## Diamond Highway Covered By Slide

MEDFORD (AP) — A slide rumbled down on Highway 230 Thursday. Highway Department engineers today said it will take a week or 10 days to open the road to traffic.

The slide occurred about 55 miles north of here on a section of the highway that leads into Diamond Lake. Other roads can be used to bypass the slide.

The slide buried a 200-foot length of the highway under a layer of dirt, rocks and trees 15 to 20 feet deep.
