

Whitson Kennel Greyhounds Set For Derby At Gresham

Whitson Bros. Kennels of Winston qualified five fleet-footed greyhounds for Saturday's Fairview Park's 1962 Sapping Derby. The five qualifiers for the big event as the result of Monday's action includes Whitson's Ace (second), King Leonard (fourth), Augury (second), Mixed Pilot (second) and Madam Sherri (second). Madam Sherri is one of the favorite Oregon-bred dogs entered in the race. The local greyhound speedster is the first pup of the 1962 maiden grade beginners to score a Grade A win. Madam

Four Roseburg Swimmers Set For Big Seattle Meet

Rob Williams, Ron Frashour, Bill Zimmerman and Chris Longfellow will leave for Seattle today to represent Roseburg in the 43rd annual Green Lake Mile swim Friday. The Green Lake Mile will be held in conjunction with the Northwest AAU Junior Swimming Championships. In addition to competing in the mile event, each of the four Roseburg entrants will compete in his specialty in the AAU meet. The four will also compose a relay team to compete in the meet.

Coach Larry Lerno, holder of the Green Lake Mile record set in 1959, hopes for a good showing from the quartet of aquatic aces. The coach stated that the boys have been pushing the winning times of the past several years during workouts. However, the practice sessions are held in the pool, while the mile swim will be in the open waters of the lake. Rough water on the lake seldom is a problem to the swimmer. The major difficulty that will be encountered by the boys is trying to stay on course in the open water. The course on the lake is set up in a triangular shape, with each leg of the journey equaling approximately one-third mile. During workouts at the Roseburg city pool, Zimmerman, Frashour, Williams and Longfellow have been swimming at least four miles a day to get in shape for the big event. In addition they have been practicing and competing with the Roseburg swim team. Lerno reports that the mile swim and the AAU championship meet is the biggest outdoor meet of the season in the Northwest. Top
