The ball club was organized early in this spring and a board of directors elected which includes Hank Carey, president; Sheila Carey, secretary; Sam Shafer, Swede Villerup and Earl Whitfield as board members.

Local organizations and business establishments as well as individuals have contributed generously toward the purchase of equipment.

The fund raising committee consists of Mrs. Dorothy Wolles, Mrs. Dorlene Bratsch, Mrs. Elsie Koehler, Mrs. Ruby Kennerly and Mrs. Pat Montour.

At the start of the season 98 boys turned out to play ball. Since that time a few have dropped out for various reasons.

The home games are played each Wednesday at 7 p.m. at the Douglas High School for the most part.

Hydroplane Funds Refused By Board

RENO, Nev. (AP) — A spokesman for the Reno Regatta Association said Wednesday the Gold Cup hydroplane races at Pyramid Lake Aug. 26-27 will go on as scheduled despite a financial setback.

The Washoe County Fair and Recreation Board failed to vote a \$10,000 appropriation to build new boat facilities at the Indian-owned lake north of Reno.

Hotelman Charles Mapes, sparkplug of the regatta group, said earlier the boat classic might be called off if the money was not appropriated.

The regatta association met after the board vote and decided to use donations to build modest and temporary facilities if necessary.

The fair board will be urged to reconsider.

Meanwhile, it was announced that the regatta association plans to race its own boat—Miss Reno—at Pyramid.

She's the former Maverick, donated to the city by William Waggoner of Phoenix, Ariz., several months ago.

A spokesman said Miss Reno may also enter the Seafair at Seattle.

Pender Sits It Out Because Loss Certain

LONDON (AP) — Dethroned middleweight champion Paul Pender said today he failed to answer the bell for 10th round against Terry Downes "because I didn't have a chance."

In an interview with Boston Herald sports writer Bud Collins who made the trip here, the Brookline, Mass., boxer talked about his loss of his share of the 160-pound crown to Downes on Tuesday.

"Sure, I fought Gene Fullmer and other guys to the death when I was hurt," Pender said. "I always will if I think I have a chance. But there was no way I could beat Downes. My punches weren't doing anything. I had nothing."

"I caught cold Sunday and I took everything out of me. From the minute we started I knew I didn't have it."

Pender, who lost the portion of the middleweight crown recognized in New York, Massachusetts and Europe, retired with a cut over his left eye at the end of the ninth round in the Wembley Indoor Stadium bout.

Charles Chinn Due For Release Soon

SALEM (AP) — Charles Chinn, 25-year-old Negro convicted of murder who is wanted in Mississippi, will be released from the Multnomah County Jail in a day or two and be supervised by the Oregon Parole Board, Gov. Mark O. Hatfield announced Wednesday.

He said he is taking no action on the Mississippi extradition request.

He said Chinn entered the Mississippi Penitentiary in 1956 to serve life for killing a woman with a shotgun.

He was released last March under a suspended sentence, and then moved to Oregon.

Hatfield said Atty. Gen. Robert Y. Thornton said the governor is bound to extradite a man wanted in another state, if the governor is sure the man is the one named in the extradition request.

Hatfield pointed out that he is taking no action. He will leave the matter pending to assure that Chinn remains under parole board supervision.

The Parole Board has no legal right to compel Chinn to submit to its supervision.

But, Hatfield said, if Chinn does not, then he will restudy the extradition matter.

"The moral aspects of the case," Hatfield said, "are such that I can not, in good conscience and keeping faith with my ideals send him back to Mississippi."

He pointed out that Chinn said he had been released from prison on condition that he work for \$10 a week in the garage of a Mississippi state senator.

Chinn's lawyers called this "slavery." The governor also pointed out that Chinn was made an armed guard only a month after he entered the prison.

Thomas Trains For High Jump

MOSCOW (AP) — Jumbo Jim Elliott has been running John Thomas through a concentrated course in high jumping and said today he hopes to see a successful end to the program in the United States-Soviet track meet Saturday and Sunday.

The Soviets have been building up to this showdown meeting between Thomas and Valery Brumel, the world's two top high jumpers, for months.

Just Wednesday Soviet coach Gabriel Korobkov said the burden was on Thomas and that Brumel would win.

"John has been looking very good," said Elliott, the U.S. team coach. "If he keeps up his present form, I've got a hunch he's going to be hard to beat."

Elliott revealed that he has been working on Thomas' takeoff more than anything else.

"I think John has been worried too much about the bar and not enough about the takeoff," said Elliott. "I have been trying to get him to forget the bar."

"I think he has been approaching the bar too slowly and at the wrong angle. I have had him working on moving in a little faster, and then approaching the bar straight instead of at the angle he has been using."

Elliott is not a newcomer in coaching high jumpers. In fact, on the basis of how high the jumper can get over his own height, Elliott developed one of the best ever, Little Phil Reavis, 5-8, rose 6 feet, 10 inches — 14 inches over his own height.

Thomas, for example, has gone 10 1/2 inches over his own height. He stands 6-5 1/2 and his world record is 7-3 1/2.

Thomas lost all three meetings with Brumel last winter in Madison Square Garden. In their only other meeting, in the 1960 Olympics, both were beaten by Robert Schavikadze, who also will be in the weekend meet. The high jump is scheduled for Sunday.

Whitey Ford To Hurl Less

CHICAGO (AP)—Whitey Ford, who won 16 games in the first half of the season by working every fourth day, is going to get an added day of rest between starts of the New York Yankees the rest of the year.

Manager Ralph Houk announced the change today as the Yanks arrived for the opener of a 12-game road trip tonight against the Chicago White Sox.

The All-Star appearance threw Whitey's schedule out of kilter," said Houk, "but I already had decided he should get longer rests now that the weather is getting hotter and there are more arms available."

Ford, at 32, enjoying his finest season with a 16-2 record that tops the majors, isn't unhappy about the change, although it could keep him from a possible 30-victory season.
