AN OPEN LETTER TO OUR FRIENDS IN DOUGLAS COUNTY

TOZER'S HEATING & SHEET METAL
806 S.E. Pine, Roseburg, Oregon

May 6, 1963

WE wish to take this opportunity to thank you for your gratifying response to our spring special on COOL TOP—the completely automatic diesel fired, thermostatically controlled floor furnace.

IT is with regret that because of rising prices and increasing demands for COOL TOP we must now withdraw our incredible spring special offer.

HOWEVER, despite increased costs and impending price rises we can still show you how you may own this fabulous COOL TOP for less than similar inferior installations. WE would like to explain how you can install a COOL TOP furnace now and protect yourself from future price rises and yet not jeopardize your budget! Buy now, install anytime and protect your family for next winter.

INCIDENTALLY, COOL TOP is a friend even in summer and can be used to circulate air in your home all summer long.

YOU often hear the remark "It's just LIKE a COOL TOP." Don't be misled by this ridiculous statement. Such a remark makes as much sense as to say "a Ford is just LIKE a Cadillac."

CONTACT us today and let us show you how easily YOU may have the year round comfort of a COOL TOP for your family.

Sincerely,
Tozer's Heating & Sheet Metal
