

North Bend Rally Tops Drain Nine

A 10-run fifth inning explosion proved more than the Drain Legion could handle Friday at North Bend, as the Towers Motors team recorded a lopsided 20-4 victory in a non-league game.

Drain had tied the score at 3-3 all going into the home team's half of the fifth inning. However, at this point Drain's pitching went wild to issue seven of the 15 walks given up by Drain chukkers during the game.

Tom LaMar's three run triple for the North Bend squad was the big-blow of the uprising.

Following the big rally, North Bend racked up seven more runs in the sixth inning to coast to the win. Four walks aided the Towers Motors cause in the sixth.

North Bend started the scoring in the third inning with three runs—all of which crossed the plate on Dale Turner's long double.

Drain came back to tie the score in the top of the fifth. Drain's three runs came on singles by Mike Blomberg, Darrell Cellers and John Snead, combined with two North Bend errors.

Dick Kromminga pitched the win for Towers Motors. Kromminga struck out 11 and walked three in the seven inning game. In addition, the North Bend pitcher collected three hits for three official appearances at the plate.

Top hitters for Drain with identical 2-4 records were Cellers, Snead and Ran Cool.

Drain's coach, Leon Hayes, handled the catching for his team when only eight ball players showed up for the game.

The Roseburg - South Eugene Doug-Lane League doubleheader today will be played at 5:30 p.m. at Bethel Park in Eugene.

Game time was originally set for 4:15. Roseburg will go into the game in first place with an 11-1 record, while Wicklunds Sporting Goods of South Eugene rests in second place.

UMPIRES PICKED
COOPERSTOWN, N.Y. (UPI)—John Rice and Ed Runge of the American League and Frank Walsh and Chris Pelekoudas of the National League will be the umpires for the 21st annual Hall of Fame game between the New York Yankees and Milwaukee Braves July 23.

BILLY CASPER, Apple Valley, Calif., appears disgusted as the ball drops back in the bunker on a trap shot at the first green in the second round of the Buick Open. Casper's two-day total of 144 is four strokes behind leaders Tony Lema and Pete Cooper. (UPI photo).

Mantle, Maris Rap Homers For Yanks

By United Press International

The Yankees are ready to do business again, Maris and Mantle are back from lunch.

They were "gone" so long, a lot of people had nearly given up on them, but not patient, understanding Ralph Houk.

Houk says if another war broke out tomorrow, the first two guys he'd want on his side would be Roger and Mickey. As a quick afterthought, he claims they're not a bad combination to have in peacetime, either.

Between them both, they have hit a total of 13 home runs during the past week. Each eluded a pair in Friday night's 7-4 victory over the Minnesota Twins that kept the Yankees a scant half-game from first place.

Mantle, still hobbling occasionally because of a thigh injury, tied a major league record by connecting for successive homers off loser Camilo Pascua in his first two times up.

Mick Slammed 17th
Mick had hit a pair of homers against Kansas City Wednesday in his last two times at bat, so that made him the 12th player ever to hit four homers in consecutive times up. He has 17 for the year, seven of which came in the past week.

Maris, with 21 homers for the season, rapped his first of the game Friday night with two on in the opening frame and connected again with the bases empty off

ed up for the game. Hayes, a former University of Oregon star, batted left handed against North Bend—"to keep things fair."

Drain will face the Winetroot Motors Legion of Myrtle Creek in a Doug-Lane League doubleheader Sunday. The league twin-bill Sunday will be played on the Riddle diamond at 2 p.m.

Drain 000 031 0-4 8 3

Women Track Stars Battle In AAU Meet

LOS ANGELES (UPI)—Women's track in general and Wilma Rudolph Ward in particular, shunted to the background by intent or accident, briefly regained the spotlight today and Sunday in the national AAU outdoor championships at Memorial Coliseum.

While nothing that happens here is expected to signal an upset over the Russian women July 21-22 at Palo Alto, it will provide an opportunity to see the finest American gal performers in action—and a bid by Wilma to return to championship form.

Most of today's competition was for the younger girls, between the ages of 11-17, although some trials are scheduled this evening in the women's classification. These include the 880-yard run, 440 and 220-yard dashes.

In 1960, Wilma Rudolph walked off with laurels as the outstanding woman athlete in track and field in the Rome Olympics. In 1961, prior to marriage and devoting more time to studies at Tennessee A. & I., Miss Rudolph won the 100-meter AAU crown against the Russians as well as anchoring the 400-meter relay.

Coach Ed Temple entered Wilma in the 100-yard sprint and relay this year, too, although she hasn't run competitively since losing to teammate Jean Holmes in an indoor meet here in January.

The trials for the dashes and most other events are scheduled for Sunday morning, with finals that evening.

BRITT SULLIVAN, 27-year-old former Wave had to end her marathon ocean swim Friday when her legs refused to kick any longer, after 85 hours in the water. She was brought to shore 25 miles from her home island goal.

Endurance Swimmer Misses Goal, Sets New Record Just The Same

NEW YORK (UPI)—Endurance swimmer Britt Sullivan never did get to Coney Island the way she wanted to, but she swam her way into the record books just the same.

The 27-year-old former Wave had to end her marathon ocean swim Friday when her legs refused to kick any longer, after 85 hours in the water. She was brought to shore 25 miles from her home island goal.

Even though Miss Sullivan did not accomplish her aim of a 100-mile trip, her 75-mile swim from Southampton was more than enough to win a place in sports annals. After all, her handlers noted, she broke the salt water swimming record set by Tom Cook in Los Angeles. Cook's 31-mile trip took 36 hours.

If Miss Sullivan had been swimming across the English Channel instead of along the Long Island coast, she could have been the first swimmer to make two non-stop round trips—four 19-mile journeys back and forth between Dover, England and Cape Gris Nez in France.

Of if she had chosen one of the Great Lakes as her swimming area, the young swimming instructor could have traveled across Lake Michigan, for example. The distance from Sheboygan, Wis., to Ludington, Mich., is about the same as Miss Sullivan accomplished in the Atlantic.

The ocean-going swimmer was in a state of near collapse when she was brought to shore and given oxygen. Taken to Long Beach Memorial Hospital, she was detained overnight under the close watch of doctors.

At the hospital, Miss Sullivan enjoyed her first regular meals since Tuesday. In her battle against the waves and tides along the route from Southampton, L.I., she kept to a diet of vitamin pills and concentrated liquid

on three singles and a sacrifice fly.

Legion 9 Splits With Corvallis

TOM KABLER lines up a shot on his way to winning the Roseburg Jaycee Junior Golf tournament. Kabler fired rounds of 73 and 76 for a 149 total in the two-day tournament. Watching the champion take aim is Bobby Anet. The top four winners of the tournament will represent Roseburg in the State Jaycee Junior Golf tournament. (Bob Leber Photo).

Kabler Wins Jaycee Golf Tournament

Sutherland's Tom Kabler walked off with top honors during the Roseburg Jaycee Junior Golf Tournament held Thursday and Friday at Stewart Park and the Roseburg Country Club.

Kabler ended the action with a 149 total for the 36 holes. In the first day's round at Stewart Park the junior champ shot a 73, then came back with a 76 Friday at the Country Club.

In the two days of action Kabler fired two 37s, a 28 and a 39 on the nine hole rounds. He was prevented from getting three 37s when someone picked up his ball on the 12th hole Friday at the Country Club giving him a two stroke penalty.

Second place in the tourney went to Dick McLaughlin with scores of 82 and 81 for a total of 163. Dave Leiken finished third with a 164 and Steve Smith was fourth with a 168. McLaughlin, Leiken and Smith are all from Roseburg.

The top four golfers from the Roseburg tournament will represent the local Jaycees in the state tournament at Tualatin Country Club in Portland.

Rusty Diehl, chairman of the local tournament, reported that 37 youngsters between 12 and 18 years of age entered the playoffs.

Prep Crew Remains In Regatta Action
HENLEY-ON-THAMES, England (UPI)—A crew of fuzzy-cheeked kids from Washington-Lee High School in Arlington, Va., wound up as the lone American representatives today in the Henley Royal Regatta.

The Virginia youngsters will vie for a berth in the final of the Thames Cup competition by meeting England's National Provincial Bank crew, which eliminated the Detroit Boat Club in Friday's quarterfinals.

Washington-Lee reached the semifinal by scoring a three-quarters of a length victory over the Argosies Rowing Club, comprised mainly of London dock workers.

The Yanks' last hope for a victory in the Grand Challenge Cup competition for heavyweight eights vanished Friday when the University of Pennsylvania crew was eliminated by Moto-Guzzi of Italy in the semifinals.

Charon's Two-Hitter Evens Score After Corvallis Won Opener 4-3

Splitting a non-league twin bill with the Corvallis nine, Lockwood Motors of Roseburg upped its season record to a respectable 26-3.

Although dropping the seven inning opener, 4-3, Roseburg managed to come back and take a 1-0 decision in the five-inning nightcap. Both teams had trouble hitting the ball, as Roseburg collected only five hits in the two encounters and Corvallis eight.

Lyle Charon had a full evening's work, pitching the final two frames of the opener and the full five innings of the final. Charon did not allow a Corvallis runner to cross the plate in either appearance. In the first contest Charon gave up one hit, fanned two and walked two. Getting credit for the win in the nightcap, Charon gave up two hits, while whiffing seven and issuing four bases on balls.

Starting on the first game was lefty Jon Burnham, who gave way to Charon after five frames of pitching. Although suffering his first loss in four decisions, Burnham gave up only one earned run, while striking out four and walking three.

Portland Miss Cops Top Bowling Honors
Shirley Cooper, Portland, was named as the national women's winner in the recent Bow Down Cancer "Beat the Champs" bowling contest.

Mrs. Cooper won top honors in Oregon with a 779 total on lines of 245, 175 and 191, coupled with a 168 handicap for the three games. The 779 score turned in by the Portland housewife earned her regional and national honors in the contest.

In the men's division Harvey Blaylock of Stayton had a 772 total for first place in the statewide competition. John Kobuki, Seattle, won regional honors with a 777 and Martin Cossentine, Hempstead, N.Y., took the national prize with a 842—which included a 300 game.

Mrs. Cooper and Cossentine each received a two-week vacation in Paris and London and a Ford Falcon Cruiser or Chevrolet Green-brier Home Cruiser for winning the national contest. On top of the national prizes, each won state and regional awards.

In Oregon the team division of the contest Brucks Glass of Hood River won the women's title and Standard Oil of Prairie City took the men's honors. Brucks Glass had a 3,315 total, while Standard Oil had a 3,282 score.

State Tourney Plans Discussed At OSBA Meet
Glen (Doc) Wellman recently returned from Pendleton where he attended a meeting of the Oregon State Bowling Association at which time plans for the 1963 state tournament were made.

The 1963 state tourney will be held in Pendleton next spring in two recently completed bowling establishments. The tourney will be divided between the Pendleton Lanes, a 24 lane house located three miles south of Pendleton, and the Roundup Lanes, recently opened for its first season.

Roundup Lanes will host the Master's division of the state tourney which had its initial action during the 1962 tournament at Roseburg. An effort will be made to attract more entrants to the Masters' Tournament. Titles will be changed very little from the recent one hosted by the Roseburg association.

Dates for the state tournament are March 16 through April 21, with the Master's qualifying rounds being held at the same time. The finals of the Master's Tournament will be held in Eugene, a centrally located site which will make it easier for entrants to make the second trip necessary to compete in the finals.

Jockey Johnny Longden won the Queens County Handicap three times. He scored with War Admiral in 1938, with Lovely Night in 1939 and with First Fiddle in 1944.

By tallying all its runs in the first two frames, Corvallis built up enough of a margin to gain the win. The Corvallis squad chalked up two runs in both the first and second innings to finish their scoring. In those two frames, Burnham allowed three of his five hits and three Roseburg miscues played an important role in the scoring.

Roseburg came back with a single marker after Corvallis had scored its two in the first. Marv French walked, Gordon Avery reached first on an error and Jim Beamer got on on a second miscue which loaded the bases. Tom Hobbs worked his way for a base on balls to force in French.

After going for three innings without a score, Roseburg came up with two runs in the fifth frame. Dennis Arana walked, Beamer singled and Hobbs reached first on an error to load the sacks. Bob Manning knocked in the first run when he reached base on an error, and Stan Young, who was pinchhitting for Burnham, walked to force in the second run.

The second contest was another one run game, but this time Roseburg reversed the tables. By scoring a single run in the second frame Roseburg managed to squeeze out the victory. Ron Pol-

ley walked, moved to second when Avery walked, continued to third on Charon's groundball error and scored when French reached first on an unsuccessful fielder's choice.

Base Runners Stranded
With 20 men left on base during the two contests, Roseburg continued having trouble scoring its base runners. Roseburg left 12 runners stranded in the opener and eight more in the nightcap.

Mary French rapped out two of the local nine's six bingles, going 2-6 in the two games. Socking the only extra base blow was Glen Fortune when he doubled in the second inning of the first game.

Resuming Doug-Lane League action tonight, Roseburg travels to Bethel Park in Eugene to face a tough South Eugene contingent in a 5:30 p.m. doubleheader. Tuesday Roseburg returns home to host the Marshfield Legion team in another twin-bill.

North Umpqua Steelhead Count Shows Sharp Gain During June
The summer steelhead run in the North Umpqua river began to pick up during the final two weeks of June.

A total of 131 steelhead were counted at the Winchester Dam counting station during the period of June 15-30. The count for the year now stands at 239.

Spring chinook continued to pour over the dam, with 139 being reported during the last two weeks of June. The total run of chinook to date is 3,506. Jack salmon picked up 85 to bring the total for the year to 495.

Fish counts through June 30:
Spring Chinook (adults)
1953 484 3,829 4,310 88.8
