

Machete-Waving Baluba Tribesmen Attack Katanga Police, Civilians

EDITOR'S NOTE—Andrew Borowiec, seasoned correspondent of The Associated Press, has arrived in Elisabethville, capital of Katanga Province, which was cut off from direct communication with the outside world nine days ago. The following dispatch by Borowiec was filed six minutes after a cease-fire was supposed to have gone into effect.

Dogs End Training At Green Kennels

About 60 people attended the graduation exercises held Wednesday night at Bolen Kennels in Green for dogs completing 10 weeks of obedience training under trainer Bob Butts.

Certificates of training completed were received by owners. Judge for the exercises was Margaret Jones of Phoenix, Ore.

First place awards and trophies were won by Marie Teague, of Eugene, recently of Roseburg, with her German shepherd, and Linda Watson of Elkton, with her Welsh Corgi, was second. Third place was won by Hazel Nutt of Myrtle Creek with her German shepherd, Mrs. Harold Glover of Roseburg with her border collie, and Bob Trued with his Irish setter, also received certificates.

Pilot class winners trained previously by Bob Butts also received awards at last night's meet. Jim Wylie, Myrtle Creek, placed first with his golden Labrador; Marie Teague placed second with her German shepherd; and Patricia Butts placed third with her Sheltie.

Refreshments were served following the exercises.

The dogs were treated too, each received a bag of dog food.

Insurance Fraud Trial Resumes

PORTLAND (AP) — The trial of 10 persons accused of defrauding insurance companies by staging automobile accidents was to resume today in U.S. District Court in Portland.

The trial was in recess Wednesday due to the Jewish holiday, Yom Kippur.

Peter Schwabe, Jr., attorney for George James Barnard, Portland, said Wednesday he will ask the government to produce evidence as to why Barnard is being held under \$20,000 bail on a charge of intimidating government witnesses in the trial.

Barnard, one of the defendants, was arrested Sept. 1 on the intimidation charge. Schwabe said he would ask the government to show cause for the amount of bail set, and to release Barnard on his own recognizance.

Air Force Fighter Wing Notches Safety Record

HAMILTON AIR FORCE BASE, Calif. (AP) — The 78th Fighter Wing at Hamilton AFB flew 20,852 hours without an accident through June 30.

The word came from Air Force headquarters in Washington Wednesday that this record had won the wing a flying safety award.

Other safety awards went to the 57th Fighter Group at Paine Field, Washington, and the 408th Fighter Group at Kingsley Field, Klamath Falls, Ore.

Portland Cabbies Set Representation Vote

PORTLAND (AP) — A petition for a union representation election among Portland taxicab drivers — now members of the Teamsters Union — has been filed with the National Labor Relations Board, a spokesman for the Motor Coach Employees union said Wednesday.

Gene Watson, business representative of Local 757 of the Street, Electric Railway and Motor Coach Employees, AFL-CIO, said an estimated 450 drivers for two cab companies are involved.

VANDALISM REPORTED

An incident of vandalism on the property of Emil Nelson, located 2 1/2 miles north of the Melrose store, was reported to the Douglas County Sheriff's office.

Martin C. Nelson, 4131 NE 39th Ave., said a pump house had been torn down, lumber scattered, a motor stolen and a pump broken beyond repair.

Congo (AP) — Hungry Baluba tribesmen went on the warpath from their giant refugee camp on the outskirts of this battle-torn city shortly before agreement was reached on a cease fire between Katanga and U.N. forces.

Hundreds spilled outside the camp, attacking Katanga policemen and white and black civilians. At least three Europeans were wounded by Baluba tribesmen who were screaming and waving machetes.

The flare-up followed several days of rising tension in the camp, organized by the United Nations to house the tribesmen seeking refuge from Kasai Province.

More than 100 Balubas were wounded and killed when Katanga gendarmes lobbed mortar shells into the camp, housing 30,000 refugees, at the height of the U.N.-Katanga fight.

Ambulance crews from Queen Hospital, fearing for their lives, refused to enter the camp.

The tribesmen emerged from the camp in several groups, attacking passers-by and the homes of Europeans.

They stormed the house of Belgian settler Claude Lambert, waving knives and screaming.

"I grabbed a carbine and killed three of them right away," said Lambert. "But they managed to hack my father with a machete."

Ambulances one after another pulled up and Belgian doctors and

nurses attended the wounded. In the nearby U.N. hospital, doctors and nurses wrung their hands in despair. There was no water, no electricity, and no one could operate on two young boys, one with a bullet in his head, the other injured in the abdomen.

At noon, apparently bored by the whole thing, a large number of Katanga troops withdrew to camps despite the orders of their white officers to attack U.N. positions again. But gun fire by snipers and occasional mortar shelling kept up the atmosphere of terror through the eighth day.

LOCAL NEWS

Romey Ware, son of Mr. and Mrs. Darley Ware, and David Harland, son of Mrs. Ann Harland, went to Ashland Tuesday to enroll as freshmen students at Southern Oregon College. The Darley Wares took them to Ashland.

Airman 2C Kenneth L. Marque returned to Mountain Home Air Force Base in Idaho, after spending 15 days at the home of his mother, Mrs. William Bowen, on Meadow Avenue. While on leave the family spent a week in California sight-seeing.

Pacific Rim Nations Talk Joint Trade

PORTLAND (AP) — The sixth Japan-American Conference of Mayors and Chamber of Commerce Presidents began its fourth and final day this morning with more discussions of joint trade problems.

Delegates from the two Pacific Rim nations heard some ideas on this subject Wednesday from former U.S. Sen. William F. Knowland, now an Oakland, Calif. newspaper editor and assistant publisher.

He said a quota basis for imports may be the thing that would solve problems arising from foreign trade.

He said pressures on Congress for more drastic action will grow unless there is a "well-thought-out quota system, or some better system if it can be devised."

He also said the United States and its allies are near an international "high noon" in their struggle against communism.

"In fact," he warned, "it can be said that it now is past 11:45."

Knowland said that last June 3 Soviet Premier Khrushchev gave President Kennedy a six-month ultimatum regarding a peace treaty with Germany.

The six months will be up Dec. 3, he reminded, and "it would be highly dangerous for Americans or the free world to put any other interpretation on this ultimatum."

Umpqua Lions Club Sets New Projects

Two upcoming projects were outlined in reports presented Wednesday night at a meeting of the Umpqua Lions Club.

Clifford Hukari, chairman of the annual Lions Club light bulb sale, said this project will be conducted in October. He noted that all clubs in the area participate in the event.

All proceeds are used in the organization's civic activities.

Plans for the club's annual basketball backboard program were introduced, and Roland Edie was appointed chairman. Each year the club members construct a number of backboards and these are given away on request to families interested.

This is a youth activity with the objective of promoting interest in basketball.

Special program speaker was Roy Thompson, Roseburg High School football coach. Thompson reviewed highlights of the last game (Springfield) and discussed team prospects. He said community support of the team this year has been outstanding.

It was reported that Mr. and Mrs. Don Bell and Mr. and Mrs. Kenneth Glass will attend an Oregon Lions mid-winter conference at Astoria.

Fire In Cottage Claims Oregon Pair

WRIGHTWOOD, Calif. (AP) — Fire in their cottage took the lives Wednesday of a couple from Oregon.

They were Edward Carlson, 73, and his wife, Bessie, 64, said by friends to have been retired linotype operators who planned to return to Medford in about a month.

Firemen said they believe he fell asleep while watching television and that the blaze started from a lighted cigarette.

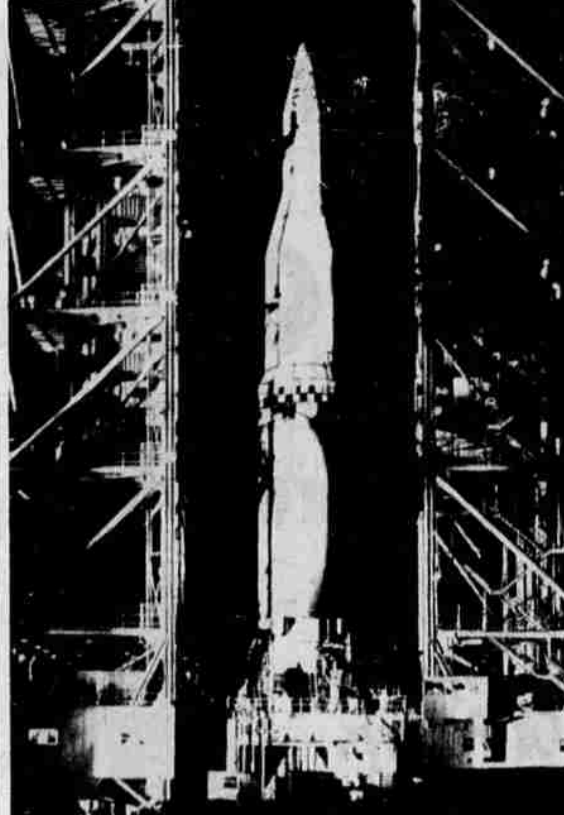

A neighbor heard a cry of "Bessie! Bessie!" looked out the window and saw the whole front of the house in flames.

Firemen arrived but the house was destroyed before they could control the flames, which spread to nearby pines. They finally were put out.

Grass Fire Doused

A small grass fire on property near the Fairgrounds at Roseburg was brought under control Wednesday by a Roseburg crew of the Douglas Forest Protective Association. The DFPA office said the fire burned about two acres of grass.

Three golf hole flags were stolen sometime Tuesday night at the Veterans Administration Hospital, a hospital official reported to Roseburg police. Police were advised the flags are missing at holes 2, 3 and 4 near the bridge of the golf course grounds.

LAUNCHING NEAR — Saturn, the largest U. S. space vehicle ever developed, will be launched in the very near future, it was announced Wednesday by the National Aeronautics and Space Administration. The vehicle is shown at Cape Canaveral, Fla., being readied in the gantry that is 185 feet high, the world's tallest structure on wheels. The Saturn will have 1.5 million pounds of thrust. Flags Lost

Three golf hole flags were stolen sometime Tuesday night at the Veterans Administration Hospital, a hospital official reported to Roseburg police. Police were advised the flags are missing at holes 2, 3 and 4 near the bridge of the golf course grounds.

Currency Comptroller Named In On-Again, Off-Again Byplay

WASHINGTON (AP) — In an on-again, off-again bit of White House byplay, President Kennedy has named Chicago lawyer James J. Saxon to replace Ray M. Gidney as comptroller of currency.

The appointment, announced Wednesday, will become effective Nov. 15.

Gidney, a Republican, has disagreed strongly with Atty. Gen. Robert F. Kennedy, the president's brother, over antitrust policy on bank mergers.

The White House announced nomination of Saxon, a Democrat Wednesday afternoon. A spokesman said he understood Gidney was stepping out under a verbal agreement with Secretary of the Treasury Douglas Dillon.

Less than two hours later, the White House withdrew the nomination. The Treasury Department said it was all a mistake, that the nomination had been sent to the White House "as a result of a clerical error in the rush at the close of the session in Congress."

Still later, the White House press secretary, Pierre Salinger,

summoned reporters back to the White House and said Gidney is resigning effective Nov. 15 and Saxon would succeed him in the \$20,500 job.

Gidney's term is not scheduled to expire until 1963. Saxon will be given a recess appointment to finish out Gidney's term. The nomination requires Senate approval.

Wilderness Areas Said Not Likely

WASHINGTON (AP) — The chief of the U.S. Forest Service, Richard E. McArdle, said Thursday designation of additional very large areas of national forest land for wilderness-type preservation is unlikely.

He told a forest land use conference he based this belief on the fact that large additional tracts would mostly be inaccessible for recreational use.

Some forest industry groups have been opposing extension of wilderness areas on public lands because it would reduce the supply of timber for commercial production.

"In recent years recreational use of the national forest has increased more rapidly than any other use," McArdle said. "We are moving aggressively to catch up our recreation load, and we intend to move still more aggressively in this direction."

"None of this means that we have any intention of neglecting timber production as a major objective of national forest administration."

Nixon Expected To Reveal Status

LOS ANGELES (AP) — Next Wednesday will hold much interest for three announced California gubernatorial candidates.

That night, former Vice President Richard M. Nixon will hold a news conference at which he is expected to announce whether he will seek the governorship of California.

If Nixon says "yes," the three hopefuls are expected to become underdogs in the GOP primary election battle.

They are former Gov. Goodwin J. Knight, former Lt. Gov. Harold J. Powers and Assemblyman Joseph C. Shell, all of whom say they will stay in the fight even if Nixon runs.
