Timber Town Duplicate Club Has Anniversary

Thirteen tables of duplicate play were enjoyed when the major and junior sections of the Timber Town Duplicate Club met Monday evening.

Special event for the junior section was the beginning of another year. When the club was organized three years ago it was restricted to those with no more than three master points. Monday night's anniversary was made that the limit has again been set back to three master points with progressing raises to be repeated.

Many inexperienced duplicate players of three years ago have gone on into the successful senior tournament game. It is with the thought of providing a field for newer or less experienced players that the junior game is again operating on the three point master point limit basis.

Monthly playoff and master point games for the junior and major players are scheduled every third Monday at 7:30 p.m. Major winners for Monday night were Mr. and Mrs. J. C.
