SMALL PACKAGE — Cleveland Jones, Oregon's diminutive halfback is fast proving to Duck opponents that he's a small package of TNT. The next test for Jones and the undefeated Webfoots is Saturday at Multnomah Stadium when Oregon meets Washington.

NORTHWEST ROUNDUP

Ducks Add To Offense; OSC's Paulson Returns

EUGENE (AP) — The introduction of some new offensive variations and a look at expanded Washington defensive and offensive formations marked Tuesday's Oregon football practice.

The unbeaten Webfoots, who clash Saturday at Portland with Washington, appeared weak at left tackle. Bob Anderson, a 340-pounder, worked at the starting berth.

Both starter John Wilcox and alternate Riley Mattson were in uniform, but Wilcox did not work out and Mattson did only slightly. Both suffered injuries against Air Force.

CORVALLIS, Ore. (AP) — Dainard Paulson moved back into the key tailback spot in Coach Tommy Prothro's single wing offensive Tuesday at the Oregon State football practice.

The Beavers drilled two hours in a no contact workout. They plan to fly Friday to Berkeley for

the Saturday game with California.

SEATTLE (AP) — Bob Schloredt, quarterback, and Kurt Genger, tackle, will be co-captains for the Washington Huskies when they meet Oregon at Portland this Saturday.

The Huskies opened full-scale drills Tuesday and were slated for more hard work Wednesday.

Washington goes into the game with a 4-1 record, its only loss last Saturday's 22-15 victory by Southern California. Oregon is unbeaten in five starts.

PULLMAN (AP) — Washington State University will be in good shape for next Saturday's game here with Idaho's winless Vandals.

Coach Jim Sutherland had all but one of his Cougars on the field for Tuesday's drill. The lone absentee was reserve tackle Walt Altobelli, who has an injured knee.

MOSCOW, Idaho (AP) — Idaho's Vandals, hoping to stave off any further injuries, went through a light drill Tuesday in preparation for Saturday's game at Pullman with Washington State.

Quarterback Neil Vial, who wrenched a knee in the Oregon State game last week, will definitely miss the WSU fracas, Coach Skip Stahley said.

The Vandals spent most of the time on slow-motion defense drills.

Scribe Sees OSC, Oregon Winners In Weekend Frays

NEW YORK (AP) — Why did they increase the width between the goal posts in college football? Well, the reason is that certain wide-beamed forecasts should be hoisted out of the end zone because they were unable to predict that Ohio State would handle Purdue and that Pittsburgh would be handled by West Virginia last weekend.

Sailing between the posts with the greatest of ease, here are this week's winners, with the understanding that the forecasts are no better than a week ago when the average was 708 on 34 winners in 48 decisions:

Louisiana State over Florida: The Bayou Bengals rarely do more than they have to, but the formula seems to work. So the pick is Billy Cannon & Co. again.

Northwestern over Notre Dame: One of these days this Notre Dame team will jell and make everyone look silly — including the foe on the field. But not this weekend.

Yale over Rice: This is pure suicide. But one must stay with that Texas speed in the line and Rene Ramirez.

Mississippi over Arkansas: Our Memphis operator says these two teams are as good as any in the country, but that Bobby Franklin makes the Rebels the choice.

Southern California over Stanford: The Trojan blockers hit like a wooden horse.

Syracuse over West Virginia: The Mountaineers' season ended with that victory over Pittsburgh.

Big Five Rushing Led By USC Back

SAN FRANCISCO (AP) — Halfback Jerry Traynham of Southern California, who picked up 157 yards against Washington Saturday Monday took over the rushing leadership of the Big Five.

The Trojan junior who became the fourth player to lead the league in rushing this season has a net of 281 yards in 50 carries a 5.6 average. Steve Bates of California who led a week ago is second with 217 yards in 33 carries for a 6.6 average.

Stanford's Dick Norman retained his leadership in passing and total offense. Norman was hit for 787 yards — more than double the 308 in 24 attempts of second-place Bob Schloredt of Washington.

Indian Receivers Best

Norman's 23 yards in 15 rushing plays gave him the total offense lead with 810 yards overall. Schloredt was second in that department too with 409 yards in 83 plays in 11 of those rushes.

Three Stanford receivers — Chris Burford, Herb Robinson and Dick position among the pass catchers. Burford has nabbed 26 throws for 324 yards Robinson 17 for 230 and Bowers 10 for 144.

George Fleming of Washington leads the league scorers with 35 points and three kickers are staging a hot battle for punting honors. Bill Kilmer of UCLA has averaged 42.7 yards on 17 boots half a yard better than Schloredt's 42.2 and just one full yard better than Stanford's Rick McMillen who has an average of 41.7 on 10 punts.

Beaver Tailback Honored By Scribes

PORTLAND (AP) — Oregon's football player of the week is Larry Sanchez until recently a third string Oregon State tailback.

He was picked for the honor by a panel of sports writers and broadcasters after he led Oregon State to its first victory of the season last Saturday.

He scored 28 points and ran and passed for 183 yards in the 68-18 rout of Idaho.

Runner-up to Sanchez was Cleveland Jones of University of Oregon halfback who scored the first touchdown on a 50-yard pass play as his team upset Air Force 20-3.

Mention went to end John Thiel and fullback Jim Stinnette of Oregon State and fullback Harry Needham of Oregon.

Wrestling Has Challenge Match At Local Arena

A challenge match takes over the wrestling spotlight this weekend at the Roseburg Community Building as Joe Scarpa tangles with tough Tony Bourne.

The match was signed by promoter Elton Owen following last Saturday night's donkeybrook in which Scarpa and Bourne tangled outside the ring.

Scarpa made an immediate hit with local fans because of his speed and wide-open style.

The bout shapes up to be one of the best of the current season.

In the semifinal match, Doug Donovan returns to the Roseburg mat after an absence of over a year to meet the fireball from Spain, Pepi Pasquale.

The card will open with Portland veteran Jack Kiser meeting Minneapolis star, Bill Wright.

Braves Seek Skipper, Leo Dressen Possible

By THE ASSOCIATED PRESS MILWAUKEE Wis. (AP) — Birdie Tebbetts a fiery field leader who wanted to move up said today he likes his job as executive vice president of the Milwaukee Braves and his crystal ball doesn't show any return to uniform as a manager.

"I made my decision to get out of managing a year ago," Tebbetts told The Associated Press. "I said at the time I took this job I had no desire to manage and nothing has happened to change my mind."

The former American League catcher and Cincinnati manager added however that "something could happen to change my mind because I don't have the power to look into the future."

Tebbetts Denies Talks

Tebbetts was reached after an informed source said in New York Tuesday that he is Milwaukee owner Lou Perini's personal choice to succeed Fred Haney and very likely will be drafted to manage the Braves in 1960.

"My name has never come up in all the discussions between Mr. Perini general manager John McHale and myself," the 47-year-old club executive said. "Lou has never approached me. He knows my feelings."

According to the source Perini has been using his best salesman to try and convince Tebbetts that a move from the front office back to the field would benefit the club.

Tebbetts said that he and McHale have discussed several managerial possibilities but emphasized that "no one has been contacted."

"The reason it has taken so long is that it's a big job," he said. "No decision has been reached. In fact we haven't narrowed down to one man as a choice."

Perini Considers Durocher

According to the informant Perini gave serious consideration to only two other possibilities — Leo Durocher and Charlie Dressen. Should the reluctant Tebbetts convince Perini he is more valuable in the brass division Dressen is reported in line.

Durocher itching to return to active baseball is expected to hold off his return until next year. He has been rumored as a possible successor to Bill Rigney at San Francisco but the Giants are now expected to re-sign Rigney.

Red Schoendienst the Braves' second baseman who fought back from a bout with tuberculosis to rejoin the club in late season reportedly also was considered as manager by Perini. However his lack of experience as a pilot weighed heavily against him.

Dubious Honors Goes To Burdette

NEW YORK (AP) — Lew Burdette of the Milwaukee Braves gave up 38 home runs in 1959, the most allowed by any major league pitcher. This was 20 more than he yielded in 1958.

Jim Bunning of the Detroit Tigers paced the American League in sopher balls the past season with 37.

Burdette's chief tormentors were the Chicago Cubs, figures released by the Associated Press showed today. The Cubs slammed 11 homers off the right-handed veteran, Ernie Banks of the Cubs and Orlando Cepeda of San Francisco tagged Burdette for four homers each.

Burdette worked 290 innings, winning 21 games and losing 15 in 1958, he pitched 275 innings, allowing only 18 homers with a 20-10 record.

Bunning, also a right-hander pitched 250 innings the past year and had a 17-13 record. The Cleveland Indians hit him for nine homers and Kansas City for seven. He had the most trouble with Harmon Killebrew of Washington and Minnie Minoso of Cleveland, giving up three home runs to each Bunning allowed 28 homers in 1958.

NFL Again Led By Cleveland's Brown; 49's Smith Second

PHILADELPHIA (AP) — For the second straight week Cleveland's Jimmy Brown leads the National Football League in rushing but J. D. Smith of San Francisco is pressing him for the top spot statistics released today showed.

Brown has picked up 437 yards on 101 carries for a four-game average of 4.3 compared to Smith's 410 yards in 78 tries for a 5.3 average. Ollie Matson of Los Angeles is third with 403 yards on 66 carries good for a 6.1 average.

Defensive Drills Main Theme Of Tribe Workouts

Methods of containing Marshall's potent attack is the principal item in the Roseburg Indian practices this week.

The Indians journey to Coos Bay Friday night to meet the high-ranked Pirates in the seventh game of the season.

The Bucs have had little trouble in disposing of five opponents this year, losing only to a powerful Medford eleven. The closest any Midwestern League club has come to defeating the Pirates was the South Eugene Axemen, who lost by a 13-7 count.

Despite their loss last Friday night to the North Salem Vikings and despite the season record of 1-5, the Indians are going through fired-up sessions this week. The Tribe hopes to come up with some offensive changes in its patterns to surprise the Bucs some.

Defense has been on the list in workouts, as the Indians look for ways to stop the Pirate attack which last weekend rolled over the Cottage Grove Lions by over forty points.

Following the Marshall fray, the Indians have just two league contests remaining on the 1959 slate. Next weekend, it's South Eugene at Finlay Field and the season is wrapped up at Springfield the following week.

Thus far the Indians have been able to drop just one league opponent—the Cottage Grove Lions—while losing thrilling games to North Eugene and North Bend.
