"We'll Bury You!"

says NIKITA KHRUSHCHEV

This is the language of fear. 79 million people on the brink of Communism hear it every day. These are the people in the Iron Curtain countries bordering Soviet Russia.

"We'll bury you," Khrushchev says to the Free World... and Europe listens... and wonders. Who will answer this communist lie? Who will take up the challenge? You can by supporting RADIO FREE EUROPE.

RADIO FREE EUROPE is a privately sponsored organization that depends upon individual Americans like yourself for its very existence. RFE broadcasts the truth to the millions behind the Iron Curtain awaiting the Free World's answer.

Will you support the truths you live by? Will you give a dollar, five dollars, more? Look in your heart for the answer.
