

Five Coast Area Beauties Vying To Rule Annual Fleet Days Fete

Reedsport and Roseburg will join forces to a large extent July 14-15, when the Sixth Annual Fleet Days Celebration gets under way, according to Lois De Valbiss, Fleet Days' chairman, and Bill Bryant, president of the Lower Umpqua Chamber of Commerce.

The Chamber group is sponsoring the festivities, based around the sport and commercial fishery and western Douglas County's recreational resources, according to Dawn Pesau, correspondent.

Five pretty princesses, chosen by civic and fraternal organizations as rulers of the Fleet Days festival, are vying, in friendly competition for the crown of Fleet Days Queen.

The lucky princess, to be chosen on the basis of beauty, poise and talent, will be crowned by Mrs. Ray Doerner, wife of County Commissioner Doerner. Doerner is a member of the Salmon Harbor Administration Committee.

Commissioner Doerner will address the Fleet Days throng during the coronation ceremonies to be held at 10 a.m., July 14, in the

Reedsport City Park on Winchester Ave.

A parade, in which Paul Bunyanites and members of the sheriff's posse will participate will be a feature of the afternoon July 14.

Colorful Feature

A colorful and solemn feature of the two-day festival is the traditional ceremony of the blessing of the fleet, at Salmon Harbor. Royal Rosarians will form a colorful honor guard for the religious observance.

The Fleet Day Court consists of Joy Dawn Nickels, Sonnia Thofson, Sandy Jones, Sandra Hughey and Dixie Burlison.

House Trailer Fees Drop In Douglas

House trailer fees for the 1962 fiscal year are down slightly from the previous year in Douglas County, according to Leland W. Svarverud Jr., county assessor.

The amount to be distributed to the various taxing districts this year is \$44,335.49. This is slightly below the 1961 total of \$46,568.14.

House trailer fees are collected by the Department of Motor Vehicles in lieu of taxes. The fees are remitted to the counties and then distributed to the taxing district, according to location of the house trailers.

The amounts distributed serve as an offset against the amount of taxes to be levied.
