## Youth, Family Rally Planned By NuDelta Club

Nu Delta, the Roseburg High School Christian Club, is planning a county-wide Youth and Family Rally May 12. Purpose of the rally is to promote Christian fellowship. The rally will be held during National Family Week, May 6 to May 12. The event will begin at 7:30 p.m. at the First Baptist Church, Roseburg. Featured talent will be from the Portland area and will include a group of young college students, some of whom are active in the Portland Youth For Christ work. Program for the rally will be varied enough to present humorous as well as serious numbers. Included will be vocal, instrumental and dramatic numbers, several of which will be provided by local youth.

Following the program portion of the rally, the group will adjourn to the church social hall for a fellowship hour. Refreshments will be served.

A free-will offering will be taken to cover costs of the rally. During the course of the evening a roll call will be made to determine the group which has traveled the farthest distance to attend, according to Jim Lamka, NuDelta president.

During the past week NuDelta members have sent letters of invitation to all churches and schools in Douglas County inviting youth to attend. Registration will be at the door. The rally is free.

Assisting the chairman will be: Geri Miller, Stella Phillips and Harry Buckwalter in charge of promotion; Linda Diester, Bev Clayton and Jackie Bates in charge of refreshments; Oliver Blix, Ted Carpenter, Don Raines, and Tom Chandler, ushers; Marilee Havens, registration; Guya Cook and Linda Fray, posters; and Maria Goetz, decorations.

## WAS IT YOU?

That's what SMOKEY wants to know! Was it YOU who threw the cigarette from your car or dropped your match after lighting up?

Every year careless smokers are responsible for one of every five man-caused forest fires!

When your trash fire spreads out of control, you know you've done wrong! But smokers start fires and never know it! They're gone before the fire starts!

You see, a cigar or cigarette butt is like a time bomb. It smolders for a while before the leaves or needles where it lies are warmed enough to flame. A playful breeze may help it along. Then, in no time at all, a spark you could crush under your heel has grown to be a searing, roaring demon, killing the life in its path!

Did you start a forest fire last year? Was it you?

Remember—only YOU can PREVENT FOREST FIRES!

## Family reunions are fun (but you can have them more often by phone)

Grand old American tradition, the family reunion! A happy time, too—especially for the youngsters. But most family reunions take time, and travel, and a lot of planning. In these days of wide distances between families, many people use the telephone to keep the family close, to get everyone together more often. For example, a long distance Conference Call\* (see right) is an easy, inexpensive way to have a reunion—and just about the next best thing to being there. Use long distance to have your next family reunion.

\*Arrange your family reunion with a Conference Call. For example, families in Seattle (1), Eugene (2), Spokane (3), Walla Walla (4) and Portland (5) can talk to each other just as easily as if they were all on the same front porch. Ask the long distance operator to help you get your family together with a long distance Conference Call.
