WHOSE WOODS ARE THESE?

SMOKEY BEAR hopes you ask yourself this question the next time you go camping, fishing, or driving through the woods.

Folks forget, sometimes, that they are guests when they visit the woods. Because they forget, they use a different set of rules than they use at home.

So, folks, won't you remember your woodland manners? Leave a clean camp or picnic spot. Use a larger log to lean on. Don't cut green trees. Be careful with matches, smoke, and open fires.

Remember—Only 90¢ CAN PREVENT FOREST FIRES!
