

# Southern Oregon Cycle Championships Slated

The First Annual Southern Oregon Motorcycle Championship races will be held Sunday with the Roseburg Road Runners acting as host club.

The races will be held three miles off Harvard Ave. on Lookingglass Road. Time trials will start at 9 a.m. with preliminary races scheduled to start at noon.

Championship events will get underway at 1 p.m. with the running of the 25-lap lightweight title race, which will be followed at 2:30 by the 25-lap heavyweight championship action. Cycles from throughout the state are expected to be on hand to compete for the trophies.

## Sports

### Swim Team To Start Winter Activities

The Roseburg Swim team will begin winter activities and practice Saturday between 5 and 7 p.m. at the YMCA pool.

Larry Laremo, the new swimming coach, will begin the winter season with a clinic type workout, emphasizing individual problems and swimming techniques. Laremo stated that prospects for winter competition look good, and meets will probably start in mid-January, depending on league rules.

This will be the first year Roseburg swimmers have had a chance to take part in a regular winter program under a coach. Last year the Parents Swimming Association directed the winter practices at the YMCA which was completed last fall. The swimmers, however, did not get a chance at competitive action against other teams until the summer program started.

All swimmers interested in competing for the Roseburg team are asked to attend Saturday's practice.

Laremo comes to Roseburg from Bend. He and his family recently arrived and he will be on the faculty at Fremont Junior High School.
