

# Roseburg Juniors Avenge Albany Loss

## White Sox To Host Cascade In Non-Leaguer Tilt Tonight

The Roseburg White Sox will play host to Cascade in a non-league game starting at 8 o'clock tonight at Legion Field.

White Sox manager Mike Coen has slated either Gene Wagner or John Livingston for mound duty tonight. Both have one win and no loss records. Coen said that if Wagner starts on the hill tonight it will be in recognition of the fine relief performances he's turned in during the past few weeks.

Wagner's win was a victory over Cascade in relief.

**Fifth Meet**

This will be the fifth meeting of the year for the two clubs. The White Sox go into tonight's contest with a 3-1 season's edge over the Eugene area squad.

Coen said he figures to see either John Younger or Steve Dunc on the hill for Cascade.

Dick McClain, currently rapping the ball at a .440 clip, will share the catching role with Tom Myers, who's hitting .237 for Roseburg tonight.

**Beamer Belts Ball**

Elsewhere around the infield, Coen has named Terry Markham, with a current batting average of .254 to start at first base, Dave Cellers, hitting .230, to start at second, Jim Dietz, .348, at shortstop and Rod Trask, .214, at third base.

Ron Beamer, who is belting the ball at a .441 clip, will receive the starting nod for the center field post. Les Bogner, holding a .309 average, will be in left field, and Rick Summers, now hitting .205, will be in right.

## Quiescent AL Big Guns Back On Duty

**By THE ASSOCIATED PRESS**

The major league pennant races interrupted by a wild wind in San Francisco, pick up again today with the All-Star game heroes back in the pack in the National League running and the All-Star game goals on the threshold of first place in the American.

The New York Yankees, whose slugger, Mickey Mantle and Roger Maris, contributed just one single between them in seven trips as the NL beat the AL 5-4 in 10 innings at San Francisco Tuesday in the windswept All-Star game, play at Chicago tonight and could regain the lead from idle, first-place Detroit.

**Percentage Point Back**

New York slipped one percentage point behind the Tigers Sunday before the majors started the three-day All-Star game break.

In the National, the Cincinnati Reds take a five-game bulge into the opener of a four-game series with the seventh-place Chicago Cubs at Cincinnati. The second-place Los Angeles Dodgers, with pitcher Don Drysdale sidelined by suspension and catcher Norm Sherry sidelined by injury, start a three-game set at home against last-place Philadelphia.

Roberto Clemente of Pittsburgh drove in the winning run in the All-Star game and Willie Mays of San Francisco, who batted in the tying run and scored the clincher, go back to battling against each other as the third-place Pirates play the Giants this afternoon at Candlestick Park, San Francisco's Cave of the Winds.

The other NL game sends Milwaukee to St. Louis tonight.

In the American, it's Baltimore at Boston, Minnesota at Cleveland and Kansas City at Washington.

The Yankees, 3-2 over the White Sox this season, send Bill Stafford (7-4) against Chicago and Early Wynn (7-1), the right-handed veteran who will be shooting for his 292nd career victory and sixth in a row. New York figures to have first baseman Bill Skowron back and doesn't expect to be without Mantle, who injured his wrist while batting in the All-Star game. Skowron injured his back once again in pregame practice on Sunday.

Tom Zuck pitched a no hitter to lead Glide to a 4-1 victory over Roseburg No. 1 in Pee Wee League action Tuesday. This 11 and under game saw the one Roseburg man who scored get on base on an error. Zuck, Jim Huseby and Bill Correll each got two hits for the winners.

Roseburg came back and won the 13 and under contest by a 4-3 score in four innings. Roseburg scored its tying and winning runs on wild throws in the top of the fourth inning. Steve Anderson was on the mound for Glide and Mike Kennedy did the catching.

The 16 and under game between these two teams will be played Friday.

ball at a .441 clip, will receive the starting nod for the center field post. Les Bogner, holding a .309 average, will be in left field, and Rick Summers, now hitting .205, will be in right.

Both probable pitchers for tonight's game are hitting above the .300 mark. Livingston has 20 hits in 66 trips to the plate for a .303 average, while Wagner has hit 4 for 13 for a .308 average.

**Above .300**

The only other White Sox now batting above the .300 mark are Coen, with 7 for 14, and pitcher Jim Smith, 1 for 2, both hitting an even .500.

Coen has the best pitching record for the club, as he currently holds a five won and no loss mark, with a 1.01 earned run average.

The White Sox go to Salem this weekend for a single game Saturday night and a double header Sunday.

## Joey Jay Tops ER Department

**NEW YORK (AP)** — Joey Jay, largely responsible for Cincinnati's rise to the top of the National League, is the circuit's earned run leader at the season's halfway mark.

The 25-year-old right-hander, obtained from Milwaukee last winter, has allowed only 39 earned runs in 132 innings for a 2.66 average, figures compiled by The Associated Press showed today.

Hoyt Wilhelm, Baltimore's relief specialist, striving for his third ERA title, boasts the lowest mark in the American League—.207. The veteran knuckleballer has worked 78 innings while giving up 7 earned runs. The leaders are based on 75 or more innings.

Jay has become one of the Red's mound aces with a 12-4 won-loss record. The 6-4, 225-pounder has completed 7 of his 17 starts with 2 shutouts.

Wilhelm has won 6 games and lost 4. The 37-year-old right-hander led the National League in ERA with 2.43 in 1952 while pitching for the Giants. As a member of the Orioles in 1959, Wilhelm topped the AL with a 2.19 average.

Johnny Podres of Los Angeles is runner-up to Jay with a 2.90 ERA, followed by San Francisco's Mike McCormick at 3.10. Podres, whose 9-2, .818 won-loss percentage leads the league, has issued 29 earned runs in 90 innings. McCormick, the senior circuit's ERA king last season with a 2.70 mark, shows 41 earned runs in 119 innings.

Bob Gibson and Curt Simmons, last year merely lent corroboration to what most National Football League folks have known for a long time — that Kyle is one of the game's great receivers.

**Labors As Decoy**

Up until last season, however, Rote had labored as a decoy. His assignment, in most instances, was to roam downfield and lure enemy defenders away from fellow Giant receivers.

Now in his 11th pro season and still limited by a knee injury dating back to 1951, his rookie year, Rote is not particularly fast or shifty. But his artistic feinting and tantalizing change of pace makes him one of the toughest receivers in the game to cover. However, he manages to get the ball, Kyle has been doing a good job of it for the Giants. His 45 touchdown catches are a club record. So is his total yardage of 4,003. He has caught 248 passes, second only to Gifford's 257, and should be undisputed giant leader in this department by the end of the 1961 season. One out of every five passes hauled in by Rote over the years has been for a touchdown. And every time he has caught an aerial, it has averaged out to a 16.1 yard gain for the Giants.

Rote will see action for the Giants when they play the San Francisco 49ers here at Muni Stadium Saturday night, August 12. Two weeks later, August 26, the 49ers will come back to play the Minnesota Vikings. Tickets for both games are available by mail through Oregon Sports Attractions, 510 SW Yamhill.

Glendale's Pee Wee and Little League ball teams played recently with Camas Valley. The Pee Wee team won its game 13 to 12, while the Little League team lost 5 to 6, according to Mrs. G. B. Fox, correspondent.

The next game will be played at 1 p.m. Saturday, July 15, between the Glendale and Riddle teams at Riddle.

**Vet Pilot Al Lopez Considers Retirement**

TAMPA, Fla. (AP)—Al Lopez, veteran baseball player and manager who has spent 36 of his 52 years in the game, said Wednesday he may retire at the end of this season.

However, in an interview with Ralph Warner, Tampa Tribune sports columnist, Lopez said he didn't know what it would be like to "be out of the game."

When asked directly if he planned on retiring, he answered: "Could be."

Lopez, pilot of the Chicago White Sox, has been a manager 13 years.

The Tampa native started playing professional baseball as a 16-year-old catcher in Florida State League. He spent 18 years as a major league before becoming a manager.

In Chicago, the Sun-Times said it had contacted Lopez in Florida

## Kyle Rote Top Receiver

It took ten years, but Giant end Kyle Rote finally got into the act. After a decade of serving as a decoy so other guys could catch passes, the former Southern Methodist University great wound up as the best of them all in 1961.

Given the green light by offensive coach Al Sherman, the 33-year-old Giant co-captain broke loose for 42 receptions, rolling up 750 yards and scoring ten touchdowns.

It was the most productive campaign of Kyle's distinguished pro career, and also the third best one-season receiving mark in NFL history, topped only by Frank Gifford's 55 catches in 1956 and Bill Swacki's 47 in 1949.

Rote's statistical achievements last year merely lent corroboration to what most National Football League folks have known for a long time — that Kyle is one of the game's great receivers.

## Brundage, Lake Share Duties On Mound; Coplin, Avery Rap Decisive Bingles

**By BILL SPARKS**  
**News-Review Staff Writer**

The Roseburg Junior Legion baseball team picked up a revenge victory Wednesday night as it downed the Albany Junior Legion 5-2.

Mike Brundage and Ron Lake shared the pitching duties for Roseburg, with Lake coming on in relief in the fifth inning and getting the credit for the win. The Lockwood Motors nine was ahead 3-2 when Brundage left the mound, but Junior Legion rulings say the starter must go five innings to get credit for the win.

The Lockwoods will take a breather tonight and then come back for a two-night double header with North Eugene Friday night. This Doug-Lane League twin bill will start at 6:30 at Legion Field.

### First Over Wall

Albany started off with a bang—what a bang—Wednesday night, as third baseman Wayne Hromos rapped a 2-1 pitch off Brundage over the Legion Field left field wall. This towering 320-foot home run by the first batter to step to the plate for the first one hit out of the park by a legion player this year.

The Albany crew muffed its golden opportunity to draw more blood later in the first inning, when first baseman Ralph McKecknie failed to step on third base while en route to the plate after a hit by Curt Graf. Gordon Avery quickly stepped on third base to force

out McKecknie, who had already crossed the plate with what would have been Albany's second run.

GORDON AVERY  
... Two for three

Roseburg tied it up in the bottom of the first, as shortstop Mary French led off by reaching first base on an error and moved to second on a passed ball. He scored on a single by right fielder Doug Coplin.

**Forge Ahead**

The Lockwoods went out in front in the bottom of the second when

catcher Jim Beamer singled, took second on a passed ball and scored on a single by Brundage.

Albany tied it up in the top of the third when All-Star shortstop Ed Vetter singled, took second when Avery dropped a grounder between third and short. This left Albany with runners on first and second and only one out, but Roseburg got out of the hole when French picked up a hot grounder, flipped it to Jim Jarvis for one out and Jarvis relayed it to first for a double play.

Roseburg took the lead back in the bottom of the third when Coplin hit a screaming triple to right-center field and scored when the second baseman dropped a pop fly by Lake and then made a bad throw to the plate. Lake scored later in the inning on a single by Gordon Avery to make it 4-2.

DOUG COPLIN  
... Blobs triple

### Final Tally

The final run of the ball game came in the fourth inning when French led off with a walk, stole second and scored on a triple by Jarvis.

In his four-inning stint Brundage gave up two runs on four hits and one walk. In three innings of relief (he started the fifth frame) Lake gave up no runs on three hits and one walk, while striking out three.

Rich Minshall went the route for Albany, giving up five runs on seven hits and one walk, while striking out five.

Coplin and Avery swung the big bats for Roseburg, each collecting three hits in two trips to the plate.

### Extra-Inning Leaders

NEW YORK (AP) — Maybe the New York Yankees and San Francisco Giants should receive additional pay for working overtime. They have the best major league records in extra-inning games.

The Yanks, only one percentage point behind Detroit in the American League pennant race, have won four overtime games and lost two for a .667 mark. The Giants have four victories, only one setback and one tie to head the National League with .800 figures compiled by The Associated Press disclosed today.
