Several persons suffered injuries in two weekend accidents, according to state police reports.

A 1956 car operated by Albert Delmar of Thompson Ave., Winston, went out of control after she became blinded by oncoming car headlights about 10:55 p.m. Saturday. The accident occurred three miles south of Dillard on Highway 99.

The car skidded 108 feet on the shoulder of the highway, then went into a ditch striking a dirt bank and flipped over on its top, said police.

## Radcliffe Girls Stage Reverse 'Panty' Raid

CAMBRIDGE, Mass. (UPI)—Radcliffe College girls staged a reverse panty raid on Harvard Sunday night and touched off a noisy demonstration involving 2,000 students.

Police broke up the disturbance and arrested eight Harvard men on charges of disturbing the peace and alleged property damage. They were to be arraigned today. There were no injuries and no major damage.

The uprising, blamed on spring fever and pre-exam pressure, started when 150 Radcliffe girls marched a mile to Harvard Yard and shouted to men in Winthrop House, a male dormitory, to throw them underwear.

Some of the Harvard boys threw shorts and other dropped water bombs and bars of soap. One Radcliffe girl said the raid was planned early Sunday.

As the girls began returning to their dormitories, the Harvard boys began grouping for a panty raid on Radcliffe's nine dormitories. At one time there were at least 2,000 men and women involved in

the demonstrations, officials said. By this time police had been posted at all doors of the Radcliffe dormitories, allowing no girls out and no boys in. Police said none of the boys entered the girl dormitories, but they yelled at the girls to throw their panties.

Some of the girls tossed unmentionables and others retaliated with water bombs.

During the demonstration police told the students that Harvard President Nathan Pusey had warned them that any boy whose identification card was confiscated would face possible suspension.

Police also drove cruisers slowly through the milling crowds in an attempt to split up and disperse the students.

By 11 p.m., EDT, most of the Harvard boys had returned to their campus.
