### Coos Bay School Benefits Hospital

Veterans at the U. S. Veterans Administration Hospital in Roseburg have a soft spot in their hearts for the youngsters at the East Side School in Coos Bay.

The reason is an East Side annual project which contributes to the veterans' sweet teeth.

This week, the Red Cross volunteers who serve the hospital received 300 boxes of cake mix. This is the third year in a row for such a shipment.

With the mix, the volunteers make cakes for the parties staged at the hospital during the year. One of these parties is based on a "do-it-yourself" theme. The women make the cakes and have the veterans decorate them.

The program by the East Siders started three years ago when the principal, at the end of the school year, discovered the school had 50 boxes of cake mix left over. An inspiration came to him to send them to the Roseburg VA Hospital.

When he saw the reception they received at the hospital, he decided the school might make it an annual project. It did, and the cake mixes have been coming ever since. The youngsters finance the project by holding fund drives and sales.

The shipment this week was delivered by Mrs. Florence Berg, Coos County executive secretary of Red Cross.
