Candidate For Congress Raps Steel Companies

SPRINGFIELD (AP) — State Rep. Robert Duncan, D-Medford, said Thursday steel companies have in effect told everyone in the United States they have no concern or responsibility for the public interest.

By the steel price increase, Duncan said the company has broken faith with the steelworkers and with each and every citizen.

"Such a flagrant abuse of the public interest cannot and will not be tolarated," Duncan, a candidate for the Democratic Party nomination for 4th District congressman, said.

In his statement, Duncan said: "I have no doubt corrective action in some form will be taken probably through use of the anti-trust laws."

National Forest Timber For Sale

Desert Pine Sale

Oral auction bids will be received by the forest supervisor or his authorized representative at the office of the forest supervisor, Federal Office Building, Roseburg, Oregon, beginning at 2:00 P.M., May 14, 1962, for all merchantable timber marked or designated for cutting on an area embracing 355 acres, more or less, within sections 11, 12, 13 and 14, T. 27 S., R. 3 E., W. M., surveyed, in the Umpqua National Forest, Oregon. The estimated volumes are: 3,000 M board feet of ponderosa pine and other species and 150 M board feet of Douglas-fir. The minimum acceptable bid per M board feet is as follows: ponderosa pine and other species $13.20, Douglas-fir $22.55. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $10.55 base rate plus an additional $1.75 for ponderosa pine and other species and $17.40 base rate plus an additional $4.25 for Douglas-fir and $0.90 for slash disposal for all species. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir region indices, as calculated by the Forest Service or the Western Pine Association lumber price index for the three previous months, and the following base indices: ponderosa pine and other species 82.26, Douglas-fir 89.54(A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following the quarter for which the adjustment is computed. In no event, however, shall the adjusted stumpage rates for each quarter be less than the base rates as stated above. Sealed bids will be publicly opened and posted at the office of the forest supervisor at 2:00 P.M. on May 14, 1962. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $2,500.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the district ranger, Toketee Ranger Station, Idleyld Park, Oregon, or the forest supervisor, Roseburg, Oregon, before bids are submitted.
