

# Colts End Series With Cubs By Taking All Three Games

By THE ASSOCIATED PRESS  
Dean Stone, 32, a left-hander who hurled a three-hit shutout for his first victory in the majors since 1957, is the newest hero on a rapidly growing list for the Houston Colts' all-conquering cast of castoffs.

Becoming the third former American League southpaw to win for the National League's new entry, Stone blanked Chicago 2-0 Thursday for Houston's second straight shutout and third consecutive victory over the Cubs.

**Followed Example**  
Stone, following the example set by Bobby Shantz and Hal Woodeshick, struck out nine, walked only two, permitted only one batter to reach second base and hurled no-hit ball for the final six innings.

Another auspicious beginning was made by Los Angeles southpaw Pete Richert, who tied three major league strikeout records in the Dodgers 11-7 walloping of Cincinnati.

Coming in on relief, Richert struck out Vada Pinson to end a four-run rally in the second inning. He struck out four — one reached base when catcher John Roseboro let a third strike get past him — in the third inning, then

fanned the first man he faced in the fourth before pitcher Joey Jay grounded out.

**Tied Mark**  
The six strikeouts tied the mark set in 1954 by the Dodgers' Karl Spooner for most consecutive strikeouts by a pitcher making his major league debut and equalled the mark for relief pitchers established by Philadelphia's Jack Mayer in 1958. The four in one

inning matched an often accomplished feat.

San Francisco walloped Milwaukee 8-4 in the only other game scheduled.

In the American League, Los Angeles' Ken McBride shut out Chicago 1-0 with a four-hitter and Minnesota defeated Kansas City 3-5. Detroit and Washington were rained out and the other clubs were not scheduled.
