### Fish On Hat Not Hallucination On Beaches Next Year

By DOROTHY ROE  
Associated Press Women's Editor

LOS ANGELES (AP)—If you see a girl walking along the beach with a fish on her head next summer, you aren't having hallucinations. She's just wearing one of the newest fashions in beach hats.

California accessories for new beachwear are going to make the feminine population look like girls from Mars. The bathing suit may be simple, but the things that go with it are strictly out of this world.

Consider, for instance, a beach hat topped by a life-size champagne bottle and a bunch of grapes—this for the girl who likes cocktail parties, of course. Or there's "Mr. Goldfish," a gold-colored straw beach bag with green sequin eyes and a hat to match.

"Mary Had a Little Lamb" is a white terry cloth beach bag with languorous sheep eyes, worn with a white "moon top" hat made out of a cotton mop. The latter also comes in such colors as orange and shocking pink.

"Hickory Dickory" is a bright felt beach bag with a clock face, and a hat to match, with the clock on the top of the crown.

Hit of the current showings is a white reed French poodle which turns out to be a beach bag named "Poodle." And then there's "Percy," a three-foot-tall straw fish, worn as a hat, and accompanied by a clamdigger bag.

The younger set throughout the country is going to try to outdo each other in seeing who can look funniest on the beach. College girls already are taking up some of the more improbable hats for fun in the dormitory.

### Foreign News Briefs

**BOON, Germany (AP)**—The West German Navy is sending five minesweepers into the six-nation NATO naval and air exercises in the east Atlantic Nov. 10-28. The German squadron is under Gmdr. Hans Dehnert, 43.

**ANKARA, Turkey (AP)**—Britain's Lt. Gen. C. P. Jones has been chosen head of the Baghdad Pact's combined military planning staff for 1959. He succeeds Turkey's Lt. Gen. Ekrem Akalin.

**PABIS (AP)**—Maria Garbaccio sued a plastic surgeon for leaving a seven-inch scar after a stomach operation and was awarded \$714 damages. She told the court the scar was a handicap in her work. She's a stripteaser.

**MELUN, France (AP)**—Michael Decraene, 21, loved his wife with what you might call a flaming passion and wound up in the cooler. The 19-year-old wife accused him of being too jealous and walked out, locking herself in a neighbor's house. Decraene set fire to the house and was charged with arson.

### John L. Lewis Stalls Soft Coal Agreement

**NEW YORK (AP)**—John L. Lewis has stalled negotiations for a new soft coal wage agreement by demanding the industry refuse to handle minimum mined coal, which represents about a fifth of the nation's total, it was reported today.

Lewis informally set Jan. 1 as a deadline for the soft coal contract. The New York Times said. This is the same date he gave hard coal operators for the end of their contract.

A shutdown of most soft and hard coal mines New Year's Day was unlikely, the Times added. The talks have not yet got to wages.

On the nonunion coal issue, the soft coal operators reportedly told Lewis they saw no way of writing a ban into the contract without making themselves liable to prosecution under the federal antitrust laws.
