

GIANT ON THE MOVE—This 6,000-ton dredging machine looms above the landscape at Duerrwis, Germany, as it lumbers under its own power to a nearby job. The huge digger, built in two years, has an overall length of more than 500 feet and is over 200 feet high.

Radio & TV Programs

The following radio and television programs are printed as a free public service for News-Review readers. All program listings are published as received from the respective stations. The News-Review does not accept responsibility for variation from original schedules furnished this newspaper.
