

BIG THREE FOR UN?—The UN is working steadily on the security and political problems of holding a summit conference in the Security Council at the United Nations, N.Y. This montage shows how leaders of three of the Big Four nations might look, sitting side-by-side at the Council table. From left to right in recent file photos are: Soviet Premier Nikita S. Khrushchev; British Prime Minister Harold Macmillan, and United States President Dwight D. Eisenhower. UN sources reported all should be in readiness by July 28, but the U. S. and Britain are expected to say that this is too soon.

Britain Would Go Outside U.N. For Summit Session

By THE ASSOCIATED PRESS
LONDON (AP) — The British government said Tuesday it is willing to hold informal talks with Russia about the Middle East outside the U.N. simultaneously with summit meetings in the U.N. Security Council.

R. A. Butler, Conservative leader in the House of Commons, appeared to indicate Britain would go some way to meet the objections of Soviet Premier Khrushchev to a Security Council session to arrange a summit meeting.

Khrushchev charged Monday Britain and the United States were stalling, and again proposed an immediate five-power summit meeting in Moscow or elsewhere in Europe.

Butler said, "we also strongly support the proposal that there should be private meetings simultaneously."

"May we have an assurance that the government will not let the matter slip for its association with the U.N. to obstruct the holding of a summit conference altogether?"

Butler replied: "I can give an assurance on behalf of the prime minister. It has always been his intention and that of the government that the procedure should be formal and informal, and that would give the opportunity Mr. Gaitskell desires."

Doesn't Expect Delay
"I do not anticipate that the prime minister or the government will delay in any way in making a further answer to Mr. Khrushchev's letters."

"We shall consult urgently with our allies about this as regards arrangements for a meeting."

British informants said Prime Minister Macmillan still thinks the Security Council's permanent

delegates should get to work on the time, place, composition and other arrangements for a special summit-level session.

An effort was begun toward re-constitution of a 110-nation "Big Four" Foreign Secretary Selwyn Lloyd asked French Charge d'Affaires Baron G. De Juniac to come see him.

Earl Acland, former Laborite prime minister, told the House of Lords the British government should take a stronger lead in the Middle East.

"I do not think that our American friends have the wealth of experience that we command in this country on Middle East problems," he said.

View Still Same
British officials said, however, that this government's view still is that Middle East problems should be tackled at a U.N. summit session. The White House in Washington also said it still held that view.

The matter was raised in the House Tuesday by Hugh Gaitskell, leader of the opposition Labor Party.

"While we think it most desirable that the conference should be associated with the United Na-

President Pleads For Additional Foreign-Aid Funds

WASHINGTON (AP) — President Eisenhower made a new plea Tuesday for more foreign aid money, pegging it to the Middle East crisis.

He laid particular stress on the suddenly increased needs of Turkey and Iran in urging restoration of more than half a billion dollars chopped out of his program of help for friendly nations.

Republican congressional leaders reported the President voiced the appeal at his regular weekly meeting with the party chiefs.

The administration's original request for \$3,942,000,000 for the Mutual Security Program was cut by about 300 million in an authorization bill. In a subsequent appropriation measure, the House slashed an additional 585 million from the original request.

Sen. Leverett Saltonstall of Massachusetts, deputy minority leader of the Senate, and Rep. Joseph W. Martin Jr. of Massachusetts, the House GOP leader, told a news conference that both Eisenhower and C. Douglas Dillon, under secretary of state for economic affairs, appealed at the two-hour and twenty-minute White House conference for restoration of at least half a billion to the House appropriation total.

Lebanon Premier Misses Death By Assassination
(Continued From Page One)

curved around the main government building, in Capital Square near the postoffice, and in the Zerif quarter near the Associated Press office. Security forces fired guns from armored cars in reply to rebel small arms and automatic rifle fire. Dynamite explosions were heard.

Another sharp battle between pro-rebel and pro-government tribal families was fought in North Lebanon near Tripoli Monday.

Assassins also fired on U. S. Marine positions at two points in the capital Monday night. Bullets hit the Marine positions, but there were no casualties and the Marines did not return the fire. A speeding car fired one round into a company command post in the dock area.

The attempted assassination occurred on the Beirut road nine miles outside Beirut.

The prime minister passes here daily en route to his Beirut office from his suburban home. The road here runs along a sheer drop down to the Beirut River in the valley below.

An American-style car, thought to be a taxicab, had been parked there three days, with a rock under a wheel.

The prime minister is a Muslim by custom in this half-Christian, half-Muslim nation and the president a Christian. Reasons for the attack on Solh were not immediately clear since most rebel animosity in the nearly three months of rebellion has been against President Chamoun.

Funeral Services Slated For Mrs. Michell, 91

Funeral services for Mrs. Frances S. Mitchell, 91, a Roseburg resident who died Sunday, will be held Wednesday at 10 a. m. in the Chapel of the Roses.

Rev. John Adams will officiate and concluding services and interment will follow at Roseburg Memorial Gardens.

Surviving are two daughters, Miss Muriel Mitchell of Roseburg and Mrs. Marjorie Little of Denver; a sister, Mrs. Edward Wolfson of Osborn, Kan.; two brothers, George Brown of Okemba, Mo., and Percy Brown of Silverton; and a number of nieces and nephews.

Man's Foot Fractured When Truck Hits Him

Leslie Ingram, 34, 1640 NE Hall Ave., suffered a broken foot late Monday afternoon when he accidentally was run over by a truck as he was sitting in front of a rear wheel.

Driver of the truck James Carroll Hall, 2846 Diamond Lake Blvd., has just left Ingram and a companion off the truck in front of 2965 Diamond Lake Blvd., before the accident occurred.

State police investigated after an ambulance was called to rush Ingram to a local hospital for treatment.

Hospital aides reported this morning Ingram's condition was satisfactory. He suffered bruises and contusions to the right thigh along with the fractured foot.

Blm Proposal Adopted

Considerable discussion time was spent on a request by Merle Winn, Bureau of Land Management district manager that openings in the fire wall adjoining the BLM office be approved to permit ventilation in the building. He said the wall currently stifles all ventilation.

C. N. Currier, city building inspector, told councilmen that such openings would violate fire prevention regulations. But he also noted that a cutback of ventilation violated health standards.

Winn asked that the request be dropped with the possibility that it may be re-submitted later. The council agreed.

Ritzman said a meeting of the parks committee has been set for 7:30 p. m. Thursday for the purpose of dedicating the baseball park currently being used by the Roseburg Junior League team. The field, formerly known as Stewart Field, will be re-named American Legion Baseball Park as provided in an agreement between the city and the Legion.

JAP FREIGHTER SINKS

TOKYO (AP) — The Japanese freighter Keikei Maru sank off southern Formosa yesterday after running aground. All 49 crewmen were rescued.

The 7,813-ton vessel ran aground Sunday 45 miles east of the southern tip of Formosa.

Lowell Atterbury Passes Early Today

Norman Lowell Atterbury, 36, died at his home, 1787 NW Olive St., early today.

He was born in Roseburg March 29, 1922, and attended Roseburg Schools. He was married to Patricia Buttle at Roseburg on Sept. 29, 1946. Atterbury was a veteran of World War II and a member of the First Christian Church where he was a deacon.

The well-known Roseburg resident was a member of the Elks Lodge, Rural Fire Department and the Ground Observer Corps. He was employed as office manager and dispatcher for Pre-Mix Concrete Co.

Surviving are his widow, Patricia; two children, Gregory and Kristi, all of Roseburg; father, Jess Atterbury of Winchester; five brothers, Kenneth of Winchester, Keith of Roseburg, Elmo of Medford, Delos of Sutherlin, and Clinton of California; and two sisters, Mrs. Merle (Maxine) Landroch of Federal Way, Wash., and Mrs. Hulits (Marjorie) Doyle of Roseburg.

Funeral services will be held Friday at 10:30 a. m. in the First Christian Church, with the Rev. Newell Morgan officiating. Concluding services and interment will follow in the Roseburg Memorial Gardens.

BIRTHS

Douglas Community Hospital
MEYER — To Mr. and Mrs. Neal S. Meyer, 222 Bradford Drive, Roseburg, July 22, a daughter, Dawn Kathleen; weight 7 pounds 3 1/2 ounces.

JONES — To Mr. and Mrs. Doral Jones, Idlewild Park, July 25, a son, William Arnold; weight 8 pounds 4 1/2 ounces.

FULLER — To Mr. and Mrs. Neil J. Fuller, 891 Hartlan, Roseburg, July 25, twin sons, Jason McNeil; weight 4 pounds 11 ounces; Houston Rick; weight 5 pounds 11 1/2 ounces.

STUMBO — To Mr. and Mrs. Donald L. Stumbo, 373 Sweetbrier, Roseburg, July 25, a son, Michael Allen; weight 6 pounds 13 ounces.

CRITES — To Mr. and Mrs. Drue Crites, Oakland, July 26, a son, Timothy Joel; weight 8 pounds 3 ounces.

Council Ponders Requests To Allow Structures Nearer Property Setback Lines

Following a lengthy discussion on setback regulations, the Roseburg City Council Monday night turned a public hearing on applications by a pair of Roseburg residents that their buildings be allowed to violate city setback ordinances.

Approved during the meeting was an amendment to the city setback ordinance which will relax standards governing certain types of structures on the rear one-half of lots.

The new regulation stemmed from a recommendation submitted by Lyle Glenn, planning commission chairman.

The amendment sets a minimum distance of three feet from rear or side property lines for such buildings as one-story garages, storage buildings, patios and other structures not attached to the main one-hour fire wall will be required in such cases.

The amendment also provides that carports or covered patios can be built within three feet of property lines with no fire wall.

The current ordinance passed in 1951 set a minimum distance of 10 feet from rear or side property lines along with a one-hour fire wall.

The citizens requesting exceptions to current setback regulations are John Lookey, 403 W. Home St., and Dan Dimick, 2706 W. Oriole Ave.

The new ordinance does not affect either of the requests. Neither application concerns setbacks adjacent to rear property lines.

Lookey requested permission to

Dr. Van Valzah, Former Resident Here, Succumbs

Dr. C. G. (Jerry) Van Valzah, 58 a Medford dentist and former Roseburg resident, died of a heart attack Sunday at Diamond Lake.

The Medford resident was married to Anne I. Gorrie, who survives on J. Sprague St., Springfield. Van Valzah had a dental practice in Roseburg from 1931 to 1942 when he moved to Medford. He was a member of the Roseburg Masonic Lodge, American Legion, and the Ashland Shrine Lodge.

Besides the wife, he is survived by three daughters, Nancy and Jannet, both living at home, and Mrs. Robert L. Nelson of Corvallis.

Funeral services were held today at the Conger-Morris Funeral Home in Medford. Masonic services are scheduled for 11 a. m. Wednesday at the Rest-Haven Memorial Park at Eugene with the Rev. George W. Ashwood of the First Presbyterian Church officiating.

The Conger-Morris Funeral Home in Medford was in charge of arrangements.

City Council Discusses Parking Lot Purchase

Myers and Rudie Ritzman opposed the measure.

The council also agreed to grant a requested extension of the contract of Salem Sand & Gravel Co. for installation of sewer facilities. The firm requested the extension, as provided for in the original contract, because of a current strike which is holding up work progress.

Police Car Purchased

Accepted by the council was a bid by Hansen Motor Co., Roseburg, of \$1,537 plus trade-in for purchase by the city of a new police car.

The vehicle offered is a 1958 station wagon. A 1955 police car would be traded in on the purchase.

Vernon M. Murdoch, police chief, said the Roseburg force is in dire need of a station wagon because of frequent necessity of hauling such commodities as bicycles and animals. Murdoch said the department in the past has been forced to haul such livestock as dogs, goats and even a peacock in regular six-passenger police vehicles.

He said the wagon also could easily be converted into an emergency vehicle for use as a makeshift ambulance.

Also agreed upon was purchase of a transistor transmitter-receiver for the new vehicle at a cost of \$469. The set will be purchased from the lone bidder, Smith Radio Communications Co., Eugene.

Three Senators Urge Eisenhower To Stick To Guns

By JACK BELL
WASHINGTON (AP) — Three senators urged the Eisenhower administration today to stick to its demand that any over-all Middle East settlement be attempted only through the United Nations.

The three, all members of the Senate Foreign Relations Committee, are Senators Mike Mansfield (D-Mont), Hubert Humphrey (D-Minn) and Homer Capehart (Ind.).

They expressed the opinion in separate interviews it would be a mistake to agree to the five-power conference outside the U.N., as suggested by Soviet Premier Khrushchev.

However, Mansfield, a U.N. delegate-nominee, said the United States should go part of the way by agreeing to a Security Council meeting in Geneva.

Khrushchev, noting that French Premier Charles de Gaulle has urged a meeting in Europe away from the publicity glare of the U.N., said he was ready to meet in Moscow, Geneva, Vienna, Paris or any other place.

Police Investigating Burglaries Of Offices

Roseburg police are continuing an investigation into the theft of nearly \$90 in currency and coin taken from offices in the Masonic building sometime the night of July 24.

A total of \$40 in silver and a \$10 roll of quarters was stolen from the desk of Arthur Ivan Rich, 1885 NW Gerding Ave., and \$21 in currency along with two rolls of nickels removed from a desk in the office of the Oregon Physicians Service.

Police said the burglary occurred between 5 and 8:30 p. m. last Thursday. The burglar used a pen knife to open the lock on the Rich office door, and a small bit to push the lock bar to gain entrance to the office.

He also attempted to break into the office of Dr. Keith Bryant, but was unsuccessful, the report stated.

Several suspects already have been interrogated and checked out, according to investigating officers, and other leads now are being followed.

The burglar went through all the desks and file cases but "neatly" replaced all the papers, police reported.

Car Spins Into Ditch; Garage Found Handy

Hershel Leach, 18, Glendale, couldn't have found a more convenient spot to be involved in a traffic accident if he'd tried.

The youth received for an estimated \$500 damage to his car late Sunday when he lost control of the vehicle and spun into a ditch off Highway 99. It was a "near miss" replacement of the car.

The one-car smashup occurred directly in front of Miller Brothers' Garage at Azalea.

Mrs. Gerald Fox, Glendale correspondent, said the accident occurred when another car swerved in front of the Leach vehicle. Leach reportedly slammed on his brakes, skidded on gravel and ended up in the ditch.

Neither Leach nor two passengers were injured.

In another Azalea area over the weekend, two persons escaped injury in a head-on collision on Cow Creek Road about 17 miles west of Azalea.

The Saturday afternoon smash-up involved a pickup truck loaded with hay driven by Tom Goyer and an automobile driven by Andrew Cook. An estimated \$400 damage was done to each car, said Mrs. Fox.

Construction Worker Found Innocent By Judge

Charles Dowsy Wimmer, 21-year-old Spray construction worker, was found innocent of a petty larceny charge before District Judge Warren A. Woodruff Monday.

Wimmer entered an innocent plea on July 17 when arraigned. He was tried without a jury by Judge Woodruff on a complaint signed by Marian Yount of Roseburg. The defendant allegedly stole two blankets on or about June 28.

The court ordered Wimmer released from county jail and his \$500 bail exonerated.

Enthusiastic Crowd Sees Shakespearean Opener

By RUTH ACKLEN
Staff Writer

Grants Pass Daily Courier

ASHLAND (AP) — An enthusiastic crowd of 850 persons, including a number of distinguished guests, attended the opening of the Tribe of Will, opening night dinner at the Oregon Shakespearean Festival at Lithia Park in Ashland Monday evening.

Attending to the mushrooming popularity of the festival which begins its 18th season this week, Monday night's dinner attendance doubled that of 1957, and the hundred more for the opening performance of "Much Ado About Nothing," making this year's first night attendance a record high in festival annual history.

Gaily costumed dancers, strolling troubadours and the Ashland Elks' kiltie band joined forces to catch the spirit of Merrie England of the Elizabethan era, recreating

B. Goldfine Recommended For Contempt

WASHINGTON (AP) — House investigators Tuesday recommended contempt of Congress action against Bernard Goldfine, gift-giving friend of presidential assistant Sherman Adams.

Chairman Oren Harris (D-Ark) said the investigating subcommittee's recommendation would be submitted soon as possible to its parent, the House Commerce Committee.

If endorsed by the full committee, the contempt citation would go to the House.

And, if approved by the House, it goes to the U.S. district attorney for handling as a criminal case.

"It will have to be done quickly to get action at this session (of Congress)," Harris told newsmen after a 40-minute closed session of the subcommittee.

Goldfine Not Available

Goldfine, 67, could not be reached immediately in Boston for his reaction to the subcommittee's recommendation.

Conviction for contempt of Congress carries a possible penalty of \$1,000 fine and a year's imprisonment.

The contempt accusation is based on Goldfine's refusal to answer some two dozen questions concerning his financial dealings with Boston real estate companies of which he is majority owner.

Goldfine refused to answer the questions on the ground that they were not pertinent to the subcommittee's investigation, which is aimed at the operations of government regulatory agencies.

The principal real estate company among Goldfine's holdings failed for years to file required annual financial reports with the Securities and Exchange Commission.

Lightning Spreads Fires In Eastern Oregon, So. Idaho

By THE ASSOCIATED PRESS

Lightning spread fires across rangelands of southern Idaho and eastern Oregon and the Bureau of Land Management reported some still were burning out of control Tuesday.

All were in grass and brush areas and no habitations were believed threatened.

Largest of the fires burned in an area about five miles southwest of Mayfield, between Boise and Mountain Home. The BLM fire dispatcher in Boise said crews had been unable to control two fires in the area which combined have blackened an estimated 8,000 acres.

Another fire in the Blacks Creek area northeast of Mayfield was controlled after burning 160 acres.

Two other fires, one south of Gowen Field near Boise and the other in the Weiser area, were extinguished by rain which accompanied the lightning storm.

In eastern Oregon all fires were reported under control except one which burned in rugged country east of Owyhee Reservoir. The BLM fire dispatcher in Vale said arrangements were being made to cross the reservoir by boat.

Two fires near Home were controlled. One burned 4,000 acres and the other nearly 12,000. Two small fires were extinguished in the Freezout Mountain area south of Vale and rain halted one which burned in the Sheaville area.

Forced Filing

The SEC finally went to court to force filing of the reports. The matter was later settled with a \$5,000 fine and a promise on the company's part to comply.

Harris said the contempt proceedings were taken unanimously at the subcommittee meeting with eight of the 11 members present.

The eight were Harris and Reps. Peter Mack (D-Ill), John Bell Williams (D-Miss), John Moss (D-Calif.), John Fynt (D-Ga), Robert Hale (R-Maine), Joseph O'Hara (R-Minn) and John Bennett (R-Mich.).

The members absent were Reps. Morgan Moulder (D-Mo), Charles A. Wolcott (R-N.J.) and John W. Hesselton (R-Mass).

Harris was asked whether Tuesday's action completes the subcommittee's handling of the case which involved eight days of testimony by Goldfine and one by Adams.

"No, this is one phase," Harris said. "We have to wait and see what might happen in the future."

Interparliamentary Union Meet Accord Fails

RIO DE JANEIRO, Brazil (AP) — The current conference of the Interparliamentary Union, dedicated to aiding peace by a frank exchange of views among the world's lawmakers, has done little to narrow the breach between the Communist and non-Communist worlds.

This was the opinion of delegates and observers at the conference, now in its sixth day. The more than 300 legislators do not speak officially for their 49 nations.

Frank O. White, Canyonville, Dies

Frank Owen White, 85, Canyonville, died Sunday evening at his home after a lingering illness.

He was born Feb. 2, 1873, in Burns, Minn. He was married to Ruby Bernice Rundell, Aug. 23, 1907, in Moscow, Idaho. She preceded him in death.

He was a resident of the Canyonville area the past 53 years, moving there from Moscow, White was a member of the Days Creek Methodist Church. He was engaged in the lumber and sawmill business.

Survivors include a daughter, Mrs. George (Freda) Barrow, of Canyonville.

Funeral services will be in the chapel of Ganz Mortuary, Myrtle Creek, Thursday at 10 a. m., with the Rev. Alice May Woolley of the Days Creek Methodist Church officiating. Interment will follow in the Odd Fellows Cemetery, Myrtle Creek.
