

The News-Review

QUEEN RAMONA and her court of lovely princesses reigned during the weekend's Myrtle Creek Fall Festival. They are shown on the queen's float which highlighted the Saturday morning parade. The queen and other candidates in the contest sold about 28,000 tickets. (News-Review photo).

Myrtle Creek Parade Winners Announced

Rice's Music of Myrtle Creek took first honors in the commercial division in Myrtle Creek's big parade Saturday. Second place was won by Dave's 76 Station and third by Del's Building Supply, both of Myrtle Creek. All winners received gold cup trophies which revolve from year to year in connection with the annual Fall Festival, according to Lorraine Birenbaum, correspondent.

Feline Fanciers of Oregon won \$75 for their first-prize-winning float in the non-commercial division. Wa ki va Camp Fire Girls of Myrtle Creek took the second place prize of \$50 for their float, and the Myrtle Creek Stockmen's float won the third prize of \$25.

Job's Daughters Bethel 39 of Ridge walked off with the \$45 first prize in the marching unit division. The Broomtail Operators 4-H group came in second, winning \$20. Earl Henbest's Indian Dancers of Roseburg placed third, winning \$10. Honorable mention, with prizes of \$2 apiece, was given to both the Boy Scouts and Cub Scouts of Myrtle Creek, the Myrtle Creek Juvenile Grange, and the Bathing Beauties of 1970, a group of pre-teens.

In the individual entry group, the Pioneer Days group won the first

Heart Attack Fatal To Rancher At Fire

William Burt, 50, of Rt. 4, Box 485, Happy Valley Rd., died Sunday while fighting a small grass fire on his ranch. He suffered a heart attack.

The Roseburg Rural Fire Department said the fire started from an electric fence on his ranch shorting out in some dry grass. It burned about a 50-foot square before it was put out. Firemen said Burt's wife, Florence, and their four children had the fire controlled when the firemen arrived.

Burt suffered the fatal attack while trying to hold the fire before firemen arrived. Walt's ambulance took him to a Roseburg hospital where he was pronounced dead.

Burt was a lifelong resident of Roseburg being born here Feb. 10, 1912. He was educated in Roseburg and in 1942 was married here.

During World War II he served in the Air Force. He was a member of the Roseburg American Legion Post. He was also a member of the Evergreen Grange and was its past master.

Since 1946 he has been employed as plant superintendent for Roseburg Sand and Gravel Co.

Surviving besides his wife are two daughters, Judy and Linda, and two sons, Terry and Tommy, all at home; his mother, Mrs. Margaret Burt, Roseburg; a brother, Merritt Burt, Roseburg; and a sister, Mrs. Agnes Wilcox, Oakland. Also surviving are two nieces and two nephews.

Funeral services are pending at Wilson's Chapel of the Roses, Roseburg.

The Weather

AIRPORT RECORDS

Mostly fair tonight and Tuesday, a little warmer Tuesday.

Highest temp. last 24 hours	83
Lowest temp. last 24 hours	59
Highest temp. any Aug. (60)	103
Lowest temp. any Aug. (56)	41
Precip. last 24 hours	.0
Precip. from Aug. 1	.53
Precip. from Sept. 1	33.02
Excess from Sept. 1	2.76

Sunset tonight, 7:20 p.m.
Sunrise tomorrow, 5:17 a.m.

Loggers Fire Weather

Temperatures today and Tuesday about 80, with lowest humidities both days above 40 per cent. Northwest winds today 5-12 m.p.h. becoming southwesterly Tuesday afternoon. Outlook Wednesday is mostly cloudy with scattered showers.

Cosmonaut Logs First Million Miles

Youth, Lady Die In Two Road Mishaps

Two persons died in separate Douglas County highway mishaps over the weekend. Four other persons were injured, one critically.

Killed were George Raymond Evanoff, 15, of Buckhorn Rd., and Rena Meta Bellum, 67, of River Falls, Wis. The fatalities raised Douglas County's highway death toll to 16 for the year.

Evanoff, son of Mr. and Mrs. Nick Evanoff of Roseburg, and Gary Lee Charon, 16, of Sutherland, were struck by a vehicle on a county road. Roseburg state police said the accident occurred on the Buckhorn Rd. near the Dixonville Store about 1:50 a.m. Sunday.

According to investigating officers, the two youths were lying down asleep on the road when struck by a 1950 station wagon driven by Richard Kent Moore, 23, of 844 SE Flint St., Roseburg. Moore told officers he was unable to stop before running over the two boys. Police are investigating reasons for the boys being in the road.

The victims were rushed to Douglas Community Hospital by Billy Mohr's ambulance service. Evanoff was dead on arrival. Charon was hospitalized with a broken scapula, and his condition today was listed "good."

State police said the accident is still under investigation. There were three passengers in the Moore vehicle which was traveling south. They were Dennis Lee Ferguson, William Peter Holden and Stephen Lorin Bowman, all of Roseburg.

The Wisconsin woman was killed in a collision involving three cars at 11:30 a.m. Sunday about five miles north of Oakland on Interstate Highway 5. State police said the woman was a passenger in a 1956 sedan operated by her brother, Peter Nygard Bellum, of Oakland, Calif.

Bellum's condition was reported "critical" at Douglas Community Hospital.

Investigating police said Bellum was apparently traveling north in the wrong lane of traffic. A vehicle driven by James Robert Wiemers, 35, of Fall Creek, traveling south, swerved across the southbound lane in order to avoid collision with the oncoming car, according to officers.

But Bellum's vehicle struck the rear corner of the Wiemers vehicle and continued on to be struck by a third vehicle, a 1961 sedan, driven by William Cole Nichols, 44, of Raleigh, N.C. Officer said Bellum's car was struck in the side by the Nichols car.

The Wisconsin woman was killed instantly on being thrown from the car, it was reported.

Pair Hospitalized

Nichols and his son, William Cole Nichols, Jr., 12, were hospitalized with minor injuries. Their condition was reported satisfactory today and it was expected they might be released sometime during the day.

Wiemers and four passengers with him, Betty Arlene Wiemers, 36, Susan Carol, 14, Connie Marie, 13, and James Rodney, 9, were not injured.

Body of the fatally injured woman was taken to Sutherland-Oakland Mortuary, which is handling local arrangements. The victim was born Oct. 25, 1894, at River Falls, Wis., and taught school in the River Falls area. The body will be sent to Segerstrom Funeral home in River Falls for funeral services and burial. Announcement of funeral arrangements is pending arrival of family members from Fresno, Calif., and Utah.

Long Ordeal Ends For Mother, Son

DETROIT, Ore. (UPI) — A long 21 hours in the rugged, chill Cascades ended Sunday afternoon for a Milwaukie school teacher and her small son.

Mrs. Gordon Clapp and Leonard, 3, were sighted by a search helicopter as they waded from a small field in Brienbush Canyon in the mountains northeast of Salem.

The rescue ended a search by more than 70 Scouts and mountain rescue teams who had fanned out along the Skyline Trail area.

The helicopter lifted Mrs. Clapp and her son with ropes and carried them to a forest ranger station. Both were in good shape.

Mrs. Clapp said she was confident they would be found. Her husband, who was hiking with them just before they became lost, added, "I am damned thankful to have them back."

Mrs. Clapp and Leonard had roamed five miles during the night from the spot where they became separated from their party during a wilderness outing Friday.

Violence Marks Anniversary Of Berlin 'Wall Of Shame'

BERLIN (UPI) — Communist and West Berlin police fought a battle with tear gas grenades, smoke bombs and water cannon today on the first anniversary of the Communist-built "Wall of Shame" that divides the city.

West Berliners screamed noisy defiance and insults at the Reds. The trouble started when West Berliners jammed up against the wall to mark its construction with an official three minutes of silence and an unofficial half hour of noise, threats and insults hurled across the border at the Reds.

Drivers massed their cars for blocks around the foreigners' crossing place at Checkpoint Charlie and the nearby Wilhelmstrasse to blow their horns, wave handkerchiefs at East Berliners and shout abuse at Red police.

Factory sirens wailed during the demonstration, drowning out Communist loudspeaker trucks on the other side of the wall.

The Red police hurled tear gas grenades at the West Berlin demonstrators, West Berlin police retaliated by throwing smoke bombs across the wall at the Reds.

Use Water Cannons

The Communists also turned two water cannons on the crowd of about 500 West Berliners who had gathered at the wall at the sightseeing corner of Zimmer and Wilhelmstrasse near the East German government headquarters.

East Berlin itself was quiet and calm, without crowds or demonstrations, Western visitors reported.

The West Berliners shouted insults at the Communists across the wall, yelling such things as "Down with Ulbricht" and "Down with the wall"—a reference to the fact that East German Communist boss Walter Ulbricht ordered the wall built.

Eight youths carried a cross with the inscription "We Accuse." The Communists first turned their water cannon on the cross in an effort to knock it down.

Parking Group Asks Amendment To City Charter

A request from the Roseburg Parking Association asking that a charter amendment be placed on the November ballot for public parking assessment proceedings will be considered by the Roseburg City Council tonight.

The council will also hear a progress report on improvements to Gaddis Park and act on a recommendation that \$500 be budgeted for youth employment to improve park facilities.

Also scheduled is a review of East Roseburg sanitary sewer assessments preparatory to a public hearing on the assessments slated Tuesday night at 7:30 p.m. in the City Council Chamber. This will be an adjourned meeting from Monday night.

Third reading will be given to ordinances proposing vacation of a portion of SE Pine St. and annexing the northerly end of NW Lynnwood Terrace Dr.

But the youths stood firm. They held on to the cross although they were soaked and shaken by the streams of water.

Then the communist police hurled tear gas grenades over the wall.

The incident began about 30 minutes after thousands of West Berliners gathered along the wall at various places to stage their noisy demonstrations and unnerve the jittery Communist guards.

Exchange Tear Gas Grenades

West Berlin police said that in the Wilhelmstrasse incident both Eastern and Western police exchanged about 50 tear gas grenades in a 20-minute battle.

The East Germans had moved up more reinforcements to the wall during the night and the sound of tracked vehicles was heard in the West.

West Berlin police said the Western Allies increased their patrols along the wall and the Americans seemed to be sending more official automobiles into East Berlin.

Soviet army sedans in the West were greeted with threatening waves of fists, angry shouts and derisive whistles from West Berliners. American military police along the West Berlin border had to protect the Russian sedans from angry throngs as they returned to East Berlin.

The Russians indicated they were afraid the West Berliners would attack them.

Rusk Presses Soviets For Talks On Reducing Tension In Berlin

WASHINGTON (UPI) — Secretary of State Dean Rusk today pressed Russia for four power talks on reducing tensions between East and West Berlin.

This was the only concrete development officials would discuss after Rusk and Soviet Ambassador Anatoly F. Dobrynin met for 23 minutes at the State Department.

The State Department said the talk "produced no significant change" in the over-all Berlin situation.

Acting State Department press officer James Bishop said Rusk today "called the ambassador's attention to the proposal, noting that the Soviet Union had rejected the proposal recently."

Dobrynin was noncommittal on Berlin after the meeting but was more than willing to talk to newsmen about Soviet space exploits.

Washington officials said that representatives of the United States, Britain, France and Russia meet to discuss ways of reducing the number of incidents of violence which have occurred at the Berlin wall and ways to ease the barriers to commerce and movement of people between the two sectors.

Russia formally rejected the proposal July 14. Last Saturday, the State Department urged the Kremlin to "reconsider."

Acting State Department press officer James Bishop said Rusk today "called the ambassador's attention to the proposal, noting that the Soviet Union had rejected the proposal recently."

Dobrynin was noncommittal on Berlin after the meeting but was more than willing to talk to newsmen about Soviet space exploits.

Local Dairies Up Milk Prices

Two Roseburg area dairies today reported increases in milk prices effective today. A third dairy may follow suit later.

Umpqua Dairy Products Co. announced that prices on most fluid milk products will be increased one cent per quart at both the wholesale and retail levels. There was no change on cheeses, ice cream or frozen dessert prices.

O. J. Feldkamp, president, stated that milk prices in the Roseburg area have not been increased for several years now, with costs rising on both labor and materials.

Eugene area milk prices raised a half cent per quart last year with the recent wage negotiations, substantial labor cost raises makes price increases necessary.

Eugene boosted prices an additional half cent per quart two weeks ago, when their Teamster Union contract was completed, and several Portland dairies announced a one-cent raise during the past two weeks, Feldkamp reminded.

Meadow-Brook Dairy announced it is going along with the one-cent raise.

A definite answer was not available from Melrose Dairy, but a tentative report indicated any price rise probably would not come before the first of September. Other Farms had no change to report today.

Flight Equals Two Return Moon Trips

MOSCOW (UPI) — One of two Soviet cosmonauts orbiting the globe at almost 19,000 miles an hour tonight completed a journey of a million miles, a distance equal to two round trips to the moon. There was no sign that either space ship was about to return to earth any time soon.

Radio Moscow announced that Maj. Adrian Nikolayev, 32, had completed 37 orbits in the space-ship Vostok III by 9 a.m. PDT. The radio also announced that Lt. Col. Pavel Popovich, 31, in the space-ship Vostok IV had completed 21 orbits by the same hour.

The announcement said both cosmonauts were continuing to carry out their scientific and technical assignments in space, including operating their space ships by manual control.

Both cosmonauts reported they ate dinner with a good appetite tonight and that they felt well. They said the equipment in both their ships was functioning normally.

Radio Moscow scheduled further live television transmissions from space today, indicating that they may be up for at least another night.

Earlier interceptions outside the Soviet Union of messages to the space ships had indicated an imminent landing of at least one of them.

Soviet leaders, from Premier Nikita Khrushchev down, kept the world guessing as to just how long Nikolayev and Popovich would be kept aloft in their twin rides through space.

In a message to the two cosmonauts after Nikolayev had rounded out two full days in orbit and Popovich one full day, Khrushchev told them by radio he wished them "a successful fulfillment of the planned flight program and a happy landing."

Observers noted Khrushchev's care in making no reference to what the "planned flight program" was or when the landing would come.

Japanese and Swedish stations and space observatories intercepted Russian-language messages indicating one of the spaceships was preparing to land.

But as the day wore on, Vostok III, launched Saturday morning, and Vostok IV, blasted up beside it Sunday morning, were flying almost in formation on what looked like a marathon expedition.

A Soviet astronautical expert said the two spaceships are pioneering the way for the establishment of "space stations" which would act as departure points for future voyages farther out into the cosmos.

The two spacemen slept soundly for six hours as their ships orbited the earth during the night. Popovich, the father of a 6-year-old daughter, and bachelor Nikolayev exchanged messages as they hurtled through space—using their code names. Nikolayev's code name is called "Falcon" and Popovich's is "Golden Eagle."

"Everything is all right with me," Nikolayev said. "Feeling fine, sleep well."

Popovich's reply crackled back through space.

"Hello Falcon, Golden Eagle calling. Am in perfect mood. Sleep well. Feeling marvelous."

Policeman Wounded In Shooting Fray

PORTLAND (UPI) — A shooting Sunday night resulted in a policeman being wounded and a northeast Portland resident being taken into custody.

Arthur N. Baty, 51, was charged with assault with a deadly weapon with ball set at \$10,000 in connection with the shooting spree. One of the bullets struck Patrolman Albert L. Wilhelm in the right shoulder.

Police said the shots were apparently fired from a bedroom window of the Baty home with a .32 caliber pistol.

Officers said the bullets struck some houses two blocks away. Police said 22 expended shells were found in the second floor bedroom of the Baty home, on the ground and in the roof below the window.

After Wilhelm was wounded four other policemen were admitted to the Baty home by Baty's wife. Her husband's resistance.

STATE CHAMPS — Area IV Legion Commissioner Lee Wimberly presents the 1962 pennant to the four co-captains of the Lockwood Motors Legion nine. Accepting the flag with happy smiles are (l to r) Marv Flegg, Gordon Avery, Glen Fortune and Tom Hobbs. The presentation followed Roseburg's 4-1 victory over Tigard Saturday.
