyond Man's Power

LOS ANGELES (AP)—The world's problems may have gotten beyond man's power to solve them, says Billy Graham.

In an interview Wednesday the evangelist expressed deep dismay at events in the Middle East.

"History began in Iraq," he said, "and the Bible teaches, I believe, that history will end in the Middle East. We're seeing a shuffling on the stage for the last great drama of history."

Graham said in his talks with world leaders he has yet to find an optimist among them. He added: "Our problems are beyond us."
