Sweet Corn

Here's corn to feast on ... fresh as dawn, sweet as sugar, straight from the cornfields ... with the dew still on the silken tassels! Each gleaming ear is packed with plump, milky kernels, tender and sweet, cause Safeway corn is shipped in ice to keep sugar content high. Set out a steaming platter full tonight. Plan on seconds (and thirds) for everyone!

Here's an outstanding value for this weekend. **6 ears for only 39^c**
