

Zorin Opens East-West Arms Talks With New Blast At U. S. Aggression

By MICHAEL GOLDSMITH
 GENEVA (AP)—Soviet Deputy Foreign Minister Valerian Zorin opened a new round of East-West disarmament talks today with a blast against "aggressive circles" in the United States. He alleged these Americans sabotaged the Paris summit, meeting and sought to prevent peaceful coexistence.

"Aggressive forces continue to conduct their subversive actions against peace and the security of peoples and make even more urgent and imperative the solution of the disarmament problem," Zorin said.

A Western official said Zorin echoed earlier charges by Soviet Premier Nikita Khrushchev—without Khrushchev's vehemence. U. S. Ambassador Frederick M. Eaton refused to be drawn into debate on the summit breakdown.

"Our task here is to get on with the discussion of measures for disarmament, and I suggest we do this," he told Zorin.

Despite Zorin's remarks, British Minister of State David Ormsby-Gore told newsmen the 10-nation conference resumed in a restrained and moderate atmosphere after its six-week recess.

Zorin presented and comment-

ed on the revised Soviet disarmament plan, announced by Khrushchev June 3.

Eaton said the U. S. government is subjecting the new Khrushchev plan to a serious and thorough analysis.

Western officials see little hope of agreement if the Soviets insist as rigidly on the main provisions of the new plan as they did on Khrushchev's first proposal.

The Soviets emphasized in

Negro Named To Top Level Baptist Post

ROCHESTER, N. Y. (AP)—A Negro was elected today to a top-level post of the American Baptist convention for the first time.

She is Ruth McKinney of Cleveland, named second vice president.

Delegates elected C. Stanton Gallup of Plainfield, Conn., head of the Gallup Lumber Co., as president.

Elected first vice president was the Rev. Roger Frederickson of Sioux Falls, S. D.

Gallup, 49, succeeds the Rev. Dr. Herbert Gezork of Newton Centre, Mass.

Gallup is married and a father of four children. He lives on a 100-acre farm outside of Plainfield.

He has served eight years on the General Executive Council of the denomination and also held other major church offices.

Mrs. McKinney is the wife of the Rev. Wade H. McKinney, pastor of Antioch Baptist Church in Cleveland, one of the largest Negro churches in the country.

A tall, dignified woman, she has been vice president of Christian Service for the National Council of American Baptist Women since 1956. She also is on the national executive board of the United Church Women, a national inter-denominational group.

The Rev. Mr. Frederickson is pastor of the Sioux Falls First Baptist Church and has been a leader in developing work among college students.

The officers were elected without opposition.

The convention neared a finish later today after having squelched a series of thrusts at the Roman Catholic Church in connection with the impending national presidential election.

their new version that they were adopting proposals advanced by other powers — notably France — that a beginning should be made in wiping out the means of delivering nuclear weapons.

U. S. officials expressed encouragement over apparent recognition by the Soviets of the need after disarmament for an international peace force, which the West insists is necessary. The Soviets hedged, however, by providing for control of such a force by the Security Council, where the big power veto operates.

The Western plan, cold-shouldered by the Soviets before the talks adjourned in April, called for carefully controlled disarmament in three gradual stages. A start toward nuclear disarmament would not be made until the second stage, after East-West parity in conventional arms was established and thorough supervision and safeguards against surprise attack were in operation.

Interim Group Eyes Welfare Machine

PORTLAND (AP)—A data processing machine that costs some \$19,000 a month was rented without competitive bids, the director of the state Department of Finance and Administration testified Monday.

Freeman Holmer told the Legislative Interim Committee on Welfare that there was not time for competitive bids.

The machine, he said, was needed quickly by the Welfare department to recover back payments from relatives legally responsible for welfare recipients, and the deadline for recovery was fast approaching.

Several committee members reminded Holmer that the state law requires competitive bidding on articles costing more than \$1,000, which he admitted was generally true.

He said there is an exception permitted when only one firm can meet the requirements, and when the governor and department head approve.

Holmer said the machine was rented from International Business Machine Corp. and will be in service by July. Another firm, he said, could not have installed its equipment before October, and the entire project would have been delayed six months if bids had been called.

Court Dismisses Forgery Charge

Charges of forgery against James Cunningham were dismissed following a preliminary hearing in Douglas County District Court Monday.

Cunningham had been charged by Roseburg police with forging a check allegedly forged and passed Feb. 9 for \$38.84.

Other District Court cases Monday saw Lawrence Earl Blaker, 55, of Medford, fined \$150 for drunk driving. He appealed the case to Circuit Court.

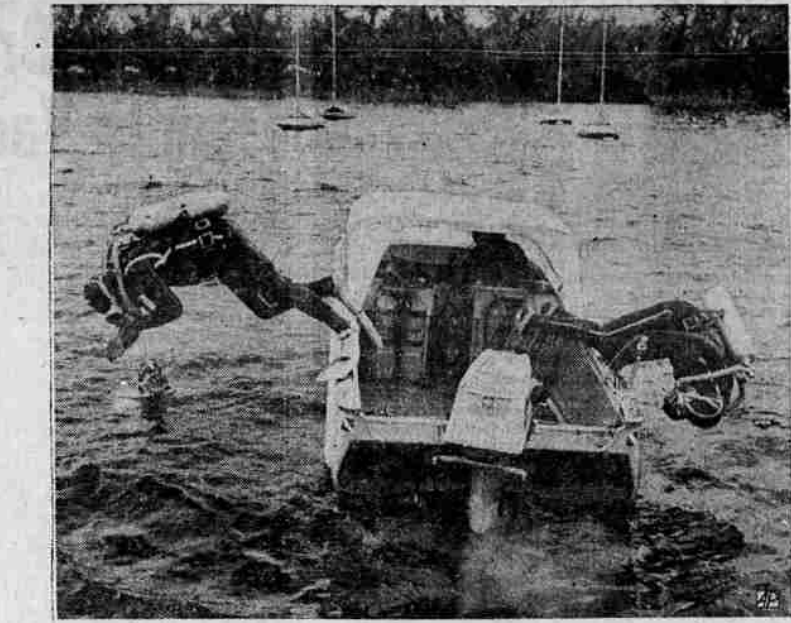

David Hugh Willis, 21, of Rte. 4, Roseburg, was fined \$45 for participating in a speed contest. The judge also recommended a 30-day suspension of Willis' driving license.

Talk On Recent Tour Of Hospitals Presented

Flossie Falbur displayed literature and gave a talk on her recent tour of Veterans hospitals in California at a recent meeting of the Blue Star Mothers.

Plans were made for a birthday dinner to be held at the Roseburg Woman's Club June 15. Guests will be invited.

President Effie West, assisted by Margaret Trussel, first vice president, conducted the meeting. It is reported that anyone having a son or daughter in the service is eligible to join the Blue Star Mothers and is invited to attend the meetings.

DIVING DETECTIVES—Two frogmen members of the Minneapolis police department go overboard during practice plunge into Lake Calhoun. They are being trained to recover bodies, cars and other necessary evidence submerged in lakes and rivers.

Board Completes Airline Hearings

SEATTLE (AP)—The Civil Aeronautics Board has completed its hearings as to whether West Coast Airlines should continue service to 10 Washington, Oregon and Idaho communities.

At the conclusion of Monday's session here, CAB examiner Thomas L. Wrenn set July 22 for submission of briefs by all parties, prior to his recommendation to the board.

Cities involved are Ellensburg; Centralia-Chehalis; Baker, Ontario and LaGrande, Ore.; Burley-Rupert and McCall, Ida.; and Payette, Ida., served jointly through the same airport with Ontario.

Three days of hearings were held in Baker and one here. Representatives of Chehalis, Centralia and Ellensburg appeared at the Monday hearing to ask restoration of service which West Coast suspended temporarily.

Sets Precedent

LONDON (AP)—Television announcer Alex MacIntosh appeared on the screen in an open-neck shirt Sunday and set a precedent, degrees outside the studio and it was the first time a British

Broadcasting Corp. TV announcer was allowed to doff his coat and necktie. The temperature was 83 degrees outside the studio and hotter inside under the lights.

Sam Says He, May Plan Large Family

LONDON (AP)—Sammy Davis Jr. says he and blonde movie actress Mai Britt plan to raise a large family and he doesn't care if the children are "polka dot."

The 5-foot-8-inch Negro entertainer and the 5-foot-7 Swedish actress told a news conference Monday night they plan to marry after her divorce from American actor Eddie Gregson becomes final Sept. 28. Davis conceded some people won't approve of the inter-racial match.

"I'm liable to prejudice every time I walk out of the front door. But I'm not shaking in my shoes about my career. If it's so flimsy that it could be ruined by marriage, then it's not worth having."

Miss Britt is 24, Davis 34.

Davis was married to Loray White, a Negro singer, in 1958 and divorced a few months later. Last November he announced his engagement to Joan Stuart, a 21-year-old white Canadian dancer. Her parents objected on racial and religious grounds.

Miss Britt's father arrived from Sweden Monday to meet his prospective son-in-law, who is filling a night club engagement. "He told her he liked me very much," Davis said.

The entertainer added that his family in Los Angeles and Miss Britt "get along unbelievably well together."

Davis is a convert to the Jewish faith, but Miss Britt said she would remain a Protestant.

Circuit Court

Complaints
 State Industrial Accident Commission vs. Lawrence Lee Bass. Plaintiff asks \$75.25 contributions allegedly due.

George Goden vs. State Industrial Accident Commission. Plaintiff asks for jury to decide on request for increase in disability payments.
