ESTHER WILLIAMS TO ESTABLISH DISTRIBUTORSHIP IN ROSEBURG

1959 Distributor Appointment Program Just Starting

The International Swimming Pool Corporation, world's leading manufacturer of home and motel swimming pools, has just launched the largest new distributor appointment program in the Company's history. International is the exclusive manufacturer of the famous Esther Williams Pools and is expanding manufacturing, service and training facilities in order to serve an additional 500 communities.

Backed by the biggest swimming pool publicity and advertising campaign ever announced in the industry, the new distributor appointment program is scheduled to be completed within six weeks.

This market has been selected by International's Marketing Committee for one of the new distributorships. An Esther Williams marketing executive will personally consult with home owners and motel owners and consider applications for the Esther Williams distributorship in this area (see box below).

DISTRIBUTOR QUALIFICATIONS

Good character, a successful business background and a desire to build your own business are the prime qualifications for an Esther Williams distributorship.

The home and motel swimming pool business has become one of America's fastest growing new industries. The Esther Williams Pool is the undisputed leader in this new industry, accounting for 30 to 40% of all the permanent-type pool business.

Industry sales have more than doubled every year for the past three years. Trade experts, however, point out that pool sales have not yet reached boom stage. Sales on a gigantic scale are expected to begin in 1959 and continue for many years to come.

No franchise fee is required of a new Esther Williams distributor. Distributor appointed will be expected to make a modest investment in self-liquidating inventory with big profit potential. Construction experience is not a requirement.

ATTENTION HOME OWNERS

If you have an acquaintance who is interested in the exclusive Esther Williams distributorship in this area, contact the Division Marketing Manager at the address or telephone in box at right. If your recommendation is accepted, you will be entitled to an Esther Williams Family Swimming Pool at dealer cost!

America's Largest-Selling Family and Motel Pool To Be Available In This Area

Esther Williams, glamorous president of International Swimming Pool Corporation and world famous authority on swimming and swimming pools.

why the Esther Williams Pool is outselling all others by a wide margin.

"First, it's the safest pool with the exclusive safety walk all around, the flat play area and the safety cover. These features give parents peace of mind. Being the mother of three energetic children, I can assure you these wonderful features give me peace of mind."

"Secondly, an Esther Williams Pool is built to last because of the rigid construction standards established by our Engineering Department—poured concrete, steel reinforced throughout and covered with exclusive Perma-Seal Poolskin which

eliminates costly painting expenses.

"The third basic reason is that an Esther Williams Pool is complete in every respect for convenience, maximum family fun and the most economical maintenance—everything including filter, underwater light, stainless steel ladder, laminated diving board and 10 other items. There are no hidden extras to buy."

"And, the fourth reason more people from coast to coast are buying this complete pool than any other is the integrity on the part of Esther Williams distributors to provide the finest possible pool at lowest cost."
