

Cries Of 'Hi, Joe' Greet M'Arthur On Latest Visit To Philippines

MANILA (AP) — Huge crowds stood for hours in drenching monsoon rains today to catch a glimpse of General of the Army Douglas MacArthur as he retraced the route his troops took to liberate Manila from the Japanese in World War II.

It was the fourth straight day that Filipinos have poured out their affection for the 81-year-old soldier, here on a sentimental visit for 10 days.

School children stood under banana leaves or palm tree cloaks as the rain poured down. They

Officers Seek Kidnap Victim

MOAB, Utah (AP) — Officers searching the vast southeastern section of Utah for a killer-kidnap and a teen-age girl hoped today that the rugged country would be on their side.

Object of the search was Denise Sullivan, 15, of Rockville, Conn., and the man who kidnapped her after killing her mother, Jeanette Sullivan, 41, and seriously wounding her traveling companion, Charles Boothroyd, 55, also of Rockville.

The Federal Bureau of Investigation entered the manhunt on Wednesday, and Grand County Sheriff John Stocks said officers fear the girl may not be alive.

"He's not going to leave that girl alive to testify against him," the sheriff said. He estimated her chances for life at one in 100.

Boothroyd was flown to Salt Lake City where he underwent surgery for removal of two .22 caliber slugs from his face. He was in fair condition.

While the search for the murderer-kidnaper spread into nearby Colorado, New Mexico and Arizona, officers continued to concentrate in the Arches National Monument section north of Moab.

They said if the fugitive is still in southeastern Utah the country will eventually prove to be on the side of the hunters. It is rocky, barren, and cut by deep canyons. Officers know where there is water. If the fleeing man also knows, he may be trapped at a water hole. If he is a stranger, he may find himself and his young girl hostage dying of thirst.

The sudden flurry of shots which killed Mrs. Sullivan and wounded Boothroyd erupted on Wednesday evening when the Connecticut travelers stopped to help a young man they had been talking to only a short time before at scenic Dead Horse Point. He pretended to have engine trouble, then suddenly produced a .22-caliber rifle, shot and robbed them, then kidnaped the girl.

Consumer Complaints Follow Hearings

WASHINGTON (AP) — Recent Senate Antitrust subcommittee hearings on deceptive packaging and labeling practices have started "a virtual consumer uprising," Sen. Philip A. Hart, D-Mich., said today.

He is chairman of the subcommittee.

Hart said his office has been inundated with hundreds of packages, labels, and actual products submitted by consumers protesting against misrepresentation of the product involved.

He said at least one trade association, the Produce Packaging Association Inc., of Newark, Del., already has informed him that as a result of the hearings the association has formed a trade practices committee.

The association said the committee will establish "a code of packaging practice standards for industry adoption in cooperation with other trade associations."

Khrush Announces N. Korean Treaty

MOSCOW (AP) — Soviet Premier Khrushchev announced today the Soviet Union and North Korea have signed a mutual defense pact to counter a growing threat of aggression by South Korea.

He said the recent coup in Seoul established "a regime of open military-Fascist dictatorship."

"The threat from the military-Fascist clique is growing. It is known that this clique has an army of 600,000 equipped with American weapons," Khrushchev added.

"We consider it our duty to warn the aggressive forces that if an attack is made on the Korean Democratic Republic, then the Soviet Union will look upon this attack as an attack upon itself."

Khrushchev made the announcement at a Soviet-Korean friendship meeting in Moscow.

Publication of the pact, seemingly means that the U.S.S.R. is openly replacing Communist China as North Korea's chief protector. It was Communist Chinese "volunteers" who intervened in the Korean War. The Soviet Union always claimed it took no part in that fighting, although Soviet-built MIG fighter planes and other weapons were used on the Communist side.

THE MOTHER INSTINCT — This 9-month-old female pooch, owned by Mr. and Mrs. John Wilton, 1314 NE Beulah Ave, Roseburg, seems to have the mother instinct without being a mother. The dog took over the job of suckling two baby kittens from their mother, who is shown casually looking on. Mama cat has several other kittens to worry about. The Wiltons now have a grand total of 15 cats. Three mother cats, who have all had kittens, actually belong to the Wilton's three children, John, 13, Doreen, 9 and Dean, 5. By the way, they are looking for some homes for the kittens — interested? (New-Review Photo)

The Bell Tolls Today For Ernest Hemingway

KETCHUM, Idaho (AP) — The bell tolled today for famed author Ernest Hemingway who was to be laid to rest in a tiny well kept cemetery in the heart of the hunting valleys he chose as his home.

Members of the family planned to gather in the cemetery to meet the hearse carrying the dark gray metal casket.

The Hemingway home overlooks the little valley where the grave was dug Tuesday for the 61-year-old Nobel and Pulitzer prize winner.

Hemingway died Sunday of a shotgun blast in the head. It was ruled self-inflicted. But authorities made no determination as to whether it was accidental or on purpose.

The Rev. Robert J. Waldmann, pastor of Our Lady of the Snows Catholic Church at nearby Sun Valley, will conduct the simple rites. He said there would be no eulogy, but a meditation on death. The only time Hemingway's name was to be mentioned was in the closing prayers.

The author's fourth wife, fondly known as Miss Mary, will make her first appearance since the death. She has kept isolated in the house while members of the family made the sad journey to this southeastern Idaho resort area for the funeral of the writer whose tempestuous life was mirrored in

his famous books.

The family — which includes three sons, a brother and three sisters — was together for the first time in 30 years.

It was Hemingway's oldest son, Jack, the first member of the family to arrive after the death, who picked out the casket. Other members of the family have not seen it. Neither have they viewed the body which has been kept at a funeral home in Bailey, 12 miles away.

There were reports Idaho State Police would be brought here to guard the cemetery gates. The public and the press were to be kept outside the wire fence.

One of the pallbearers, Forest MacMullen, Las Vegas, Nev., hotel executive, said Miss Mary "is taking it very well, but she is very, very upset. I admire her for the way she is taking it."
