

Drain Nine Invades Roseburg's Legion Field Tonight

Tw-Night Doubleheader Slated; Top Hurlers Cool, Foote To Battle

Doug Lane Legion League action today will find the Drain nine invading Legion field for a twin-bill with the Roseburg team.

Starting time for the doubleheader is 6:30 p.m. standard

time. The first game between the two Douglas County Legion squads will last seven innings, with the nightcap scheduled for five. Both outings will count in the league standings.

Roseburg and Drain are currently tied in league play with identical 2-0 marks. Roseburg's two wins came over Myrtle Creek, while Drain won a pair from Cottage Grove in the first round of action.

For the season the Lockwood Motors team of Roseburg has a 7-1 record. In addition to the league wins, the local nine has two wins over Crater and three wins over Klamath Falls. The lone loss suffered by Roseburg was a 4-2 setback in a 16 inning marathon with Medford.

Drain has a 6-1 season record, winning three non-conference vic-

burg will be straight from a three game sweep against Klamath Falls, and will be hoping to extend its five game win streak. Drain has won four in a row, with its last outings being the league openers against Cottage Grove.

Foote, Hobbs Ready
Roseburg coach Bill Harper will have Arlan Foote and Tom Hobbs ready to work for the Lockwood Motors team against Drain. Hobbs has a 2-0 record for the season, while Foote is 1-1. For relief duties, Ron Lake, Mike Brundage and Walt Demonds will be ready to go if needed.

Drain's probable starters will be Ran Cool and Dwight Pontius. Cool, the left handed ace for the northern Douglas County team, has been rough on opponents thus far this season. Against Myrtle Creek he struck out 16, then whiffed 12 against Cottage Grove. For relief work coach Ted Bennett will have Ron Revelle, Dwight Pontius and Robert Sowell.

Catching for Roseburg will be Jim Beamer and Chuck Hiney, while Gary Cox and Jerry Reeves share the duties for Drain.

Roseburg's infield will have

PHIL THORMIN

Lake at first, Jim Jarvis at second, Lyle Charon or Bob Manning at short, and Gordon Avery at third. Charon or Manning will fill in for Mary French who is attending Boys State. Spelling Lake at first base for Lockwood Motors will be Glen Fortune.

In the outfield Harper will have Larry Burr, Phil Thormin, Doug Coplin, Ron Polley, Hiney, Edmonds and Manning. Burr, Thormin and Coplin are the probable starters.

The infield for Drain will be Roger Russell at first, Jim Johnston at second, Gary McDonald at shortstop and Denny Carney at third. For the outfield Drain will have Scooper Lee, Sowell, Reeves and Blomberg. Also scheduled for action is Tom White.

Because Drain has only 13 players on the roster it is necessary for some of the boys to play more than one position during the games. When not pitching Cool, Pontius, Blomberg and Revelle will all be in the lineup at other positions.

NUB BEAMER, ex-Roseburg and Oregon State star, will be appearing in the Greater Seattle Canadian Grid Classic July 29 when the Vancouver Lions tangle with the Saskatchewan Roughriders. Along with Beamer in the star-studded game will be Bob Schloredt, ex-Washington Rose Bowl star, Beamer, hard-hitting backfield ace for the Vancouver Lions of the Canadian pro football league, recently participating in the varsity-alumni football game at Oregon State and came away singing the praises of the 1961 Beavers. During his collegiate career for the Beavers, Beamer led the OSC team to a Rose Bowl appearance.

Site Of National Open Termed 'A Monster' By Bobby Rosburg

BIRMINGHAM, Mich. (AP) — Oakland Hills, where the 61st National Open golf tournament will be played starting Thursday, is "a monster" under normal conditions.

Seared by that kind of heat that has locked the Detroit area in its grip the last 24 hours, says Bob Rosburg, "it could make it impossible."

Rosburg, as knowledgeable a golfer as you'll find in the list of 149 challengers to defending champion Arnold Palmer, had just trudged in from another practice spin around the 6,907-yard, par 35-

35-70 course on a day the thermometer rocketed to 91.

Bob, former PGA champion now registering from Portland, Ore., shot a 2-under-par 68 and, except for the heat and the weatherman's hint of more of it, might have been a good deal more optimistic.

Ben Hogan, who won his third of four open titles the last time America's golf classic was played here in 1951, is the one who has tabbed Oakland Hills — with its skinny fairways, fat traps, rolling greens and lush, thick rough — "the monster."

"It's tough enough as it is," said Rosburg. "The greens right now are in pretty hush shape and they're still a real challenge. If this heat should continue, and dry them out some, it's going to be impossible."

As tailor-made by golf architect Robert Trent Jones, Oakland Hills has bundles of fairway traps spotted just about where most of the top hitters usually drive. To avoid them, the cautious will have to play short — leaving long second shots to most of the par 4 holes. Many of the greens are heavily trapped in front, side and back. A golfer has to hit full to the green on his approach to avoid the front sand, yet not too full or he'll windup in a trap beyond.

Husky, bronzed Palmer hustled back here after a couple days off for exhibitions and other appearances and shot a warmup 69 — a score matched by former PGA champion Doug Ford, who beat Arnie in the sudden death playoff of the Speedway 500 tournament at Indianapolis two weeks back.

Gary Player, the South African who won the Masters title when Palmer blew to a duffer's 6 on the last hole at Augusta, has been looking at the course from all angles — playing as many as four balls on some holes.

White Sox To Hold Opening Day Ceremonies At Wednesday's Game With Coast Area Nine

The White Sox will hold delayed opening ceremonies Wednesday at Legion Field after the weekend rains kept the Roseburg semi-pro club from carrying out the plans Saturday.

Wednesday, the Sox will host the Coos Bay-North Bend Lumberjacks in a single Oregon State League outing set for 8 p.m. daylight time. Preceding the game the players will be introduced to the fans, and the Krautworst Konzert band will entertain.

Saturday the White Sox opened the 1961 season with a thrilling 5-4 victory over the Santiam Loggers, but the rain which fell up to game time prevented the opening ceremonies from being held, and kept the fans away from the park.

Manager Mike Coen has announced Steve Clark as the starting pitcher against the Lumberjacks. Clark started the game against Santiam, pitching excellent ball up till the seventh inning when he ran into trouble. In reserve Coen will have himself, Bob Whipple, Marty Vogler and John Livingston. Whipple and Livingston have been named as the probable starters against the coastal team in Saturday's doubleheader.

Myers Behind Plate
Behind the plate for the Sox will be Tom Myers. Myers, all-state catcher from South Eugene, is the only backstop on the Roseburg roster at the present time.

Holding down first base for the White Sox will be Ron Beamer, with Gene Wagner and Terry

Markham held in reserve. Second base will be handled by Dave Cellers, with Jim Dietz completing the double play combination at short. Rod Trask will be at third for the local nine, while Ted Kolberg will

provide utility depth for the infield.

In the outfield for the White Sox will be Les Bogner in left, John Livingston in center and Rick Summers in right. Larry Hink will add reserve strength for the Roseburg outfield.

Aiding Coen with the managing of the team will be George Sand-

ers, while Ken Ayres serves as coach for the White Sox.

The probable starter for the Lumberjacks in Wednesday's game is Tom Younker. Younker, played high school ball for North Bend and is now pitching for Linfield. Other pitchers on the Lumberjack roster are Gary Hargens, Chuck Johns and Clayton Smith.

Lineup Announced
Mike Payne and Chuck Amsbury are set to share the catching duties for manager Curly Lenninger's Lumberjacks. Other probable starters for the coastal nine include infielders Chuck Whittick, Terry Lenninger and Jeff Allen.

Johns, Terry Lenninger and Allen all completed for the North Bend Bulldogs during the 1961 prep season. Payne and Amsbury are also from North Bend where they played high school and Legion ball. Payne is now attending Brigham Young University.

Grants Pass Coach Named Sutherlin High Grid Head

Ted Tenney from the South Junior High in Grants Pass has been selected as head football coach for the Sutherlin High School, according to an announcement just made by Leland P. Linn, superintendent.

Tenney has made a fine record at Grants Pass during the last three years as a coach and is highly recommended by his associates in that system.

He was a star athlete in the Ashland High School and Southern Oregon College where he lettered for three years in football, three years in basketball, and two years in track. He spent his freshman year at the University of Oregon where he lettered in track under Coach Bill Bowerman.

"As an athlete Ted Tenney was one of the greatest performers that I have known," said Superintendent Linn. He added that he is confident that Tenney will produce in Sutherlin.

At Grants Pass Tenney was president of the Teachers' Association and as a high school senior he was president of the Ashland High School Student Body.

To Coaching Staff
Wallace Parmelee of the Sutherlin Junior High School is being promoted to the High School coaching staff. His coaching record in

Sutherlin for the past three years has been excellent and for this reason has been offered this advancement by the administration.

At the high school he will be head track coach, head wrestling coach, and assist in football. His classroom assignment will be physical education and science.

The Sutherlin Junior High had an outstanding year in athletics this year. Parmelee's track team won five out of six meets and was the champion of the Umpqua Valley Junior High School League. He was the line coach for the football team which won five out of six games last fall.

In announcing Parmelee's advancement Linn pointed out that the administration was pleased to be able to promote one of the regular staff to this position.

Mark Names Red Hat Committee Members

Gov. Mark Hatfield this week announced the appointment of members of the state Red Hat Days Committee to coordinate this year's state-wide program aimed at encouraging good outdoor manners among those who visit Oregon's forests, fields, and streams.

Committee members are John Ball, Sweet Home; Gerald Detering, Harrisburg; Roy Beadle, Portland; Ed Coles, The Dalles; Madison R. Smith, Portland; Francis Stokesberry, Bend; and Irv Luiten, Portland. Detering, who is president of the Oregon Farm Bureau Federation, will serve as chairman of the group. Other committee members represent livestock interests, timberland owners, outdoor groups and sportsmen's organizations.

Hatfield said the 1961 Red Hat Days program will include a poster and essay contest on the theme "Why Observe Good Outdoor Manners."

"All those who enjoy Oregon's rich outdoor heritage should be conscious of the continuing need to be law abiding, respect the rights and property of others, and exercise care with fire and firearms," Hatfield said.

"The Red Hat Days program, with its emphasis on Good Outdoor Manners throughout the year, and particularly during hunting season, should have the support of all our citizens."

County committee chairmen, to coordinate the program at the local level, will be named later.

Rose Bowl Question Issue At Big 5 Meet

SEATTLE (AP) — Representatives of the Athletic Association of Western Universities (Big Five) buckled down in business sessions at their annual spring meeting Tuesday with the Rose Bowl football program high on the agenda.

The question of permitting Big Five schools to appear in the bowl in consecutive games appeared to be becoming an issue.

Washington played in the bowl in 1959 as a member of the then-dissolving Pacific Coast Conference and repeated last year as the representative of the Big Five.

final decision, were reported split over whether to adopt the rule for the new conference.

The meeting here also will consider whether to renew the Rose Bowl contract with the Big 10 but the question is not expected to arise before the end of the week.
