

'Go Easy With Needle,' Khrushchev Company Requests American Public

L. A. Mayor Ires Russian

SAN FRANCISCO (AP)—U.S. officials accompanying Soviet Premier Nikita Khrushchev have indicated they would like to see no more public needling of the Soviet leader on cold war issues.

"If he runs into any more mayors like that one, Mayor Morris Poulson of Los Angeles) he really is likely to pack up his bags and fly home," one official commented.

Poulson touched off the biggest rumpus of Khrushchev's U.S. tour.

Ike's Appeal Renewed

WASHINGTON (AP)—The White House today renewed President Eisenhower's appeal to the public for courteous treatment to Soviet Premier Nikita Khrushchev on his U.S. tour.

Saturday night by challenging him on his statement that "we shall bury you." Khrushchev angrily accused Poulson of distorting the remarks and "threatened" to fly straight back to Moscow.

The Premier regained his usual ebullience on a sunny train trip north and, after a warm reception from the crowds here, made it plain he has no intention of cutting short his tour.

Neither Henry Cabot Lodge, U.S. ambassador to the United Nations and Khrushchev's official host, nor Llewellyn Thompson, U.S. ambassador to Moscow, would be quoted.

One official complained: "Now he's running into one attack after another about old dead issues. If these mayors want votes, they should do it some other way."

Officials indicated they believe further clashes with local and state hosts could adversely affect discussions on the cold war.

In contrast to the reception given Khrushchev by Poulson, San Francisco Mayor George Christopher was friendly throughout. He even embraced Mrs. Khrushchev and gave her a bouquet of flowers.

The anger-provoking questions didn't stop, however, and Khrushchev reportedly blew up half a dozen times at a meeting with U.S. labor leaders Sunday night.

Walter Reuther, Auto Workers president, said the labor group made no effort to tone down questions and had received no request for a kid glove approach.

Shirley Demonstrates Dance Red's Spouse Remains Calm During Jaunt

Nikita Takes On Appearance Of Politician During Stump

SAN FRANCISCO (AP)—It was just plain old Nikita Khrushchev, simple man of the people, friendly politician, smiling handshaker, warm-hearted lover of children, staunch opponent of sin, four-square.

Any moment we expected him to say "Why don't all you good folks just call me Nikky?"

This was the Khrushchev that emerged in a bizarre train ride from Los Angeles to San Francisco—a ride which included touches of the space age, William Jennings Bryan, taut melodrama, low comedy and a running interlude that looked like a floating crap game.

The long, orange and red train was loaded with sullen, furtive Soviet security men and nervous-looking American security men. Up ahead, Army helicopters hovered protectively over the track.

Sheriff's deputies guarded the bridges. In some yards, uniformed police stood watch from the tops of freight cars. In the mountain passes, we half expected Indian scouts.

"People Are Wonderful" Then at Santa Barbara, the poor sheepherder who made good as the chairman of the Council of Ministers of the Union of Soviet Socialist Republics decided to do a little whistle-stopping.

He emerged smiling, waving, clasping his hands over his head like a Russian Tony Galento. He shook hands with the people and "the people," Nikita Khrushchev announced, "are wonderful—the people want peace."

A little girl of about six waved and the master of the Kremlin waved back. He was touched, he said—"just think, a little girl waving at a Communist!"

Back aboard he came and later, just when we were beginning to think the unpredictable Mr. Khrushchev would stay put for awhile, he suddenly showed up in the press cars, preceded by six Soviet halfbacks.

Photographers screamed from the tops of seats. Reporters closed in. Khrushchev moved forward from car to car, his party commanding the aisle while reporters raced after him over the backs of seats.

Khrushchev talked easily, shooting in all directions. Missile Base ignored. No, he didn't bother to notice the missile center at Vandenberg.

Concluding services and interment will follow the funeral at Roseburg Memorial Gardens.

Red's Spouse Remains Calm During Jaunt

SAN FRANCISCO (AP)—Serene in the word for Mrs. Nina Khrushchev in the midst of her husband's unpredictable, hectic and free-wheeling tour.

Mrs. Khrushchev is on her first trip to a country of the West. In the relaxed amid America's top diplomats, officials and movie stars?

"I've never seen her otherwise," reports her official hostess, Mrs. Henry Cabot Lodge, the tall, blonde wife of the U.S. ambassador to the United Nations.

Boston-born Mrs. Lodge, who moves with polished grace in diplomatic and social circles, calls the tour "an experience I will never forget."

Mrs. Lodge believes the whole Khrushchev family is enjoying the visit to America, even if at times it may seem otherwise. Here are some of her impressions.

Almost everything interests Mrs. Khrushchev, she says: The countryside, cattle, even the roofing on a house.

Mrs. Khrushchev laughed out loud at the Broadway musical "The Music Man," liked the film at Hollywood, and, best of all, she seems to know a lot about trees and vegetables, spotting them accurately.

Soviet Family Close The Khrushchevs—that is son, Sergei, and married daughters, Rada and Julia—and Papa Nikita—appear to be a very close family—and I think they have fun together."

They're not formal at all, and Mrs. Khrushchev is "definitely sort of the nucleus of the family," Mrs. Lodge says. Mrs. Khrushchev is "terribly considerate" of her husband.

Mrs. Khrushchev and the daughters have looked eagerly at everything but they haven't asked Mrs. Lodge many questions and "I don't ask any questions of them."

Mrs. Khrushchev's English is fine for chitchat but an interpreter is needed for anything complicated. Dasha, her daughter, speaks good English.

Traveling with the Khrushchevs is relaxed, Mrs. Lodge says. "I never feel there's a cold, awkward silence. They're receptive if you talk and they talk back in return."

The wife of the Soviet premier has no maid or anyone special to look after her needs, as far as Mrs. Lodge could see.

George W. McHugill George William McHugill, 54, Tyee resident, died early Saturday at his home at Box 115, Kellogg Star Rt., Oakland.

Two Hurt In One Of Four Weekend Crashes In County

Four automobile accidents were reported during the weekend on Douglas County's highways. Two persons were injured in one of the accidents.

Injured in a one-car accident near the intersection of SE Main St. and Mosher Ave. in Roseburg were driver of a 1959 model car, Clarence Leon White, Box 30, Dillard, and his passenger, Charles Joy White, also of Dillard, Roseburg police report.

Both were taken to Douglas Community Hospital where Clarence L. White was treated for a bruised chest and Charles J. White for back and pelvic injuries, Roseburg police added. The accident occurred, police said, when the car, northbound on SE Main St., hit the curb on the left side of the street, jumped the curb and collided with a utility pole. No citations were issued.

A slick stretch of Highway 99 Freeway two miles north of Canyonville continued to claim accident victims this weekend, Charles Ruel Finch, Medford, was thrown from his northbound 1955 model car when it hit the spot and went into a spin, state police report.

Finch was not injured when his car hit a divider and he was thrown from the vehicle. His car received heavy front and rear-end damage and was towed from the scene. Road Repairs Set

A state Highway Department spokesman in Roseburg said today the slick stretch of highway will be burned off Tuesday.

A road crew is picking up the burner in Salem today, he stated. The excess oil which has slickened the highway's two northbound lanes in wet weather will be removed.

In the meantime the highway department has the spot marked with two signs and flares. The spokesman said the problem was heightened by good pavement on both sides of the 600-foot stretch of freeway.

One woman, Mrs. Ray Morgan, Edmonds, Wash., lost her life when the car in which she was riding went out of control a week ago. Several cars have received extensive damage.

Second Accident Follows Another accident occurred soon afterward when two northbound vehicles came upon the accident. A 1957 model sedan operated by George Warner Pederson, Puyallup, Wash., collided with the rear of a 1953 model pickup truck operated by Melvin Dewain French, 722 Christian St., Myrtle Creek, after Pederson tried to slow down and lost control of his vehicle, police said. No injuries were reported.

The truck left the scene under its own power while the car was towed away. No injuries were reported in a two-car accident about 6:30 p.m. Saturday near Tri-City. Involved was a 1950 model sedan operated by Clark Edmond Landers, Old Hotel Trailer Court, Riddle, and a 1959 car driven by James Edward Gaffey, Myrtle Creek.

The accident occurred, police said, when Gaffey's car collided with the rear of Landers' on Highway 237 on a dry, two-lane black-top highway.

Gaffey's car left 138 feet of skid marks before the impact, police said. Landers was stopped and waiting for a car ahead of him to make a left turn when the collision occurred, police said.

Trial is scheduled for 9:30 a.m. Nov. 11. Roseburg police arrested her after they found three minors in the Windmill Tavern, 1227 W. Harvard Ave., where she is employed.

The minors all pleaded guilty Saturday morning to charges of loitering on licensed premises. Fined \$20 was Michael Dale Boyd, 19, of 1921 NW Beacon Way; Larry Gillman Keasey, 20, of 1231 NW Keasey Rd.; and fined \$70 and Karl Dwan Thelle, 19, of 357 W. Laurelwood Dr., \$35. The fines were levied by Municipal Judge John Horn.

3-Vehicle Crash Claims 8 Lives PETERSBURG, Va. (AP)—Eight persons were killed and two others seriously injured early today in a collision near here involving a tractor-trailer, pickup truck and passenger car.

The accident occurred shortly after midnight on a stretch of two-lane highway on U.S. 460. The tractor trailer, a milk carrier, jackknifed and burst into flames.

Seven of the car's occupants were killed in the accident on a straight stretch of road. Police said it appeared the west-bound car was attempting to pass the pickup but instead collided with the oncoming tractor-trailer.

Explosion Near Tiller Heard By Several Men Dan Wells, 1882 NW Keasey Rd., reported to the Douglas County sheriff's office Saturday that about 11 a.m. he and several other men heard a loud explosion in the Black Canyon above Tiller.

The explosion was up Jackson Creek Rd., he added. Wells said he investigated but could not determine where or what caused the explosion. The sheriff's office had not investigated the matter this morning.

Veteran Sail Ship Skipper Succumbs

LOS ANGELES (AP)—Funeral services will be held Tuesday for Capt. B. N. A. (Nels) Krantz, 81, one of the last remaining veterans of the sailing vessels which carried lumber from Pacific Northwest ports to the Hawaiian Islands.

Capt. Krantz, who began sailing on the four-master lumber schooner in 1919, figured in one of the best known sailing ship "races" in Pacific Northwest history. At the helm of the Commodore, the captain left Honolulu for Cape Flattery, Nov. 20, 1931. Six days later the Vigilant set out.

The Commodore was taken in tow off the cape 31 days and 20 hours after leaving Hawaii but the tow line parted in stormy seas and the vessel was driven 200 miles north along Vancouver Island.

The Vigilant arrived in the Strait of Juan de Fuca 59 days and one hour after leaving Honolulu and was declared the winner on an "into the strait" basis although the Commodore won the "race-to-100" race.

Capt. Krantz moved to Hollywood about five years ago. He died Saturday and survivors include two sons, Conrad A. of Sitka, Alaska, and Raymond J. of Seattle.
