ADAM AND EVE

While we was 'a talkin' to an old friend down on the South Fork, he said he was 'a thinkin' about buying a new FORDSON DEXTA DIESEL TRACTOR and a new FORD FLEXO HITCH DISC HARROW, and' a used grain drill. But says my triend, "Things are so unsettled". Now from where I am lookin', seems like things have been unsettled ever since Adam and Eve got mixed up in that Apple deal several thousand years ago and had to leave the Garden of Eden and go sow their own grain and grass seed land they didn't have a Ford tractor either), and so, whether you are just 'a startin' out, or you wanto increase your farming acreage—if you are interested in dain' a little sowin' on your own, why dantcha come on over and let's do a little dickerin'.

Used 8N Ford tractor completely reconditioned and guaranteed. A feller over on Cleveland Rapids road folked us into taken this in trade on a Ford with Red Tiger engine. It wouldn't be hand for you to talk us suit of this most popular used fractor.

International Formall model Mitratter completely reconditioned and repointed inor that the point makes 'ern run any better). Allis Chalmers Model C with plow and cultivator.

Allis Chalmers Model C.A. Re-conditioned, repainted and ready to go.

Used Alias Chalmers W. C. tractor with aide mower — of course it's got a self staties and loads of power. This avange plaw boy was traded in to us on a new 861 fand tractor with live P.T.O. traded in by a very successful farmer out bookingslass way. He is sure as shoutin' having lot of ten out their riding around on his NEW PORD, but I can't have only fun or go huntin' either until one of you nice one fact farmers comes in and talks as outa this tractor. We have a plaw and disc that outif go a long at slight extre charge. Used 9th fined tractor. Used PN Ford tractor - Lights

Remember we love to trade. Your clid tractor will probably make the don't. This little power plant was traded in an a better used tractor, a long, long time on the balance.

a long, long time on the balance, an Quint's Creek.

Used Massey Fergusen hey haiter, 1959 model with engine. Fermer more and viz senson, "Uncls" Offic says \$600 less than what it sold for new.

P. S.— on over and let's talk about addin' a little HORSE SENSE to your horse power.
