

Jarvis Named To Second All-Star Team

Flashy Indian Guard Chosen 'Scholastic' All-American

Jim Jarvis, flashy guard for the Roseburg Indians 1961 basketball team has been named as a prep All-American choice for the second time this year.

Jarvis was recently named to the sixth annual All-American

Before the season started the nimble guard was named as a second All-American choice in the Dell Sports Magazine.

The Scholastic award, which is the most recent one, adds to a long list for the 6-9 star. Jarvis has been named to all-conference and all-state teams since beginning his hoop career at Coquille as a freshman.

During basketball season the spunky backcourt star was the sparkplug of the Indians drive to the District 5-A-1 crown and a berth in the state tournament. Jarvis not only led the Indians in scoring, but was the top scorer on the A-1 prep scene in the state.

In addition to being a top athlete at Roseburg where he competes in baseball as well as basketball, Jarvis is an honor student and a member of the National Honor Society.

JIM JARVIS honored for 2nd time

team chosen by "Scholastic" magazine. This came after his selection to the first team All-American squad picked by "Parade."

MAJOR LEAGUE ROUND-UP

St. Louis, SF Giants Tie For Second Behind Cincy

BY THE ASSOCIATED PRESS Charlie Dressen has a tendency to pop off but even his detractors admit he usually knows what he's talking about.

The outspoken Milwaukee manager has maintained all his Braves need to win the pennant is a strong bullpen. He blames last year's failure to win the flag on the flop of relief pitcher Don McMahon.

Dressen's claim received strong support Thursday night when the Braves overcame a 6-1 deficit with five runs in the ninth inning and one in the 11th to nip the Philadelphia Phillies 7-6.

After starter Lew Burdette was raked for 10 hits in the 4-2-3 innings, the Phillies got just six hits. Ron Piche picked up the victory.

Tie For Second St. Louis and San Francisco climbed into a three-way tie with Pittsburgh for second place, one half game behind the National League leading Cincinnati Reds.

The Cards thumped the Los Angeles Dodgers 11-2 and the Giants whipped the Reds 2-1. Chicago's Cubs shut out the Pirates 3-0.

In the American League, New York swept a doubleheader from Los Angeles 7-5 and 4-2. Detroit trounced Cleveland 11-4 and the Chicago White Sox defeated Washington 6-1. The other AL teams were not scheduled.

Pinch hitter Mel Roach's three-run homer and Frank Bolling's two-run double produced the tying rally for the Braves in the ninth. Two innings later, Roy McMillan, hit by a pitched ball by Johnny Buschardt, scored the winning run on a single by reliever Phil M. Big.

The Phils' big inning was the fifth when they got four runs on four hits including a three-run homer and Frank Bolling's two-run double produced the tying rally for the Braves in the ninth. Two innings later, Roy McMillan, hit by a pitched ball by Johnny Buschardt, scored the winning run on a single by reliever Phil M. Big.

Professional baseball made its debut in Hawaii Thursday night and the Islanders got off to a winning start as they raised the curtain for the 1961 season in the Triple-A Pacific Coast League.

A crowd of 6,041, described as disappointing, watched as Chuck Harmon rapped a pinch single in the ninth to give the Islanders a 4-3 win over Vancouver in the season opener.

Three more openers were on tap Friday as the league headed into the 1961 schedule.

Spokane, the defending champion, scheduled a day-night doubleheader at Tacoma; Seattle was slated for a similar split bill, at San Diego, and Portland had a pair at Salt Lake City.

homer by catcher Clay Dalrymple. Right hander Glen Hobbie won his first game of the season for the Cubs with a six-hit shutout over the Pirates. He struck out seven and walked one.

Mike McCormick won a south-paw hurling duel from Jim O'Toole permitting only four hits for his second Giant victory. Until he gave up a run in the ninth, he had hurled 17 straight scoreless innings. Giant manager Al Dark shook up his lineup, benching Willie McCovey, Eddie Bressoud and Charlie Hiller. He moved Orlando Cepeda from left field to first base, Harvey Kuehn from third base to right field, Felipe Alou from right to left and played Jimmy Davenport at third, Jose Pagán at short and Amalfitano at second.

The Cards pounded Dodger starter Stan Williams and his inept relievers for 17 hits including a pair of home runs by Daryl Spencer and another by Ken Boyer. St. Louis second baseman Julian Javier had four hits. Curt Simmons, with the help of Bobby Miller, won his first game of the season.

Although Limited, Fishing In Umpqua Should Be Good

BY THE ASSOCIATED PRESS Angling prospects are generally good for the opening of the trout season in some areas of Oregon this weekend. Weather conditions and stream flow will keep prospects only fair in other areas.

Central The lower Deschutes River is low and clear. There should be good to excellent success in the Mainp area. Blue Lake in Jefferson County is expected to be good for rainbow. Ochoco Reservoir is producing fair to good catches of rainbow. The Deschutes River below Bend is clear, and good catches are expected in the Lower Bridge, Glade Falls, Bend, Grandview, and Warm Springs areas. The Crooked River at Cove State Park should produce good angling for rainbow, Dolly Varden, and brown trout.

Northwest The Tillamook - Nestucca area lakes should provide good trout fishing. Devils Lake is expected to produce good cutthroat trout averaging about 11 inches. Bass angling is good in Silcoos and Tahkenitch lakes. The west side Willamette tributaries are usually best for early stream fishing. Small valley streams are at their best for native trout. Anglers wishing to make boat trips may find excellent results by trolling or casting down the lower Santiam or some of the larger west side streams. The upper Willamette streams are in good condition, and most are stocked.

Southwest Trout season opens this Saturday on the Copco impoundments and on the North Umpqua and tributaries above Soda Springs dam. No other streams in the Umpqua watershed are open for trout until May 27. Lakes in the lower Umpqua system have been stocked and opening weekend should be good. Opening of the trout season in the early waters of the Rogue basin should be exceptionally good because of the advanced spring season. The general opening of streams in the Rogue basin will not be until May 27. Only the upper Rogue above Laurelhurst Bridge and Big Butte Creek above Cobleigh bridge are open this Saturday.

Sutherlin dominated the four way Junior High track meet at Glide Thursday, downing Joseph Lane, Myrtle Creek and the host team in the cinder action.

The Sutherlin thinleads swept to an 88 point total in the lightweight division, followed by Jo Lane with 37 counters. Myrtle Creek and Glide each had 14 points. In the heavyweight action the Sutherlin tracksters rolled to a total of 120 1/2 points, with Jo Lane placing second with 43 tallies. Myrtle Creek finished third in the heavyweight division with 12 1/2 points, while the host Glade Red Devils had only nine counters.

In the lightweight action the winners took six first place awards, then grabbed eight first and a first place tie in the heavyweight division. Joseph Lane's Pioneers had two firsts in each division, while Glade had a first in the lightweight and Myrtle Creek tied for a top honor in the heavyweight competition.

Trout angling in the John Day drainage streams should be only fair because of rising stream flow. Streams in Morrow, Gilliam and Wheeler counties are in good condition. Trout angling is expected to be excellent in McKay Reservoir with rainbow averaging about 9 inches in length. All streams are in good condition and good catches are expected from the Umatilla River and upper Birch Creek.

Southwest Angling in the Snake River has slackened off, but some nice largemouth bass, bluegills, and some channel catfish are being taken in sloughs adjacent to the river. Dog Lake continues to provide good angling for perch and some bass.

USC's Rex Cawley has done a 46.2 in the 440 compared with the stadium record of 46.6 set here 20 years ago by Hubie Kearns. Cawley also has run the 220-yard low hurdles in 22.5 compared with the record of 22.2.

In the high hurdles, USC's Bob Pierce has done 13.9 and Oregon's Kerry Tarr 14.1, the latter without being pressed. So the stadium record of 14.0 appears in jeopardy. The same is true in the mile relay where the Trojans did a 3:07.9 last weekend and the mark is 3:11.4 set by a Stanford team in 1954.

In the sprints, Oregon's two-man punch features Roscoe Cook and Harry Jerome. The latter has a world record equalling 9.3 in the 100 and Jerome a 9.4.
