Three representatives of the Oriental Missionary Society will be featured at the North Roseburg Church this weekend.

## Bishop Grant To Give Fund

Bishop A. Raymond Grant, Resident Bishop of the Portland area will be in Roseburg Monday to make a presentation which will aid local Methodists to rebuild their blast damaged sanctuary.

The money was collected from Methodist Churches in California, Oregon, Idaho, Washington and Alaska when they brought special offerings to "Help Roseburg Sunday."

Bishop Grant will be the principal speaker at a dinner given in the church dining room at 6:30. He has given no indication of the amount which might be presented.

The money cannot be used for mortgage payments, it must be applied on a new building.

Dinner tickets are on sale in the church office. The dinner is being served by Methodist Men's Club and the youth will act as waiters and waitresses.

## Sacrificial Giving Ends Week Of Prayer

"A sacrificial gift for missions from every member" was the goal of the special financial consecration service held Nov. 14 in the Roseburg Seventh-day Adventist Church. The occasion marked the climax of the denomination's annual Fall Week of Prayer.

Members of the church were invited to show that their "pocket-books have joined the church too," in contributing to a special fund for selected missionary causes at home and abroad. Many members contribute as much as a full week's salary at this time. This offering is in addition to the usual 10 per cent and more which Adventists are accustomed to giving the church from their incomes.

The purpose of the Week of Prayer just concluded, according to Elder Walter Riston, pastor, is to strengthen the personal relationship of individual members with God.

## Annual Holiday Service Scheduled

The annual Union Thanksgiving Service which is sponsored by the Greater Roseburg Ministerial Assn., will be held at North Roseburg Church, at 1553 NE Vine St. The service is scheduled for 10 a.m. on Thanksgiving morning.

Calvin Harrah of Melrose Community Church will read the Scripture; the Rev. William Moorhead of Pinegrove Community Church will offer the morning prayer; the Rev. Larry Merrill, director of Christian Education of First Baptist Church, will bring the message "O Give Thanks."

The Rev. Harvey Timm, Callapooza Free Methodist Church, will dismiss the service with the benediction. ## Lookingglass To Hear Thanksgiving Message

An inspiring Thanksgiving message in music will be presented by the combined choirs of the Lookingglass Community Church Sunday at 7:30 p.m.

The program in four parts will include vocal and instrumental solo numbers as well as small group and choral numbers.

## Less Rivalry Urged By Russian

NEW YORK (AP) — The Soviet Union's atomic energy chief urges less competition and more cooperation between the United States and the Soviet Union in developing nuclear power for peaceful use.

Prof. Vasily S. Yemelyanov, chief of the Soviet administration for peaceful utilization of atomic energy, has concluded a 15-day inspection tour of major atomic research centers in this country.

Yemelyanov, who was accompanied by nine other Soviet scientists, said he was impressed by what he saw here.

Citing "waste" in constructing atom smashers, Yemelyanov said, "You build a big machine and then we build a bigger one." For world scientists, he added, one machine should be enough.
