Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Get FASTEETH at any drug counter.

How to get the keys to his car (without half trying)

"MAYBE YOU'VE NOTICED IT, TOO?"

"How in every family lucky enough to have two cars, the new and nice one is almost always HIS?"

"On those special occasions when you really need it to drive the girls to the club or make an impression, I've worked out a fool-proof way for asking for it."

"I say: 'Darling, I simply have to have your car today. But I promise to stop at the Union Oil Station first.'"

"He hands over the keys like a lamb."

"So before I pick up the girls I drive around to our Union Oil dealer."

"The Minute Men check everything, and fill the car with that wonderful gasoline."

"Then they hand me a convenient credit slip to sign and the dealer (we've known him for years) usually says something like:

"That husband of yours sure picked a beauty and knows how to take care of it."

"I never ask whether he means the car...or me!"

*In addition to filling your tank with Royal 76, the Union Oil Minute Men automatically check the water and oil, the battery, and the tire pressures. And, of course, clean the windshield thoroughly. They do it all before you know it...and always with a smile.
