

Indians Tally Three TDs Against 'Pirate' Defense In Brisk Workout For Friday Tilt

The second Roseburg Indian practice session of the week, Tuesday was another lively workout as the Indians continued their preparations for the season's most important battle set for Friday night against the Marshfield Pirates.

Pass defense again was stressed in the workout as the Tribe attempted return to normal following last week's disastrous exhibition in this department.

The workout continued on the practice grounds until dusk when the Indians moved to the playing field for a brisk offensive scrimmage under the lights.

The Roseburg offense downed the "Marshfield" defense 18-6, as the scrimmage was highlighted by several long runs. Starting the action on their 10, the Indian offense moved to a TD in three plays. Rod Hoenisch went 84 yards for the initial score.

The offense struck again as Bob Steele blasted through the middle and rammed 82 yards to paydirt. The defense came alive on the next offensive effort, as Larry LaRoque picked up a fumbled pitch on the seven and moved into the end zone.

The "Marshfield" eleven held for downs three times and recovered two more fumbles before the Indians could reach paydirt again. One fumble was on the "Pirate" 12 and the other on the Indian 10. Gil Langhoff was the alert defensive man falling on the Indian fumble on the "Pirate" 12.

The offense scored the final TD on just three plays. Bill White started the drive by scooting 61 yards to the "Marshfield" 31 before Langhoff caught him. Hoenisch next hit Gene Endicott on a pass carrying to the 17. Jerry Humphreys then ran the left side and received a beautiful block

from Steele to close the scoring.

Denton Looks Strong
It was one of the best scrimmages of the year for the Tribe. Pat Denton was a bear on defense in the season, repeatedly leading the pack in slowing the Roseburg offense.

One pleasant aspect of the Indian practice, also, was the running of halfback White. The Tribe scout has returned to tough contact work, following his near-fatal hunting accident last summer, with his usual fine running. White has also been working with the JVs and saw action with this group in their most recent game.

Defense is expected to receive further work in the Wednesday workout after the Indians went against the Pirate passing attack Tuesday.

Pirates Run Plays
The Bucs are known to be more of a running club, rather than one which passes, and in the running department the Indians will be forced to control two of the top halfbacks in the state. Gary Rossi and Wally Hunter handle the two posts for the Pirates. The Indians well remember Hunter from a year ago, when he hit paydirt three times against them.

The Pirates won the contest at Coos Bay last year by a 42-13 count. The Tribe took to the air in the fray to bring the yardage totals to a more even count. They hit eight out of 25 attempts for 174 yards. The final yardage totals favored the Bucs 282 to 210.

The Indians recovered three of the five fumbles in the game by Marshfield, but were forced to punt nine times in the fray. The Tribe was guilty of one fumble and lost that one.

From The Training Room: The five flu cases apparently were nipped in the bud quickly Monday as the Indians were in full strength for the Tuesday session. Fingers are crossed that others aren't hit by the malady just before Friday.

Conditions Good For Elk Hunting

By THE ASSOCIATED PRESS
Hunting should be good in many areas of Oregon when the elk season opens Nov. 1, the Oregon Game Commission reported Tuesday.

The commission added that if past records hold, only 17 percent of the expected 35,000 hunters will bag elk.

The general season ends Nov. 16 on the Coast range and Nov. 25 in the Cascades and Northeastern Oregon.

The commission said there should be plenty of elk this year and the best hunting probably will be in the Walla and Blue mountains of Eastern Oregon, Clatsop County in Northwestern Oregon and Cook and Douglas counties along the Southern Oregon Coast.

Other areas where lots of elk are reported include the Cascades and the headwaters of the Santiam, McKenzie and Willamette rivers.

BIRDS EYE NEW MAN
BALTIMORE (AP) — The Baltimore Orioles were reported today ready to appoint a new general manager to ease the burden on field boss Paul Richards.

The move was reported by Jesse A. Lintchum, sports editor of the Sun, who said the Orioles were convinced "Richards is no superman."

Richards has held the dual job of manager-general manager since moving to Baltimore from the Chicago White Sox for the start of the 1955 season. He was manager at Chicago.

Californians Smell Roses, But Refuse To Speak Of It

BERKELEY, Calif. (AP) — The sweet smell of roses waits throughout the University of California Campus. But the Bear football team wants no part of the aroma.

Talk about the Rose Bowl and you get a stock reply: "We're taking them one at a time." Maybe they are, but the Bears are in the driver's seat with a 3-0 Pacific Coast Conference record. They're favored to whip Oregon State (3-1) at Corvallis Saturday.

The PCC choice is far from decided. Stanford, sometimes up and sometimes down, is 2-1. Washington State is 3-2, and Southern California is 2-2.

Come Saturday night, after WSC plays UCLA, Southern Cal tangles with Stanford, and Oregon meets Washington (0-3), a new favorite could arise.

California hasn't been to the Rose Bowl since 1951. Their record was 1-9 last year.

The Bears have jelled in 1958. They lost to College of the Pacific and Michigan State, then won four straight.

The difference is Joe Kapp, a master of the split T, and a hard-charging, hard-hitting line.

Kapp, 6-foot-2 quarterback, was named Associated Press Back of the Week Tuesday for his role in Saturday's 22-6 upset of Oregon.

He bucked a yard for another, raced 92 yards for another touchdown and intercepted two passes. Kapp says the difference between 1957 and 1958 is a year's experience under Coach Pete Elliott. He'll tell you his teammates rate the glory.
