The baby weighed 6 pounds. Luttrell is an electronics technician and is stationed at the naval post graduate school at Monterey. The Luttrells took Mrs. Burr on a tour of the base and to the beach.

Mr. and Mrs. Don Anderson of Maple Valley, Wash., have been visiting the former's brother, Tony Anderson, and family in Upper Olalla and with other relatives in the area.

Steven and Linda Fuchs of Roseburg are spending the week visiting at the home of Mr. and Mrs. Tony Anderson in Upper Olalla.

Memorial Day guests at the home of Mr. and Mrs. Stace Laurence in Olalla were Mr. and Mrs. Henry Croucher of Medford; Mr. and Mrs. Dick Croucher and George Croucher of Roseburg; and Mr. and Mrs. Sam Croucher and family of Oakland.

Miss Bishop left Thursday for Long Beach, Calif., where she expects to be employed through the summer. She will return home in time for the fall term at Southern Oregon College at Ashland. Bonnie and Laurie left for Portland Friday where they were to enter Doernbecher Hospital. They ask that their friends write them at the following address: Dermatologist Department, Doernbecher Hospital, Portland, Ore. Bonnie will enter Douglas High School and Laurie will enter Winston Junior High this fall.

Dinner Ends Year At Tenmile School

By MRS. WALTER COATS
The Tenmile School closed Saturday with a dinner served at the Ladies Club House by the Tenmile PTA.

Following the dinner plans were presented to Susan Adams and Ronald Swift for special scholastic honors. Special recognition was also given to Mavis Williams, Alice Anderson, Cleahd Chasm, Cheryl McDaniels and Michael Shaffer.

Two pieces of crystal glassware were presented to Mrs. Bessie Smith, who is retiring from the teaching profession. Mrs. Smith has been teaching for 26 years, 10 of which have been as fifth grade teacher in the Tenmile School.

Mrs. Gladys Lay will teach at Winston Junior High next year. Raymond Searle who has been teaching at Langlois, will teach sixth grade at Tenmile next year. Earl Peterson will replace Mrs. Smith and will teach the fifth grade. There will be two fourth grade rooms. Mrs. Margaret Boyd will teach one class and Coca Ter-vorse has been employed to teach the other. Mrs. Lola Fitzgerald will teach the third grade. There will be two second grade rooms next year.

At a meeting of the PTA earlier Mrs. Lloyd Thomas brought for display the Gold Leaf Award presented at the county PTA workshop, for the increase in membership of the Tenmile PTA.

New officers for next year were installed by Mary Sherman, vice president of the regional PTA.

Alice Anderson and Nancy and Kathy Gilbert entertained with songs.

Officer Destroys Polaris Missile

CAPE CANAVERAL, Fla. (AP) — A Polaris missile veered off course during second stage flight Monday and was destroyed by the range safety officer.

Shortly after the upper stage fired, the rocket began twisting crazily in the sky and the safety officer sent an electronic signal to blow it apart.

The missile, launched from a land pad, was testing advanced warhead and guidance components.
