

# Key Men Named For Central Douglas United Fund Drive Due In September

Key men in the Central Douglas United Fund 1962 campaign, set for Sept. 18 to Oct. 14, were named today by Cliff Thomas, CDUF president.

The men are Fred Lockwood, Cliff Hukari, Al Coffman, Eugene Card and John Kennedy. These men, Thomas stated, have agreed to share the responsibilities which, experience indicates, are "an unfair and over-whelming burden for one person."

Lockwood will handle advance arrangements for the drive, which includes obtaining speakers, campaign headquarters, etc. Coffman, Card and Ormand Feldkamp will

develop and initiate plans for pre-campaign contacts with industrial firms to promote greater payroll deduction participation.

**Primary Business Campaign**

Hukari will chairmen the primary business campaign assisted by the following board members who will assume responsibility for campaign divisions: Mabel Lewis, Iris Hellwell, Lee Wimberly, Lyle Fenner, Elliott Motschenbacher and John Kort.

Kennedy will handle publicity and Louis Fullerton will work with the budget and allocations committee.

"This means that all 15 board

members have accepted a major responsibility," Thomas said. "With this type of cooperation, and united effort, the success of the 1962 campaign seems assured."

Emphasis this year, Thomas said, will be directed toward giving every business and worker an opportunity to contribute a "fair share" toward the social agencies benefitting the community.

Every effort will be made to avoid duplication in solicitations, he said.

**Limit Solicitation**

"This means our residential contacts will be limited to financially able retired persons—eliminating the irritation resulting from contacting housewives whose husbands have contributed through their business or payroll deduction. This conserves the 'woman-power' previously used on those contacts for more productive efforts," Thomas said.

"The CDUF board is also pleased with this year's cooperation from participating agencies. At our meeting, April 15, all agency representatives indicated a willingness to cooperate in recruiting campaign workers."

"The agencies, too, have been cooperative in accepting CDUF recommendations concerning supplemental fund raising activities," he said.

"A June capital funds drive contemplated by one of the participating agencies which was disapproved by the board at its May 14 meeting, seems to be the single remaining obstacle in maintaining a climate for united giving compatible with United Fund objectives and success," Thomas concluded.

# Robbery-Kidnap Suspect Is Held After Wild Road Chase By Police

MONTESANO, Wash. (AP)—Richard Pacheco, 27, Tacoma, was held without charge in the Grays Harbor County jail here after being arrested early Sunday in the climax of a 30-mile chase over narrow mountain roads.

Pacheco was arrested in wilderness country about 15 miles west of Shelton after officers fired two roadblocks in connection with two holdups and a kidnaping. He was armed with a rifle, but gave up peacefully after officers fired two shotgun blasts into the stolen car he was driving.

The arrest was made by State Patrolman Stan Sushak and Mason County Deputy Sheriffs Sam Clark and Stewart Nutt. Their shots did not hurt either Pacheco nor Richard E. Kohlmeier, 19, Seattle, who Pacheco said had hitched a ride with him. Kohlmeier was held as a material witness.

Chief Deputy Bob Day of Grays Harbor County said Allen Loughheed called officers Saturday night to report that a young man had followed him home from a drive-in here, forced him to tie up his

parents and accompany him in the family car. Allen leaped from the car as it slowed for a curve at the edge of the city. His parents, Mr. and Mrs. Gene Loughheed, freed themselves at about the same time.

Earlier, Day said, a young man carrying a rifle entered the home of L.O. Winslow in Aberdeen, robbed Winslow of \$10, stole his car and drove to Montesano, 12 miles east.

SALEM attorney Peter Gunnar, 38, will succeed himself as member of the Oregon Tax Court. Judge Gunnar defeated Raymond L. Jones in last Friday's primary election. His name will be on the November ballot without opposition. Last Saturday's News-Review inadvertently substituted the wrong picture in identifying Gunnar as winner in the Tax Court race.

# Straub Pledges Duncan Support

EUGENE (AP)—State Sen. Robert W. Straub, D-Eugene, pledged his full support today to Robert Duncan in the 4th District congressional race.

Duncan, a Medford lawyer and Oregon House speaker, beat Straub and former Rep. Charles O. Porter, Eugene, in the Democratic primary race for the nomination.

"I am confident that the Democrats who worked loyally in my behalf and all of those who voted for me will now line up solidly behind you," Straub wrote Duncan.

Duncan faces state Rep. Carl Fisher, R-Eugene, who was unopposed for the Republican nomination.

# Portland Auto Crash Claims Second Victim

By THE ASSOCIATED PRESS

A weekend collision on Highway 6 a few miles southwest of Portland claimed its second life Sunday when Loretta Anderson, 15, Vancouver, Wash., died in a Portland hospital.

Killed outright in the Saturday night collision near Glenwood was a bride of six months, Marian Jean Mitchell, 20, Beaverton, Ore.

Another Oregon traffic death Saturday was that of Mrs. Dolores Sullivan, Beaverton, Ore., in an accident near Beaverton.

Late Friday Violet Agnes Hendrix, 16, Milo, Ore., died in the plunge of her car into Days Creek near Roseburg.

The accidents increased Oregon's traffic death toll for the year to 143 in the Associated Press tabulation. Twenty-two have been killed this month.

# PTAs Support Federal Aid For Education

PORTLAND (AP)—The president of the National Congress of Parents and Teachers says 36 state PTAs have indicated full support of the national group's stand in favor of limited federal aid to education.

Mrs. Clifford N. Jenkins of Roslyn Heights, N.Y., said there have been published reports recently that the national congress does not accurately reflect the views of the state bodies.

"These stories are wrong, and I can prove it," she said in an interview Sunday, at the opening of the national congress' 65th annual convention.

She said she had personally polled each state president and found that 36 backed the national congress.

Mrs. Jenkins said the national congress believes some form of federal aid to education is necessary and justifiable providing local and state control of education is assured, federal funds are used for public, tax-supported schools only, the federal funds are distributed to state departments of education and become state funds, and that the federal funds support but do not substitute for state funds.

"If we don't get the right kind of federal program, we certainly will get the wrong kind," she said.

Mrs. Jenkins also said federal control of education in this country is inevitable unless the states and local communities make much greater efforts than at present to upgrade their schools.

# Women Voters Set Final Spring Meet

A study of metropolitan problems at the League of Women's Voters unit meetings this Wednesday and Thursday will wind up the final meetings until fall.

Mrs. Charles Wilson, chairman of metropolitan problems, said the question now before the Oregon leagues is: "How can the residents of populated, unincorporated areas obtain the urban services they need?"

Incorporation, consolidation and annexation are the three broadest of those solutions made available to Oregon residents by state laws, and these will be studied by league members as well as other various solutions at the unit meetings, Mrs. Wilson said.

League president Mrs. James Lombard mentioned National Trade Week is May 21-25.

The three unit meetings are scheduled as follows: Unit 1, home of Mrs. W. G. Younger, 1914 NE Oswego, Wednesday at 1 p.m.; Unit 2, home of Mrs. D. L. Mohley, 1375 W. Birch, 8 p.m. Wednesday; and Unit 3, home of Mrs. David Weisman, 366 W. Hazel, Thursday at 9:30 a.m.

League members and other interested women may attend. For further information call Mrs. George Strand, OR 3-7685.

# Rotarians Slate Honor Banquet

The Rotary Club of Roseburg will sponsor a county-wide honor banquet to be held at the Gold Room of the Umpqua Hotel tonight at 6:30.

About 40 students from Roseburg High School have been invited to attend. The principals from other schools in Douglas County selected students from the graduating classes.

Guest speaker will be Dr. Arthur S. Flemming, president of the University of Oregon.

# City Police Probing Farm Bureau Break-in

Roseburg City Police said today they are investigating an attempted Sunday break-in at the Farm Bureau Cooperative Exchange, 552 SE Washington Ave.

A police patrol discovered that an attempt was made to pry open a rest room window on the west side of the building. Nothing was believed missing, police reported. The discovery was made about 7:20 p.m. Sunday.

# Pellet From Gun Hits Sayre Building Window

A pellet gun fired from a moving vehicle was blamed for damage to two 10 X 16-foot windows over the weekend at V. W. Sayre Co., 404 SE Stephens St.

Roseburg City Police are investigating the mischief which reportedly occurred sometime Friday night or early Saturday morning. Joe Stutz was complainant.

# Violet Agnes Hendrix

Funeral services for Violet Agnes Hendrix, 16, of Days Creek, who died as the result of an automobile accident Friday, will be held Wednesday at 2 p.m. in the Days Creek school gymnasium with the Rev. Alice May Woolley of Days Creek Methodist Church officiating.

Interment will follow at the Canyonville Masonic Cemetery.

She was born Nov. 23, 1945, at Deridden, La., and had lived in Days Creek for the past 11 years.

Survivors include her mother, Mrs. Romie F. Hendrix; five brothers, Merle, Eldon and Melvin of Days Creek, Philip, stationed in Thailand, and James of Olympia, Wash.; and two sisters, Mrs. Iva D. Doss and Mrs. Rose Adams, both of Days Creek.

# U. S. Hopes SEATO Powers Will Send Aid To Thailand

BANGKOK, Thailand (AP)—The United States held out hopes today other Southeast Asia Treaty Organization powers would send forces to Thailand but Thai officials were reported satisfied American support is enough to ward off any Communist incursions from neighboring Laos.

Gen. Paul D. Harkins, commander of U.S. forces in Southeast Asia, said after an inspection tour of the border front that his men had the "situation well in hand."

Tanks were on the way from Hawaii with the buildup moving steadily toward a total strength of 5,000 men.

United States Ambassador Kenneth Young said the Americans would remain as long as the Red threat to this pro-Western kingdom existed and would welcome troops from other SEATO nations joining them.

With the exception of France, all other members of the eight-nation anti-Communist alliance have indicated a willingness to send token forces if Thailand asks for them.

The Thai government called on the Americans but there has been no report further help would be sought from others, at least at this time.

The Laotian border was quiet, but the Communist bloc warned the massing of American troops along the frontier threatened to stir up trouble.

The Soviet Communist party organ Pravda warned the American landings in Thailand may "cause retaliatory action from the other side."

"Such actions of the United States," Pravda said, "will increase the danger of war, not only on the frontiers of Laos, but in all the area of Southeast Asia."

Soviet Premier Khrushchev and Bulgarian Communist party leader Todor Zhivkov, in a communique at the end of Khrushchev's visit to Bulgaria, called the American troop landings in Thailand "an extension of the aggressive actions of the United States against the people of Southeast Asia."

The Peiping People's Daily, official voice of Red China, charged the American troop movements "constitute a serious threat to the security of China."

Prince Souvanna Phouma, the man whom both the West and East hope will take Laos out of the cold war, said the American troops in Thailand posed no threat to Laos even though he regretted they were sent there.

The neutralist leader was in a confident mood during a stopover in Calcutta on his way back to Laos for negotiations on formation of a national unity government. He predicted these sessions would halt all fighting in Laos and bring about an independent, neutral regime under his leadership.

# Glendale Clean-Up Drive Underway

A civic improvement drive, the outgrowth of action taken at a recent Cow Creek Valley Development Association meeting in Glendale, is beginning to gather steam, reports Mrs. Gerald Fox, correspondent. A committee appointed at the meeting has set this week of May 21 through 26 as a special city clean-up week.

The Rev. Norman Naugler, committee chairman, pointed out that the special emphasis week was intended to be only a beginning for a general program of improvement rather than an end in itself.

Glendale city councilmen voted at their last meeting to cooperate with the program and to furnish a city truck to pick up trash which individuals will collect from their property. It may be piled by the street or alley where the city truck can reach it.

As a lead-off on the clean-up, committee member Charles Reibling has been contacting merchants of the city, and they have already responded wholeheartedly, by cutting grass and cleaning up areas behind or adjacent to their properties, Mrs. Fox reports. City employees are also working at a clean-up of city property.

Members of a 4-H Health Club in the Glendale Junior High are working under the direction of Mrs. Lewis Price, instructor, in making posters to feature the clean-up week and help to stir up community interest and cooperation.

Plans are under way for a community-wide improvement contest. Mrs. Victor Opperman has been formulating some of the rules and soliciting prizes from merchants. Definite announcements will be made at a later date.

# KC To Finance Textbook Appeal

NEW HAVEN, Conn. (AP)—The Knights of Columbus said Sunday it would finance the appeal to the U.S. Supreme Court from the Oregon high court's textbook decision.

Luke E. Hart, supreme knight of the Roman Catholic organization, said the decision to finance the appeal had been taken at the request of Archbishop Edward D. Howard of Portland.

The Oregon Supreme Court held that Oregon's Constitution forbids public school districts from supplying textbooks for use in parochial schools.

Hart said the Knights of Columbus had aided the Portland archdiocese once before. That was in 1923, he said, when the U.S. Supreme Court held unconstitutional an Oregon law requiring all school-age children to attend public schools.

# Car Reported Missing Found West Of City

A 1954 four-door sedan reported missing Friday night was located early this morning about 1 1/2 miles west of Roseburg on the Melrose Rd.

Lynn John Anderson of 2039 SE Lander Lane told Roseburg City Police the vehicle was taken while he was attending a movie. It had been parked near the corner of SE Main St. and SE Lane Ave.

Police said the complainant was notified of the car's location by another party. The car had been abandoned at the side of the road. Police said the car could not be started and had to be moved by a towing service.

# Myrtle Creeker Has Close Call As Auto Skids Near Canyonville

No serious injuries resulted from two separate one-car accidents investigated early Sunday morning by Roseburg state police.

But one of the accidents was in the "close call" category for Robert Lee Bishop, 24, of 862 Christian St., Myrtle Creek.

State police said Bishop was traveling north on U.S. Highway 99 near the Log Cabin Cafe at Canyonville when his 1956 sedan came upon a slick spot in the road and spun out of control.

The car swerved across the southbound lane of traffic, skidded sideways off the highway's west shoulder, struck a cement post and dropped over an 18-foot bank. Police said the vehicle came to rest on its top on old Highway 99.

Driver Not Injured

Although the sedan was extensively damaged, Bishop was not injured, it was reported. The vehicle was towed from the scene by a wrecker of the Ed Oaks Garage at Canyonville.

The accident occurred about 2:30 a.m.

James C. Butler, 19, of 868 NE Fulton St., Roseburg, received a minor injury as result of a one-car smashup about 2:10 a.m. Sunday on U.S. Highway 99 about one mile south of Garden Valley Junction.

Butler was a passenger in a 1956 two-door sedan driven by Michael Howard Wilcox, 18, of 2064 NE Commercial St., Roseburg. Investigating police said the vehicle was northbound on a divided four-lane highway at a speed of approximately 60 mph.

Blame Unidentified Car

Wilcox told officers an unidentified vehicle came around and cut in sharply in front of his car, requiring him to apply brakes abruptly. Wilcox said he lost control and the vehicle struck a guard rail on the east side of the highway. The rear end of the car was damaged.

Butler was taken by Billy Mohr ambulance to Douglas Community Hospital for treatment of a cut over his right eye.

# PTA Launches Program To Aid Underprivileged

PORTLAND, Ore. (AP)—A three-year action program to improve the lot of the nation's economically and socially deprived youngsters was launched today by the National Congress of Parents and Teachers.

Delegates to the congress' annual convention were given a wide-ranging list of projects to be tackled by 12 million members of 47,000 local PTAs.

"These children need richer educational opportunities and more social services than other children, and the PTA is determined to help them get what they need," said Mrs. Clifford N. Jenkins, national president.

Economically and socially deprived youngsters, usually referred to as "the disadvantaged," include children of migrant farm workers, children whose parents are on relief and children who lack adequate supervision while their mothers work. Most of them are in Negro families which have moved from the south to Northern cities and Puerto Rican families which have flocked to New York City.

The program recommends that local PTAs:

Support establishment of nursery schools and kindergartens to help the disadvantaged children overcome the handicaps of their limited backgrounds.

Encourage schools to develop "higher horizons" programs, patterned after those in New York City, to broaden the children's cultural experiences.

Help to establish day-care services for children of working mothers.

Work for improved and expanded guidance and counseling services, starting in the elementary schools.

Sponsor stay-in school campaigns.

Urge school administrations to keep vocational education programs up to date, useful and practical.

Spark the formation of communitywide committees to work on the problems of school dropouts and unemployed youth.

# HEU To Meet In Drain

Pass Creek Home Extension Unit will have its last meeting of the year Wednesday at 10 a.m. at the Drain City Hall with a potluck luncheon to follow at noon. Officers for 1962-63 will be installed. Knitting will be the project for the afternoon.

Officers to be installed are Deloris Laakey, chairman; Elva Sneed, vice chairman; Marfair Meyer, secretary; and Estella Merrill, treasurer.

# Four Get Silver Antelope Award

PORTLAND (AP)—The chief executive of the Boy Scouts of America asked Friday for a membership drive to bring the group's benefits to more boys.

The executive, Joseph A. Brunton Jr., spoke to the general session of the annual meeting of the Scouts' National Council.

"Scouting must play a responsible role in strengthening America and guarding its freedom," Brunton said in calling on each local council to "intensify its efforts in extending the opportunity of Scout training to all boys."

At a breakfast for Pacific Northwest delegates of Region XI, four men were honored with the Silver Antelope Award, the highest regional scouting award for distinguished service to boyhood.

Winners:

Ralph H. Shumm, Forest Grove, Ore., who has been a cubmaster, scoutmaster, district commissioner and commissioner for the Portland Area Council.

Don D. Eldridge, Mt. Vernon, Wash., who began scouting as a boy and attained Eagle Scout rank. He was president of the Mt. Baker Area Council for three years and received the Silver Beaver award.

William H. Cowles, Spokane, a member of the executive board and vice president of the Inland Empire Council. Cowles also has served as a member of the Region XI executive committee since 1950.

Ezra M. Hawkes, Pocatello, Idaho, commissioner for his local council. He has been chairman of the camping committee and president of the Tendency Council of the Scouts.

John F. Akip Jr., Nampa, Idaho, was re-elected as chairman of the Region XI committee for the coming year. Vice-presidents are Eldridge; George C. Flanagan, Medford, Ore.; Cowles; Dr. Joseph Marshall, Twin Falls, Idaho; Martin Britz, Great Falls, Mont.; and Dr. Paul Hagland, Fairbanks, Alaska.

Edwin M. Baker, Eugene, was chairman of the regional meeting.

# Parked Car Hit; Driver Suffers Minor Injuries

A 1960 foreign model vehicle driven by King Moore of 317 SE Pine St. collided with a parked 1954 four-door sedan on SE Pine St. Sunday, Roseburg City Police reported.

The parked vehicle was owned by Harriet Matthews of 776 W. Altamont St.

Police said Moore, driving a vehicle owned by Paul Jackson Wholesale Co., was traveling south on Pine St. when his vehicle struck the rear end of the other car.

Investigating officers said Moore was taken to a local hospital for examination, but reportedly was not seriously hurt.

# How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you smile or talk? Just sprinkle a little **FALSE TEETH** on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably in place. Money, paste taste or feeling. Does not sour. Checks "pink" odor. Identifies breath. Get **FALSE TEETH** today at any drug outlet.
