Lutheran Church Denominations Merger Sought

SEATTLE (AP) — A proposed merger with three other Lutheran denominations will be considered at the 81st annual convention of the American Evangelical Lutheran Church which opened here Wednesday.

The 300 delegates from 22 states and two Canadian provinces are scheduled to discuss the merger proposal at length during the convention which ends Sunday.

The merger would bring together the American Evangelical Lutheran Church, the Suomi Synod and the United Lutheran Church in America.

They have about 3,000,000 members.

The Rev. Dr. Alfred Jensen of Des Moines, Ia., American Evangelical Church president, said uniting the four churches involves a great number of complications "and a tremendous amount of money."

Adm. Rickover Too Busy To Worry About Snubs

BOSTON (AP) — Rear Adm. Hyman G. Rickover, known as the Father of the Atomic Submarine, says he is "too busy to worry about snubs."

That was Rickover's answer here this week when newsmen asked if he felt snubbed because he had not been invited to last week's White House ceremony announcing the submarine Nautilus' under-the-North-Pole voyage.

Several congressmen said Rickover should have been there and at least one commented that Rickover had been slighted repeatedly.

Rickover showed a flash of irritation when newsmen asked his reaction.
