YOUNG'S BEST BUYS

Wouldn't you be thrilled too, to know why folks keep coming back to your office after dealings of 10, 20, 30 or even more than 40 years ago, just to hear them say, "We were satisfied with our treatment."
Could that be the secret of success for the House of Young's over these 45 years of pleasant associations and service to and with the many fine people that make up the Umpqua Valley?
As our listings are taken off the calendar because of sales, we need new listings to take their place, in order to meet the needs of our ever expanding clientele.
We never aim to use a lot of superlative adjectives or high pressure salesmanship in order to induce you to sell or buy. It's the plain facts we both like to know, in order to deal in confidence and mutual respect.
Come in and see us with your problems, whether it's a humble cottage, a modern home, a home in the country or a good diversified farm, or even to the very best in stock ranches.
