

Roseburg Jaycee Net Action Due June 18-19

Roseburg's youthful male tennis players will get a chance to climb on the first rung of the ladder on the climb toward a state and national championship June 18 and 19.

These are the dates of the annual Roseburg Junior Chamber of Commerce tennis tournament at the high school courts.

Chairman Jack Spindle announced today that boys wishing to enter the tournament may do so until June 13 by calling him at OR 2-1858 or Dick Smith at the Umpqua Hotel.

They may enter in two divisions, junior boys for those 12 and 15 and senior boys from 15 to 18.

Action will take place in both singles and doubles.

Singles winners will be allowed then to compete in the state Jaycee tournament at Corvallis June 25 and 26. Last year, three of the four Oregon winners were from Roseburg. They are expected to be competing again this year.

Doug Green was the state junior tennis champion last year, and Don Lowe was runner-up in the state. They will move into the senior boys division this year, since they have reached 15.

The senior boys champion last year was Brundage, who will be back again at 18. If he should progress to the state championship again this year, it will be the third year he has moved into the national championship brackets.

The Jaycees will underwrite the trip to the state tournament for the Roseburg winners.

The Roseburg Rod and Gun Club will hold its first hunter safety course June 18 and 25 at the club's Winchester clubhouse, it was announced today.

The classes, each two hours long, will start at 9:30 a.m. each day. This course is approved and offered through the cooperation of the Oregon State Game Commission.

Rod and Gun Club officials said the classes will be limited to 12 persons ages 12 to 18 inclusive.

Pre-registration will be at the Roseburg Rural Fire Hall on NW Garden Valley Blvd. from 9 a.m. to noon this Saturday.

All students must pre-register, and parents are asked to accompany the youths to sign parental release at the time of registration.

Joseph C. Anderson will be the instructor and will be assisted by Earl Oar.

Girls are invited to take the course. A certificate of competency will be awarded to those successfully completing the course.

Briggs Still Critical From Brain Damage

BENNINGTON, Vt. (AP) — Walter O. Briggs Jr., 48, former president of the Detroit Tigers baseball club, today remained in critical condition in a Bennington Hospital.

Briggs, Tigers' president from 1952 through 1958, was stricken with a cerebral hemorrhage Saturday at a Bennington motel.

Business Good At Track

PORTLAND (AP) — Business is better than ever, Portland Meadows, a horse race track, announced Monday.

In the first 25 days of the meet, betting ran 12 per cent above a comparable period of last year, for a total mutuel handle of \$3,903,000.

The average daily handle has been \$156,146, compared to \$139,472 last year, the track said.

The second half of the 50-day season starts tonight.

Keating Called

"I hope Sen Keating lives up to his word and he is interested in expansion," Shea said. "If he forces further delay while saying he is for expansion, it would be a bad situation."

"I am taking his word that he wanted only a one-week delay. A week delay is all we can stand. Even that was harmful. Another delay would be murder. But I am certain that once it reaches the floor, it will be passed."

Shea's statements followed Continental League President Branch Rickey's endorsement of the bill. Rickey also blasted American Assn. President Ed Doherty as the "undertaker of the American Assn."

Million Demanded

Rickey said the American Assn. is demanding one million dollars indemnity for each of the five cities it stands to lose to the new league.

He accused Doherty of trying to sabotage the Continental by making unreasonable demands.

"Even if the American Assn. could defeat the purpose of the Continental League," Rickey said, "the American Assn. will die certainly, within two years, I have been studying attendance figures and I know for a certainty Doherty is the undertaker of the American Assn."

"I am not prepared to negotiate with anybody on the basis of a million dollars. The Continental League has the future health of the American Assn. much more in mind than Mr. Doherty."

He added that the Continentals would move the five American Assn. franchises they are slated to take over to other cities and operate them as farm clubs, thus protecting and insuring the league.

Fighter Dying From KO Hit

NEW YORK (AP) — Pro fighter Tommy Pacheco was in critical condition and not expected to live today after a knockout loss in the feature bout at St. Nicholas arena.

Pacheco, a 20-year-old Puerto Rican-born lightweight, was taken to Roosevelt Hospital Monday night after he was stopped by Benny Gordon with 11 seconds remaining in a 10-round bout.

Brain surgery was performed and Pacheco's post-operative condition was described as "not good."

The bout with Gordon, of New York, was the 13th of Pacheco's pro career. He split his previous 12 but held two decisions over Gordon.

There had been no knockdowns and few hard blows in the close fight until Gordon let loose a series of lefts and rights to the head midway of the tenth round.

Pacheco started to wobble and as Referee Harold Valan moved in to look at him he collapsed over the middle strand of ring ropes.

Pacheco's seconds pulled him off the ropes but fell over on his back unconscious.

Roseburg Swimming Team To Begin Workouts Soon

All swimmers who have signed up for the Roseburg Swimming Team will report to the pool this weekend, depending on the day the pool opens. They will report on either Friday or Saturday at 4:45 p.m., reports coach Don Jacklin.

Jacklin said the swimmers have already started working on individual training at home in preparation for the season.

Seven meets have been placed on the Roseburg agenda for the summer. Others will probably be slated, including some for the junior varsity.

Those in which the Roseburg varsity will take part are: Medford relays, July 9; Grants Pass dual meet, July 16; Southern Oregon Invitational at Roseburg, July 23-24; Bend Invitational, July 30-31; Grants Pass Invitational, Aug. 15-16; North Bend Invitational, Aug. 22-23; and Portland Junior Olympics, Aug. 27, 28 and 29.

Jacklin says this schedule includes all the top teams in the state outside Portland.

Two-Horse Race Seen By Jockey

NEW YORK (AP) — Jockey Bobby Ussery calmly analyzed the Belmont Stakes and came up with (to him) the obvious answer today.

"Strictly a two-horse race," he said, "Bally Ache and Tompion. And the way Bally Ache beat the other one in the Jersey Derby, there's no doubt as to how it will finish. Bally Ache will win."

Ussery, of course, is prejudiced. He is Bally Ache's jockey.

Bobby has been practically living with Bally Ache. Monday he took the big colt on his final big workout for Saturday's Belmont Stakes and was caught in 1:46 for the mile.

Crown Eyed

The Belmont has more than ordinary interest for Bally Ache. A victory and he clinches the 3-year-old crown.

The Belmont is a longer race, a mile and a half, but the distance couldn't worry Ussery less.

"What difference does the distance make," Ussery shrugged. "My horse can run all day. Tompion had us headed at the eighth pole in the Jersey Stakes, but we were running away from him in the last sixteenth."

Trainer Jimmy Pitt is just as confident as Ussery.

"The amazing thing about Bally Ache," observed Pitt, "is how he keeps his form all year."

"He's definitely not a work horse," Pitt said. "If Bobby doesn't keep with him, he has a tendency to flop all over the place. But he always feels good. He even comes out of his workouts playing. Some horse."

The pitching was excellent and idleness was a virtue Monday in the Pacific Coast League's hot-tailed schedule.

Chet Nichols, southpawing a four-hit, 3-0 victory for Vancouver over Sacramento, topped the league-leading Solons into a near tie with Spokane and did the rest of the league a favor.

Idle Tacoma, Seattle, Salt Lake City and Portland each gained half a game on the losing Solons without turning a southpaw or righthander finger.

Spokane got a sterling hill performance from Billy Harris, whose righthand slants were solved for only three hits by San Diego in the 4-1 Spokane victory.

Not content with his mastery of Sacramento on the mound, Nichols singled in the third inning and scored the first Vancouver Mountain run, then singled again in the fourth to push home Steve Jankowski with the final Vancouver tally.

He held Sacramento scoreless until Bill Shields, pinch hitting, singled in the sixth inning.

Harris got all the aid he needed in the first inning when Spokane scored three runs, two of them on a Charlie Smith's sixth home run of the year.

The win was Harris' fifth in a row and sixth of the season, although an arm injury forced him to turn over the finishing chore to Ed Palmquist in the ninth inning.

Brundage, Edwards Mound Picks For Wednesday League Openers

The Northwest Legion Junior defending champion Lockwood Motors team of Roseburg will open its 1960 home season Wednesday night by facing the South Eugene nine in a doubleheader.

The Roseburg crew opened the season in Medford Saturday night with a twin-killing, 3-1 and 6-1 and added two wins from Grants Pass Sunday, 11-9 and 7-1.

Roseburg coach Bill Harper today expects to see the South Eugene team field a tougher nine than the Lockwoods faced at Medford or Grants Pass. Harper said South Eugene has one of the finest pitchers in the state and will probably throw him in one of the two games here Wednesday night.

The first contest is slated to get under way at 6:30 p.m.

Brundage Due

Harper said he'll open with righthander Mike Brundage on the mound for the home opener. This will be the first start for the 19-year-old Brundage, who played some Legion Junior ball last year.

For the second game of the twin bill, Harper plans to start with Drayton Denny Edwards. He said Royce Kiser will probably see some mound action in this game also. Both are righthanders.

Chuck Hiney, one of three starters returning from last year's championship aggregation, will be behind the plate both games.

The other returnees from the title nine are second baseman Jim Jarvis and shortstop Marvin French, both of whom will be in front-line roles Wednesday night.

The infield will be rounded out with Dennis Arana at first and Gordon Avery on third.

Outfielders Listed

Starting in the outfield for the first outing in front of hometown fans will be Doug Coplin in left, Bill Franks in center and either Ron Polley or Joe Brady in right.

Harper, who said he was well

impressed with the Lockwoods in their opening twin win, declared he feels the local crew has a strong infield, but lacks experience in the outfield.

He said the hitting Saturday night was encouraging, but again added he expects to see much tougher pitching thrown against his team here Wednesday night.

The local nine beat South Eugene in both meetings of the two teams last year.

Jackson Claims Sixth Straight

ST. LOUIS (AP) — Pitcher Larry Jackson of St. Louis, winner of six straight games, says his 7-5 record would be better except for carelessness. And, he says, there'll be no more of that.

The Cardinal right-hander won his sixth straight game Monday night as St. Louis defeated Philadelphia 5-2. The Phils bunched three of their seven hits for both runs in the first inning. From that point on, Jackson had control. He struck out nine and didn't walk a man.

In his last six triumphs, Jackson has given up 12 runs, 10 of them earned. That compares with 20 runs permitted in his sad start this season, when he lost five games and won only one.

Jackson said he has been able to concentrate better in the past six games, although he noted that his first two losses were by margins of 3-1 and 2-2.

Pitching coach Howie Pollett said, "Carelessness is one of the things that has kept him from being a big winner." But Pollett said the team had occasionally let down Jackson on defense and at bat.

Melrose Church Stops Lutherans

Melrose Community Church scored a 14-9 victory over Faith Lutheran Church in YMCA League action Monday.

The Melrose squad wrapped up the game with four-run outbursts in the first, third and sixth innings. Its show was punctuated by four home runs, two of them by S. Gausnell. He had homers in the first and sixth innings. R. Gausnell added one in the fourth, and C. Lash hit one in the third.

The Lutherans weren't asleep at the plate, however. Ed Lorenzen got the team's first run with a homer, and Dick Withnell added the last in the seventh with another homer.

The Lutherans had single runs in the first three and last innings, three in the fifth and two in the sixth.
