

## Moose Hunters Bring Home Kill

By MRS. GERALD B. FOX

Six southern Oregon men, five of them Glendale residents or former residents, have returned from a moose hunting trip in Canada in which five members killed their meat.

Successful hunters were: Bill Thompson, Joe Anderson, and Tom Mehl, all of Glendale, Ted Meglass of Springfield, formerly of Glendale, and Tex Hollandquist of Diamond Lake. Millard Reagan of Glendale, accompanied the group but did not return with a moose.

The largest kill was made by Bill Thompson, whose animal had horns measuring 51 1/2" across. One ham of Thompson's moose weighed 95 lbs.

The group drove about 97 miles above Likely, Canada, then rode horseback and walked some distance beyond that.

Mr. and Mrs. F. H. Van Valkenburg and Mrs. Zelma Smith, of Quines Creek, returned recently from a month's vacation in 29 Eastern states. Their trip included visits to Yellowstone National Park, the Bad Lands of South Dakota, Cumberland Falls in Kentucky, Rock City in Chattanooga, Tennessee, Arizona, and Boulder Dam and Los Vegas. They returned via Southern California where they visited with relatives before returning home.
