

AFL Meeting Will Feature Player Trades

DALLAS, Tex. (UPI) — The gathering of coaches and general managers of the American Football League at Buffalo June 28-29 may turn into a trade mart, a survey of the various clubs indicated today.

They actually will have little else to do since the league's owners will have thrashed out matters of policy, expansion, rules changes, etc., the previous three days in the league's usual summer sessions in Boston.

The coaches and front office bosses set their own meetings in Buffalo to coincide with that weekend's college All-Star football game sponsored by the American Football Coaches Association. They will get an early line on some of the prize rookies they have drafted.

Although there has been an increase in trading between AFL teams this off-season—10 trades to date compared with six a year ago—most AFL officials believe the big move is yet to come.

"There will be a lot of trades made," says Dick Gallagher, general manager of the Buffalo Bills. "I think everybody has been waiting for this meeting."

Sid Gillman of the San Diego Chargers disagrees.

"There will be trades, but they won't be big ones," says Gillman. "Clubs just aren't giving up top players. Those that offer up want too much in return."

Most coaches seem to be seeking offensive linemen, particularly guards and tackles.

Jim Otto, Oakland's two-time All-League center, is one of the most sought-after players in trade talk. Virtually every team in the league has tried to acquire him, some offering four or more players in return.

Stock Cars Battle For \$2,500 Purse Sunday In Portland

PORTLAND (Special) — A top field of over 20 late model stock cars hold their fourth assault on the Portland Speedway's paved one-half mile oval Sunday afternoon with the feature event going for 150 grueling laps.

A huge \$2,500 plus purse will be on the line for the stock cars and it will be a battle to the wire for top prize money.

Time trials will get underway at 1:30 p.m. with the first racing event starting at 2:30.

At least six of the 1962 models will be competing in Sunday's events with Indianapolis veteran "Bull" Bob Gregg, making his first start in a new 1962 Hulman and Moody equipped Niles Mercury with the 408 cubic inch engine.

Other 1962 models will include Carl Joiner, 1962 Chevrolet; Royce Hagerty, 1962 Mercury; Art Watts 1962 Ford; Hal Beal with his 415 cubic inch 1962 Dodge and Dick Bown, 1962 Chevrolet.

Leading the current stock car point parade however is a 1961 Pontiac driven by Kuzie Kuzmanich with two wins at the Speedway and one short track victory at Jantzen, and Bill Amick who drives a 1960 Pontiac.

TROPHY WINNER — Jim Standley walked off with the honors in last week's trophy dash at the Roseburg Speedway. Standley will be back in action Saturday night when the hardtops will be circling the track for the third time this season. This week the drivers will be out to dethrone Standley, who has won the trophy dash for the past two weeks. (News-Review Photo).

Fremont Posts Third Win; Tops In League Standings

Roseburg draws bye

Taking an even firmer grip on the Babe Ruth League lead, Fremont squeaked by the Roseburg club, 3-2, in a Continental Division game played Wednesday.

Fremont's margin of victory came in the seventh frame when Bill Mills doubled, moved to third on Kent Cummin's sacrifice and scored when Mike Fitzgerald was safe on an error.

Both teams collected two runs in the sixth. Roseburg got its two runs when Gary Heeter got to first on an error, stole second and romped home on Roger Boucock's single. Boucock moved to second on the throw to the plate and later scored on an error.

In scoring two runs in the sixth, Fremont did it all with two away. Jerry Remick singled, stole second and scored when Niel Hummel hit a hot liner on which the short-stop could not find the handle. Hummel went to second on the throw in, stole third and scored. Fremont's second run on an error.

Rusty Hubbard and Gary Heeter locked horns in a tight pitching duel, with Hubbard gaining the win. Both pitchers struck out 12 batters, while Hubbard issued one base on balls and Heeter three.

Fremont now holds a decisive lead over any of the other squads in the Continental Division, as it owns a 3-0 record.

Sutherland Rifle Team Takes Runner-Up Spot

Sutherland's Woodcraft Rifle team placed second in a five team match held recently in Puyallup, Wash., reports Mrs. Jerry DeMuth, Sutherland correspondent.

Mike Mandero was the high scorer for the Sutherland team. Other members of the team shooting in the match were Lyle Mandero, Kenny Smith, Dave Sorum and Duane Harris. Team members making the trip but not competing were Keith Smith, George Enlow and Rex Evans.

The group, and chaperon Mrs. Sterling Adams, attended the World's Fair in Seattle before returning home.

Antelope Hunt Applications Due July 18

Antelope hunters intending to file applications for this year's hunt scheduled Aug. 25 through Aug. 29 are advised by the game commission that each hunter must file as an individual applicant. Party applications which were permitted in the past will not be accepted this year.

This regulation became effective following the public hearing and adoption of the final big game regulations for 1962 by the game commission on June 8.

Under the new ruling, applications for the 1962 antelope hunts must be on an individual basis. Applications with more than one hunter's name on the application blank will not be accepted.

Deadline for filing for the antelope hunt is set for 5 p.m. (PDT), July 18. The public drawing is scheduled for 10 a.m. (PDT), July 25. A total of 600 antelope tags will be issued for the six antelope hunting areas. Antelope hunters are reminded that Area III was reduced to include the Warner unit only.

The commission also advised hunters that the curtailment of party applications for the elk hunts would be effective next year. The commission reported that under next year's elk regulations no more than two individuals will be allowed to file for elk permits on a single application. Party applications up to four individuals would still be allowed this year.

Hunter Safety Registrations Being Taken

Registrations for the last juvenile hunter safety course in this area this summer are now being taken.

This will be the last class conducted before hunting season this fall, states Harry Hill, chairman for the Kiwanis Club sponsoring the course.

He said that 694 in the Roseburg area have taken it, and many more should. It is open to both boys and girls.

Registrations are being taken at J. C. Sporting Goods, Marks, Dudes Gun Shop, Umpqua Gun Store, and Umpqua Valley Hardware. Applicants will be notified where and when to attend classes after they have registered. Registrations will close June 30.

Hill said all juveniles, 17 and under, must have in their possession while hunting, a certificate of completion of the course, while hunting on property other than their own, parents', or legal guardians'.

The course is not required to obtain the license, only to hunt on public lands, he said.

Other new state laws pertaining to juvenile hunting state that all juveniles 14 and under must be accompanied by an adult 21 or over at all times while handling arms in the field. Also, no one under 12 years of age may obtain big game tags.

Mantle Returns To Yank Lineup

BALTIMORE (AP) — Mickey Mantle, the New York Yankees ailing super-star, will return to the lineup Friday night against the Detroit Tigers.

Yankee Manager Ralph Houk said he will try Mantle in right field, instead of his usual center field spot, "because in Detroit, it's the smallest area an outfielder has to cover."

Mantle has been out of action since May 18 when he tore a muscle in his right thigh and landed heavily on his left knee while running out a ground ball. The thigh muscles have healed, but impaired ligaments back of the left knee are still troubling him.

In the 29 games the Yankees have played since he was injured, New York has won 14, and slipped from first to fourth place.

By THE ASSOCIATED PRESS

Batting — Hank Aaron, Braves had two home runs and three singles, driving in six runs, and led Milwaukee to doubleheader sweep over New York, 9-4 and 3-2.

Pitching — Barry Latman, Indians, threw a five-hit shutout in the nightcap of a double header as Cleveland swept two from Boston, 6-3 and 3-0.

Drain's Rally Falls Short Springfield Triumphs 8-7

Drain's American Legion juniors found a six-run fourth inning uprising staged by the host Springfield crew more than they could cope with Wednesday, losing a heart-breaking 8-7 decision.

Going into the fatal fourth Drain boasted a 4-0 lead. Springfield's six-run rally came on three hits, three walks and two costly outfield errors. Springfield went on to lead 8-4 with two more counters in the sixth.

Fighting for their lives, the Drain Legion juniors rallied for three runs in the top of the eighth, and left the tying run stranded on third. In its half of the ninth Drain got runners on first and second before running out of steam.

The loss drops Drain's Doug-Lane League record to a poor 1-4. Springfield now sports a 2-4 record, having topped Martin Bros. Signs of North Eugene earlier in the week.

Starter Darrell Cellers was tagged for the loss. Cellers was tagged for eight hits, walked five and struck out six. Dick Peglow picked up the win for the host team.

Peglow issued seven walks allowed seven hits and struck out 11 Drain batters.

Catcher Gary Cox, center fielder Dwight Pontius and first baseman Ran Cool accounted for six of the Drain hits with two bingles each. Dennis Baldrige carried the big bat for Springfield. Baldrige was 3-5 at the plate, including a two-run triple in the sixth frame. Rick Hand had two hits for the winners.

Drain broke the ice with two runs in the second inning. Cellers walked and stole second before Tom White worked his way for a free pass. A passed ball allowed the runners to advance, then John Snead lashed a sharp grounder to the short-stop. The throw to the plate was too late to catch Cellers, and when the ball got by the catcher White continued his journey.

Back-to-back singles loaded the bases for Drain before Springfield managed to retire the side.

In the fourth Snead swung at a bad pitch and reached first base on a strike out. With one away

Roger Rutledge singled to score Snead. Rutledge came around on an error and two passed balls.

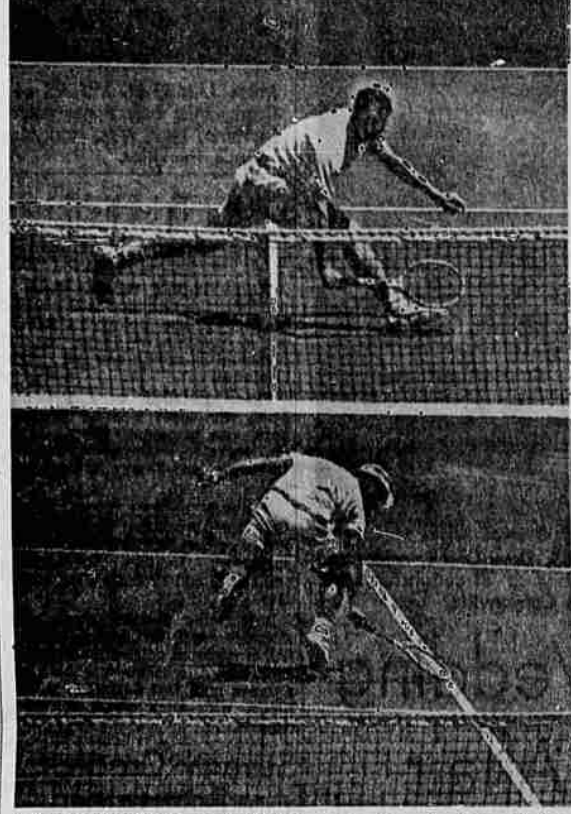

Springfield took over in its half of the fourth. A walk to Bob Davis, followed by an error on Ron Jones' fly and a double by Gary Davison accounted for the first run. Another walk loaded the bases, but a fielder's choice caught the lead runner. A wild pitch allowed Davison to score the second run for Springfield. With two away the second outfield error of the inning tied the game at 4-all. Two singles and a walk put Springfield in front.

A valiant try by the Drain team in the seventh fell one run short when the visitors strung together two hits, three walks and a Springfield miscue for three runs.

Tonight Drain will step out of league play for the first time to meet Towers Motors team of North Bend in a single game at 8 at North Bend. Saturday Drain will host Martin Bros. Signs of North Eugene in an important Doug-Lane League twin-bill.
