**SMOOTH COOL EATING WITH JUICY GRAPES**

- Fill little paper cups with grapes and crushed pineapple; top with whipped cream and put into freezer until almost firm.
- String plump grapes and cubes of cheese on wooden picks or skewers to nibble on for Sunday brunch.
- Make a double grape parfait by layering grape halves, vanilla ice cream and frozen or canned grape juice in tall glasses.
- Children will especially relish eating with a handful of tiny seedless grapes and some crunchy nuts.
