

Brumel, Connelly Set World Records In Dual Meet Won By United States

STANFORD, Calif. (UPI) — Valeriy Brumel comes from Siberia but it's a cinch that he's not going to be sent back there.

The world's greatest high jumper became the first man to clear the bar at 7 feet, 5 inches Sunday as he electrified a dual track and field meet in which the United States bested Russia for the fourth straight time, 128-107.

It marked the second world mark to fall in as many days. Harold Connelly of the United States demolished his world mark in the hammer throw Saturday with a fling of 231 feet, 10 inches. Brumel also bested his old mark of 7-4 5-8 and he did it on his very first shot at the 7 foot, 5 inch height.

But it only was one of the eight first places which the Soviet track and field squad could pick up while the United States men won 14 events.

The same old story prevailed in the women's battle however, where the Soviet girls displayed too much muscle and bustle. With Tamara Press racking up wins in the discus and shot put, the Russian women posted seven first places to the Americans' three and outscored them, 66-41.

"Finest Boys," Coach

"This was the finest bunch of boys we've ever had," said Coach John Oelkers of the United States. "And they're really going to be ready for Tokyo."

Getting down to cases, Oelkers disclosed that he had expected the United States to collect from 128 to 130 points.

Sunday's turnout of nearly 82,000 at Stanford Stadium watched Jim Beatty turn in the best race of the day.

He won the 1,500 meters in 3:39.9 to set an American record.

In another key American victory Sunday, Jerry Siebert — probably running his last race — escaped from being boxed in during the first lap and roared home ahead of the field to win the 800 meters. His clocking 1:46.4 also knocked four-tenths of a second off the meet mark which he set last year in Moscow.

In other big wins Sunday, the Americans retained their mastery over the Russians in the 200 meters which Paul Drayton captured in 20.8 and the 400 meter hurdles in which Willie Atterberry clocked a 50.3.

At Oerter's throw of 200 feet one inch gained him first place in the discus while Russia's Vladimir Trusenev had to settle for third spot behind Rink Babka. Babka had a 193-10 1/2 effort to Trusenev's 189.9.

Two Double Winners

Tamara Press and Pyotr Bolotnikov, both of Russia, were the only double winners. While Miss Press won the discus Saturday and shotput Sunday, Bolotnikov followed his Saturday 10,000 meters triumph by taking the 5,000 in 13:55.8.

Wilma Rudolph won the women's 100 meters handily — as usual — in 11.5 and then anchored the winning women's 400 meter relay. Her teammate, Vivian Brown, scored a mild upset in taking the 200 meters in 23.7.

Russia also prevailed in the women's 80 meter hurdles and 800 meters with Irina Press, Tamara's kid sister, and Lyudmila Lyseko handily winning each event.

But Leah Bennett of Honolulu came out with an American record in the 800, although she finished third. Her time was 2:10.4 to Mrs. Lyseko's 2:08.6.

The decathlon title also went to Russia, with Vasili Kuznetsov collecting 7,830 points. He was far ahead of America's Paul Herman who took second with 7,653.

SETTING a new meet record in the dual competition between United States and Russian track teams over the weekend was Willie Atterberry, U.S.A. (91, left, background) in the Men's 400-meter hurdles event. His time was 50.3. He is shown taking the last hurdles on the second day of the meet. Second in the event was Rex Cawley, U.S.A. (93). Russia's Casilij Anisimov (55) and Georgiy Scheychalov (62) were third and fourth. Meet was held at Stanford Stadium, Palo Alto, Calif.

UP AND OVER goes Valeriy Brumel, Soviet pride in the high jump. This all-out effort paid off in a world record jump of 7-5 on second day of the two-day Soviet-American track meet at Stanford Stadium. At upper left, Brumel starts up toward bar. He curls over it, upper right, and goes down other side, lower left. He ends on his back in sawdust pit in lower right. (UPI Telephoto).

Player Claims Crown In PGA

NEWTOWN SQUARE, Pa. (UPI) — Gary Player, the new PGA champion, had one more championship to go today to achieve his golfing ambition.

When the 28-year-old 5-foot 7-inch South African shot an even par 70 Sunday to win the PGA title it left him only one more crown to go for his own "golfing grand slam."

"When I started out in this business of being a golf professional nine years ago," Player said, "I had one goal. That was to win the four big ones. Now I've got three of them—the Masters, the British Open and the PGA.

"All I need now is the U.S. Open and I am going to go out and get it next year."

Wears Black Clothes

The black-clad Player, who chews raisins to keep his strength and wears black because it makes him feel "warm and strong," finished eighth in the U.S. Open this year in which Jack Nicklaus beat Arnold Palmer for the title in a playoff. His best showing in the biggest one of them all—the U.S. Open—was in Tulsa in 1958 when he finished second four strokes behind the winner, Tommy Bolt.

Player was the first foreigner to win this tournament since Australian Jim Ferrier won it in 1947.

"Now as a foreigner I have won them all except the U.S. Open. Last year I was the first foreigner to ever be your leading money winner. Now I want to become the first foreigner to win the four big ones."

Softball Tourney Sets Play Tonight

Twilight League softball action found two important games played Friday evening.

Bert's Food Market of Oakland downed Mock Motors of Roseburg and Jackson Wholesale dumped Douglas Veneer in games deciding who will be the finalists in the post season softball tournament.

Bert's food Market won a thriller in extra innings as it downed Mock Motors 5-4 to earn a tournament berth. Bert's forced the game into extra innings when the two teams found themselves deadlocked 4-4 at the end of regular scheduled play. The stage was set in the eighth and Fred Meissner came through in fine style with a game winning double.

The winning pitcher was Jim Taylor. He tossed a nifty two-hitter at the powerful Mock team which had recently won the league crown.

Jackson Wholesalers found smooth sailing as they notched an 8-1 victory and won themselves a tournament berth also. Douglas Veneer could muster only one run and four base hits off the fine pitching of left-hander Phil Telford, while being deluged by a 12-hit attack themselves.

Leading hitter in the encounter for Douglas Veneer was Chuck Hiney with 2-4. For Jackson Wholesale top batsman were Ralph Hawes with a perfect 3-3 and George Winnema 3-4, including two doubles and a triple.

The post season tournament winner will be decided in a best-of-three playoff series between the victors of these two Friday games (Bert's and Jackson Wholesale) beginning this evening.

Myrtle Creek 9 Finishes Season By Losing Two

Myrtle Creek's Legion nine ended its 1962 season Saturday afternoon on a sour note as it lost both ends of a twin bill to a fine Springfield ball club.

The first game found the visiting Winnetrou Motors team of Myrtle Creek overpowered by an 11-run Springfield deluge. The South Douglas team in this first encounter could manage no runs and only four base hits as it went down in defeat.

Base hits in the game for Myrtle Creek went to Tony Quinn, Loren Powell, Dan Fisher and Mike Markham.

The final game found the Winnetrou nine mustering little more resistance as it again was defeated, this time by a 6-0 count. Only two hits were dealt to Myrtle Creek in this game by a tough Springfield mound crew. These were to Bill Markham and Powell.

Rojelio Gutierrez started both games for Myrtle Creek but was relieved in both finding lots of trouble in the Springfield bats.

Top Myrtle Creek hitter for the afternoon was Powell who collected two hits in the games.

Myrtle Creek finished the season in Doug-Lane league play in sixth position with a four-win fourteen-loss record.

Lumberjills Softball Game Is Postponed

The scheduled softball contest between the Roseburg Lumberjills and the Eugene B club Saturday at the Veterans Administration diamond was called off.

Eugene could not field a team as most of its girls were working Saturday. The game will be rescheduled for a later date.

The next outing July 29 when the Lumberjills will tap for the Rogue River Dairy Maids invade for a single contest at the Veterans diamond.

Frashour Takes 6th In Seattle Swim, Leads Roseburg Swimmers

Raon Frashour led Roseburg's entrants in the Green Lake Mile swim held over the weekend in the Seattle suburb.

Frashour came in sixth place among the male swimmers with a clocking of 25:08.3. Teammate Rob Williams finished eighth in the race of 25:25.2, while Bill Zimmerman came in tenth in 26:23.0 and Chris Longfellow finished 12th with a 27:31.2 clocking.

Sandy Gilchrist, Ocean Falls, B.C., swimming for the Cascade team of Seattle, won the mile swim for the second consecutive year. Gilchrist covered the course in 21:13.0 to better the old record by 30 seconds, and beating the all-time course record by 18 seconds. Gilchrist is the Canadian National 1,500 meter champion, and is ranked as the No. 4 1,500 meter swimmer in the British Empire.

Gordon Eby, Prince Rupert, B.C., took runner-up honors and Chuck Richards, Tacoma, came in third.

In the women's division Noel Gabie, Seattle, put on a burst of speed at the finish of the race to edge out Jani Penn of Beaverton. Miss Gabie was clocked at 24:20.8 and Miss Penn at 24:24.0.

Roseburg coach Larry Lermo reported the Roseburg quartet did an excellent job in its first crack at the mile swim. The boys stayed on course all the way against the top swimmers in the Northwest. A total of 42 swimmers competed.

WINS TENNIS TITLE

GSTAAD, Switzerland (UPI) — Rod Laver, the Wimbledon champion who is hiding for a "grand slam," won the men's singles title in the Gstaad International Tennis Tournament Sunday, beating fellow Aussie Neale Fraser, 6-4, 6-4, 6-6.
