National Forest Timber For Sale

Junction Fridge Salvage Sale (9-43)
Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, Federal Office Building, Roseburg, Oregon, beginning at 2:00 P.M., June 10, 1963, for all merchantable timber marked or designated for cutting on an area embracing 248 acres, more or less, within sections 29, 30, 31, 32 and 33, T. 29 S., R. 1 E., and section 36, T. 29 S., R. 1 W., W.M., surveyed, in the Umpqua National Forest, Oregon. The estimated volumes are: 1,040 M board feet of Douglas-fir, 390 M board feet of sugar pine and other species of pine, 120 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir \$14.30, sugar pine and other species of pine \$11.45, white fir and other species \$6.25. This includes the following rates per M board feet for stumpage including deposit for sale area betterment: \$3.00 base rate plus an additional \$10.55 for Douglas-fir, \$3.00 base rate plus an additional \$7.70 for sugar pine and other species of pine, \$2.00 base rate plus an additional \$3.50 for white fir and other species and \$0.75 for slash disposal for all species. The stumpage rates payable for each species will be increased by the amortization rate in effect for that species when the unamortized estimated cost of the main haul roads has been amortized by timber scaled. The unamortized estimated cost is \$8,234.00. Amortization rates are: Douglas-fir \$7.54 per M board feet, sugar pine and other species of pine \$5.52 per M board feet and white fir and other species \$2.49 per M board feet. Amortization of estimated main haul road costs is computed on 80 percent of the estimated timber volume. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir region indices, as calculated by the Forest Service or the Western Pine Association Lumber Price Index for the three previous months and the following base indices: Douglas-fir 108.69(D), sugar pine and other species of pine 105.43, white fir and other species 91.68(A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-month period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for a species will not be increased above the base rate until the subsequent adjusted rates above the base rate will develop an accumulated total dollar value for the species in excess of the recorded accumulated difference for all species. If the contract period is extended, the Forest Service shall redetermine the rates for stumpage and required deposits as of and effective on the day following the original termination date, but redetermined rates for each species product shall be no lower than the rate effective immediately prior to the effective date of the extension plus the following increases in stumpage rates per M board feet as follows: Douglas-fir \$1.78, sugar pine and other species of pine \$1.50, white fir and other species \$1.39. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor at 2:00 P.M. on June 10, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of \$3,200.00 must accompany each bid, to be applied to the purchase price, refunded or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Cow Creek Ranger District, Tiller, Oregon, or the Forest Supervisor, Roseburg, Oregon, before bids are submitted.

Local News

Mr. and Mrs. Harold McKay were in Portland last weekend to visit their son-in-law and daughter, Mr. and Mrs. Max Hiatt.

Mrs. Darley Ware, Mrs. Eugene Lincoln and Mrs. Paul Dodd left today for Eugene where they will attend a state executive board meeting of the University of Oregon Mothers Club. Mrs. Ware is president of the local unit; Mrs. Lincoln is president-elect; and Mrs. Dodd is vice president of District 7. The three women will remain to participate in Mothers Weekend on the U of O campus. Mrs. Ware is the guest of her daughter, Mollie; and Mrs. Lincoln and Mrs. Dodd, guests of their respective sons, Mike Flury and Dan Dodd.
